# What is the AMAs buying program?

Henry Schein and the AMA have partnered with GroupSource to bring you even more competitive savings on all the medical supplies that you use, as well as brand-name and generic pharmaceuticals, from one convenient source. With this change, you will now gain access to hundreds of supply contracts offering increased discounts on products and services that you purchase for daily use. This new program will leverage the collective purchasing power represented by thousands of physician groups, from single physician offices to large multi-specialty clinics, representing over \$40 billion in purchases, and remember, you don't need to have AMA Membership to take advantage of these fantastic cost savings.

Discover through this new partnership how you can start benefiting today from this unique service offering:

## Henry Schein Value

### Trusted Advisors:

Our knowledgeable team can help you in navigating today's changing health care landscape through: Revenue enhancement, cost containment, staff training, technology & value-driving products and services.

### Price Integrity:

With the new AMA Buying Program your pricing will be extremely competitive and we will be continually working on your behalf to develop this purchasing plan and help deliver best value for your patients.

### Guaranteed Fast Delivery:

Orders received by 5PM local time are shipped the same day. Your products will arrive within 24-48 hours in most areas.

### Vaccines, Pharmaceuticals, and Diagnostics:

We supply every adult and pediatric vaccine recommended by the ACIP. In addition, we can fulfill flu vaccine needs with our Worry-Free Guarantee Influenza Vaccine Program.

### Solutions Hub:

We offer a vast selection of solutions to help you achieve your practice goals. Our commitment to helping you grow includes focusing on key service areas including revenue generation, cost containment, best practices and partnerships.

## AMA Value

The American Medical Association has expanded the MVP Program to bring you more resources and savings that fit you and your practice.

### Mailing Savings Program:

AMA value program members save up to 36% with UPS® on a broad portfolio of UPS services, including air, international, ground and freight shipping.

### Educational Tools:

AMA members save up to 30% off Kaplan's select USMLE, COMLEX, and Internal Medicine courses.

### Hotels & Travel:

Discounts up to 10% off published rates with periodic and seasonal specials. Hyatt Gold Passport® provides exclusive benefits and services at Hyatt hotels worldwide.

### Credit Cards, Auto Loans & Personal Loans:

Exclusive credit cards featuring rich rewards on travel, cash-back or low APRs.

### Computer & Technology Products:

From 5% to 30% off small-business technology and equipment to run your practice.

### Car Rental:

Up to 25% off domestic and international car rentals and Fee-waived membership in 3 Hertz Gold Plus Rewards.

## GroupSource Value

GroupSource, in partnership with Henry Schein, is dedicated to helping you save money. GroupSource negotiates and executes thousands of individual contracts each year. The savings accrued allows our clients to dedicate more of their resources directly to patient care, hiring additional doctors and nurses, and purchasing more advanced products and technology. As part of the member buying group you will be able to access savings across numerous contracts including:

- Medical Supplies
- Office Supplies
- Printing
- Cellular Phone Service
- Physician Recruiting
- Publications
- Telecommunications
- Office Equipment
- Lighting Supplies
- Data Storage

# Prostate Cancer

## The Importance of Testing

### Overview

More than 238,000 men every year are diagnosed with prostate cancer. There are certain risk factors that studies have been linked to this potentially deadly disease, including age, family history, weight, race, and diet. Typically, men who are 65 and older, African American, or obese, as well as men who eat a diet high in red meat and fatty dairy products or those with a family history of the disease are more likely to not only develop prostate cancer but also see it advance at quicker rates. The great news: being tested and diagnosed early can lead to survival rates of over 90%!

### Statistics

- Prostate cancer is the second most common cancer among men (only behind skin cancer).
- Prostate cancer is the second leading cause of death among men in the USA.
- If detected early, prostate cancer can be treatable. Nearly 3 million men previously diagnosed are surviving today.\*
- Prostate cancer has more than a 94% survival rate from 15 years and under – based on patients being diagnosed at least 15 years ago.
- This shows how important it is to be tested, as early diagnosis can save your life.

\*cancer.org

### Henry Schein's Testing Solution

Our partner NanoEnTek™ has the FREND™ system that is a compact, rapid in vitro diagnostic system that delivers a quantitative measurement of biomarkers in patient samples for Prostate Specific Antigen (PSA) and Thyroid Stimulating Hormone (TSH) in three minutes. This moderately complex automated system leads to improved patient care, increased profitability and practice efficiency.

The FREND System is based on quantitative immunoassay technology capable of quantifying single or multiple analytes by measuring laser-induced fluorescence in a single-use disposable reagent cartridge in which a quantitative in vitro measurement of specific antigens in human serum or plasma are made to be used as an aid in the clinical management of patients.

- The FREND cartridge utilizes micro-fluidics lateral flow technology where the analyte of interest in the sample forms immune complexes while moving through the fluidics pathway in the cartridge.

- The concentration of the analyte of interest in an unknown sample is calculated using the ratio of the fluorescent intensity of the Test Zone and the Reference Zone.

Value of utilizing the FREND system:

- The system provides a 3-minute test result that easily allows for same office-visit testing and patient consultation.
  - No spending unreimbursed time for patient call back
  - No need to schedule another patient appointment
  - Improve practice efficiency, increase patient satisfaction, increase practice profitability
- Controls are run only once a month, on new cartridge shipments or new lot number of cartridges
  - Run patients every day without the time or cost of running controls
  - No need to batch tests as with other analyzers.
- Calibration is performed with a lot-specific electronic chip
  - It takes only 6 seconds and stores up to 3 calibration codes
  - No liquid calibration material or cartridges are used, saving time and expense
- Are you drawing your patient and sending the test to a reference laboratory and not billing?
  - You are already doing most of the work, drawing the sample, spinning the blood, and filling out the lab requisition. Instead of doing the paperwork, just put the sample on the FREND and 3 minutes later you have the test result. And now you get to bill for the test!

See page 39 for more product details

**Frustrating. Painful. Embarrassing.** These are just a few sentiments that your patients may relay as they describe their personal experience with acne. Approximately 85% of the population between the ages of 11 and 25 develop acne, even some experiencing outbreaks well into their 40s and 50s. For many this condition is more than "an unsightly inconvenience", and the treatment options should be evaluated to support the spectrum of afflicted consumers.

### Adult Onset Acne—It's Not Just for Kids

It's no secret and often a source of great distress that due to fluctuating hormone levels, women tend to get adult acne more often than men do. This is particularly detectable around monthly menstrual cycles, after discontinuing (or starting) birth control pills, or during pregnancy, peri-menopause, and menopause. Both men and women are subject to outbreaks when there is a family predisposition, side effects from certain medications (i.e. Testosterone), or even a reaction to personal grooming products. In the absence of any of the above causes, there could also be an undiagnosed medical condition or stress.

**ACNIZIL™**  
Professional Acne Management

### The Formative Years

At any stage of one's life, the adverse effects of acne are felt very strongly. The majority of outbreaks of acne tend to coincide with the teenage years, when positive self-esteem and body image is in jeopardy. Compounding the psychological effects of this condition, is that severe cases of acne bring with it a risk of scarring, which can impact the patient years after the original condition has subsided.

### A Natural Approach

Realistically, there is no shortage of treatments available. Many are prescribed antibiotics and retinoic acids, which can have adverse side effects and over time, can contribute to bacterial resistance. Drug stores shelves and online retailers are brimming with cocktails to control blemishes, but may contain potentially damaging ingredients (i.e. parabens, alcohols, and acids). Due to the spectrum of patients which include pregnant women or younger preteens, many clinicians are exploring a first line approach using an effective natural product with few side effects: silver. Silver has long been employed in medicine for its natural antimicrobial and antifungal properties which historically less than 2% of the population experience sensitivity to or allergic reactions. It is a safe alternative for many patients where you may wish to take a less aggressive approach or who cannot use prescription means (i.e. pregnant women, young preteen patients). It is also a great option for occasional acne flare-ups or in combination with other drug therapies.

### Acnizil™: The Natural Choice for Clearer Skin

Henry Schein presents an exclusive over-the-counter preparation with no known side effects. Acnizil™ is a new first-line therapy product for mild to severe acne. It is made from a proprietary silver solution that is proven to kill P. Acne Bacterium. It is a treatment alternative to salicylic acid, benzyl peroxide, and antibiotics. Patients will appreciate a non-antibiotic therapy that has no side effects. Clinicians appreciate effective physician dispense that enhance patient retention and generates revenue.

For more information, to review the effectiveness kill time study, or to order Acnizil online, visit: [www.henryschein.com/acnizil](http://www.henryschein.com/acnizil)

### Acnizil™ No Risk All Reward Program

Acnizil™ is sold directly to patients from the physician office. When you order a box of 12, you will receive a marketing kit with complimentary registration on the "Provider Locator" at [www.acnizil.com](http://www.acnizil.com) which includes a no hassle return of any unsold units. Visit [www.henryschein.com/acnizil](http://www.henryschein.com/acnizil) for details.

1.5 oz. 12/ Box 856-0011

#### Kill Time Study

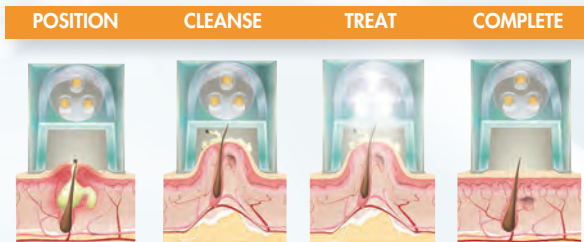

| Exposure Time | Bacteria Kill % |
|---------------|-----------------|
| 10 Minutes    | 99.99%          |
| 1 hour        | 99.99%          |
| 4 hours       | 99.99%          |
| 24 hours      | 99.99%          |

# Therapeutic Revenue Generators for Acne

As the most common skin disorder, acne affects 40-50 million Americans contributing to \$2.2 billion annually in direct healthcare costs. Approximately 85% of the population between the ages of 11 and 30 suffer from acne with many afflicted with acne into their 40s and beyond.

## HOW IT WORKS

The TheraClear™ System combines intense Pulse light with suction and is FDA cleared to treat the widest range of acne in all skin types:

- Acne Vulgaris
- Comedonal Acne
- Pustular Acne

## HENRY SCHEIN® DIGITAL ELECTRONIC EYE-HEIGHT SCALE

Compact eye-height digital scale features integrated mechanical height rod, large backlit LCD display, and BMI calculator. Weight capacity up to 500 lb (225 kg). Low profile for easy access—platform is only 2½" high. Sta-Bilt stabilizing software ensures an accurate measure, even if the patient is moving. Autohold feature allows the weight to continue to be displayed after the patient has stepped off the scale. An integrated USB interface allows data to be transferred to a computer. Includes 2-year warranty. 22" x 15" x 53"

(112-7154) .....ea

## HENRY SCHEIN® MECHANICAL BEAM SCALE WITH HEIGHT ROD

Standing mechanical beam scale with built-in height rod. Weight capacity of 450 lb (200 kg). 1-year warranty. 22¼" x 18¼" x 58¼"

(112-7157) .....ea

## HENRY SCHEIN® DIGITAL PEDIATRIC TABLE SCALE

Small countertop pediatric scale has a curved design to support and protect the infant. Sta-Bilt stabilizing software ensures an accurate measure even if the infant is moving. Large backlit LCD display measures in lb and oz. Weight capacity of 45 lb. Integrated tape measurer to measure size of the baby. The autohold feature allows the weight to be displayed even after the baby has been taken off the scale. An integrated USB interface allows data to be transferred to a computer. Includes a 2-year warranty. 16¾" x 27¾" x 4"

(112-7156) .....ea

## HENRY SCHEIN® DIGITAL WAIST-HIGH SCALE

Compact waist-high digital scale has integrated mechanical height rod. Large, backlit LCD display shows lb or kg, and has capacity up to 500 lb (225 kg). Low profile for easy access—platform is only 2½" high. Wheels for easy movement. Contains BMI calculator and a clock. Includes 2-year warranty. 22" x 15" x 36"

(112-7155) .....ea

## HENRY SCHEIN® DIGITAL FLOOR SCALE

Compact digital floor scale has a large backlit LCD display. Weighs accurately in both lb and kg, up to 400 lb (200 kg). Features antislip feet and a low profile for added safety. Automatically turns on. Includes 1-year warranty. 14" x 11½" x 1"

(112-7153) .....ea

## HENRY SCHEIN® HOLTER PREP KITS

Include everything needed for patient setup for Holter monitoring.

- Complete, ready-to-use kits save time and reduce costs
- 3 high-quality kit configurations provide flexibility and efficiency
- Kits are conveniently packed in an easy-to-open, individual sealed bag

Holter Prep Kit for Midmark Holter Systems

(112-6920) .....20/case  
Contains: 5 Lead-Lok electrodes, 1 patient diary, 1 razor, 1 scrub pad, 2 alcohol preps & 2 AA batteries.

Holter Prep Kit for Burdick Holter Systems  
(112-6921) .....20/case

Contains: 7 Lead-Lok electrodes, 1 patient diary, 2 tape cards, 1 ID card, 1 razor, 1 scrub pad, 2 alcohol preps & 2 AA batteries.

Holter Prep Kit for Welch Allyn Holter Systems

(112-6922) .....20/case

Contains: 7 Lead-Lok electrodes, 1 patient diary, 1 razor, 1 scrub pad, 2 alcohol preps, 2 AA batteries & 1 Holter pouch.

## HENRY SCHEIN® FINGERTIP PULSE OXIMETER

- Adult and pediatric use: ideal for all specialties
- Range for SpO<sub>2</sub>: 70%–100%
- Range for pulse: 30–235 bpm
- Dual-color LED with display modes and brightness control
- Includes pulse bar and plethysmogram
- Visual and audible low-battery alarm
- 2 AAA alkaline batteries with 30 hours of continuous use
- Electromagnetic compatibility

(900-6368) .....ea

## HENRY SCHEIN® NASAL CANNULAS

- Over-the-ear cannulas
- 7" tubing

Adult  
Standard Tip

(900-7035) .....50/case

Flared Tip

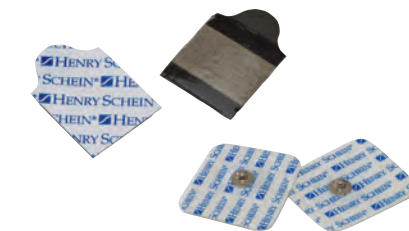

(900-7037) .....50/case

Curved Tip

(900-7036) .....50/case

Pediatric  
Tapered Tip

(900-7034) .....50/case

## HENRY SCHEIN® DIAGNOSTIC TAB ELECTRODES

Latex-Free

- Fishtail design creates a stable base
- Outstanding adhesive for superior contact
- Type: diagnostic tab
- Size: 21 mm x 34 mm
- Applications: resting/diagnostic ECG

Size: 23 mm x 34 mm  
Applications: Resting/Diagnostic ECG

(900-7027) .....100/pkg

(900-7028) .....50/pkg

## Connex® Vital Signs Monitors

Advanced touch-screen monitor features bright, vivid colors with minimal knobs or buttons for ease of use and cleaning.

- SureBP® technology measures blood pressure as cuff is inflating
- 15-second NIBP or 30-second step deflation, pulse rate
- Supports adult, pediatric, and neonatal patients
- Automatic and programmable NIBP intervals
- Stores 400 sets of data (with custom labeling)
- USB cable connectivity with HER
- New ACP mobile stand
- Pulse rate and MAP included
- Available options include SureTemp Plus thermometry and Masimo or Nellcor pulse oximetry
- Optional integrated thermal printer
- Operates by a lithium-ion battery
- 2-year warranty

## SureTemp® Plus 690 Electronic Thermometer SureTemp® Plus Thermometer Probe Covers

Combines the speed of ear thermometry with the accuracy and reliability of traditional oral thermometry. Takes fast, 4–6-second oral temperatures, 10-second pediatric axillary and rectal temperatures, and 15-second adult axillary temperatures.

- Accurate to within  $\pm 0.2^{\circ}\text{F}$  ( $0.1^{\circ}\text{C}$ )
- Interchangeable, removable probe wells to reduce the risk of cross contamination
- Large LCD that can display temperatures in Fahrenheit or Celsius
- Last-temperature recall
- Mode selection and recall buttons
- Four different temperature modes
- Convenient storage for 25 probe covers
- Takes about 6000 readings on 3 AA batteries (included)

## HENRY SCHEIN® HENRY SCHEIN NEBULIZER COMPRESSOR SYSTEM

Quality designed to deliver prescribed medication into aerosol mist for easy inhalation to the bronchial lung passages. Small and lightweight for easy storage and travel mobility. 1.18 kg

- Operating pressure range: 8–16 psi
- Compressor flow range: 5–8 lpm
- Average nebulization rate: > 0.20 mL/min

(112-7063) .....ea

Contains: compressor nebulizer machine, disposable nebulizer, connection cannula or air tube, mouthpiece & 5 filters.

## HENRY SCHEIN® PULMOCHOICE™

- Can be used with most commonly prescribed respiratory medications
- Provides consistent drug delivery
- Highly efficient with minimal drug wastage; 80% of drug output volume is below 5 microns in size
- Active Venturi system enhances drug output
- Fast treatment times for busy physician offices; delivers 2.5 mL of drug output within 7 minutes

Disposable Nebulizer Kit  
(112-5814) .....ea  
Contains: mouthpiece, medicine chamber & 7' tubing.

Disposable Nebulizer Kit with Adult Face Mask  
(112-5815) .....ea

Contains: adult aerosol mask, medicine chamber & 7' tubing.

Disposable Nebulizer Kit with Pediatric Face Mask  
(112-5816) .....ea

Contains: pediatric aerosol mask, medicine chamber & 7' tubing.

# BURDICK

# CareCenter MD®

ADVANCED PC-ECG/PC-STRESS SOLUTION

Burdick®, CareCenter MD®, Mortara® and Quinton® are trademarks or registered trademarks of Mortara Instrument, Inc.

- Wireless data acquisition promotes flexible workflow.
- A single platform for both modalities simplifies data entry.
- Advanced analysis tools allow clinicians to quickly edit and confirm tests.
- Offers a range of options for connectivity to EHRs.

For more information or a demonstration, contact your local representative.

BURDICK MORTARA QUINTON

## Patient-centered care. It's time.

It's time to shift the focus, re-think the traditional and streamline the clinical workflow. The Midmark 625 Barrier-Free® Exam Table with IQhub® and IQscale® is designed to simplify the process of gathering and recording your patients' vitals and other diagnostic data, keeping EMRs up to date and error free.

For more information, call **1-800-MIDMARK** or visit **midmark.com**.

### IQscale®

- Designed to weigh patients quickly, efficiently and discreetly
- Run scale functions from the table's all-in-one handheld control
- Send data to the EMR with the push of a button

### IQhub®

- Connect digital diagnostic devices like the IQecg® and IQspiro® at the point of care
- Port diagnostic data directly to a computer

### IQvitals®

- Designed to improve efficiency and reduce transcription errors with automated capture of blood pressure, temperature, SpO<sub>2</sub> and pulse rate

Tables – Midmark Corporation, Versailles, OH 1-800-MIDMARK  
IQvitals® – Midmark Corporation, Torrance, CA 1-800-624-8950

## Connectivity solutions that work.

The Midmark IQspiro® Digital Spirometry System combines a diagnostic spirometer with innovative software solutions designed to make it fast and easy to capture, interpret and retrieve patient information.

### IQspiro®

- Meets ATS/ERS 2005 Standards
- Incentive screens that make patient coaching easy
- Pre- and post-bronchodilator testing
- Lightweight and portable
- Connects to top EHR/EMR systems or IQmanager®

For more information, call **1-866-836-5232** or visit **midmark.com/ScheinSchool**.

Manufactured and/or distributed by Midmark Corporation  
60 Vista Drive, Versailles, Ohio 45380 1-800-MIDMARK

## When it's time to choose an AED We make it simple

### Simple to use

with an intuitive two-step process, the guidance from our ClearVoice™ prompts and no shock button to push.

### Simple to own

with automatic self-testing, one of the longest warranties in the industry and the lowest cost of ongoing ownership.

### Simply put

the LIFEPAK CR Plus automated external defibrillator from Physio-Control is the effective, safe and affordable choice for your customer.

## LIFEPAK CR® Plus DEFIBRILLATOR

Contact your Henry Schein representative today.

©2015 Physio-Control, Inc. Redmond, WA 3318849\_B AED users should be trained in CPR and the use of an AED. LIFEPAK AEDs require a prescription in the USA. Please consult your physician.

# Upgrade to Welch Allyn screening technology to enhance workflow and patient outcomes

## Spot Vision Screener

Hand-held, automatic vision screening in under 1 second, with immediate access to on-screen and printed results for referral.

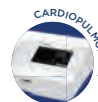

## OAE Hearing Screener

Objective testing, with just three button pushes that turn on device and administer test in 8-16 seconds per/ear\*; results can be printed or shared digitally.

\*Assumes DPOAE screening with 2-4 second averaging

To learn more, contact your Henry Schein representative or visit [www.welchallyn.com](http://www.welchallyn.com)

## UNPRECEDENTED GERM KILL, INNOVATIVE DISPENSING

HS#118-6643  
PURELL® Advanced Instant Hand Sanitizer Foam

HS# 415-0037  
PURELL® LTX-12™ Dispenser - White

\*PURELL® Advanced Instant Hand Sanitizer exceeds HCPHW at 1.1 mL of product. ADX and LTX dispensers only. Fully primed pump through 95% of refill.

1. Healthcare Personnel Handwash Study #111016-101, March 19, 2012, BioScience Laboratories, Bozeman, MT.

2. Based on top selling hand sanitizers for general hand antisepsis according to GHX hand sanitizer sales data 12 months ending December 2011.

## TOGETHER, THEY PROVE THAT A SINGLE SYSTEM CAN CHANGE EVERYTHING.

For the first time ever, healthcare workers can meet hand hygiene compliance guidelines with a single pump of PURELL® Advanced Instant Hand Sanitizer. \* That's because only GOJO® ADX™ and GOJO® LTX™ dispensing systems are designed to release 1.1 mL of product — the exact amount necessary to exceed FDA Healthcare Personnel Handwash efficacy requirements.<sup>1</sup> No other instant hand sanitizer can do that.<sup>2</sup> So every time healthcare workers use PURELL Advanced Instant Hand Sanitizer from one of these systems, you can be confident that they're getting enough product to help stop the spread of infection.

**Creating the ultimate combination of unprecedented germ kill and innovative dispensing — we had a hand in that.**

### Accu-Stream 360 Cans

Accu-Stream 360 cans offer an innovative delivery system for Gebauer's Ethyl Chloride. The new actuator is a one-touch system that allows customers to dispense ethyl chloride from any angle—even upside down—with extreme accuracy. There is also a safety locking ring that will prevent accidental dispensing during shipping and office storage.

### Ethyl Chloride Accu-Stream Can

(122-2079) .....10/pkg

CPT®Code: 90649†

Gardasil® is a registered trademark of Merck & Co., Inc.

### HAVRIX®-Pediatric/Adolescent

Hepatitis A (Inactivated) Vaccine, Thimerosal-Free, 720 ELU/0.5 mL

Tip-Lok®, Latex-Free 0.5-mL Syringe

(254-0023) .....10/pkg

### SANOFI PASTEUR

#### IPOL®

Poliovirus (Salk) (Inactivated) Vaccine

5-mL, 10-Dose Vial

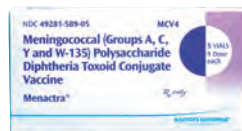

(546-7189) .....ea

CPT®Code: 9073†

Item stored under refrigeration.

May be shipped separately.

Nonreturnable product: No credit will be given for return of this product.

### SANOFI PASTEUR

#### Menactra®

Meningococcal (Groups A, C, Y, and W-135) Polysaccharide Diphtheria Toxoid Conjugate Vaccine, Thimerosal-Free

0.5-mL SDV

(546-5976) .....5/pkg

CPT®Code: 90734†

Vaccine price includes FET.

### MENVEO®

[Meningococcal (Groups A, C, Y and W-135) Oligosaccharide Diphtheria CRM197 Conjugate Vaccine Solution for Intramuscular Injection

0.5-mL SDV

(258-0092) .....5/pkg

CPT®Code: 90734†

Do not freeze. Store refrigerated, away from the freezer compartment, at 36°F to 46°F (2°C to 8°C).

Protect from light. Do not use after the expiration date.

### RECOMBIVAX HB®-Adult

1-mL Prefilled Luer Lock Syringe without Safety Needle

(122-2086) .....10/pkg

CPT®Code: 90746†

RECOMBIVAX HB® is a registered trademark of Merck & Co., Inc.

### Td Vaccine

Tetanus and Diphtheria Toxoids, Adsorbed 7+ Years, Latex-free and Preservative-Free

0.5 mL SDV

(784-0000) .....10/pkg

CPT®Code: 90714†

### TWINRIX®-Adult

Hepatitis A (Inactivated) and Hepatitis B (Recombinant) Vaccine

1-mL SDV

(254-3353) .....10/pkg

1-mL Tip-Lok® Prefilled Syringe without Needle

(254-0030) .....10/pkg

CPT®Code: 90636†

### VARIVAX®

Varicella (Chicken Pox) Virus (Live) Vaccine, Thimerosal-Free, Lyophilized

0.5-mL SDVs

(558-1592) .....10/box

Contains:

CPT®Code: 90716†

Item stored frozen. May be shipped separately.

Nonreturnable product: No credit will be given for any return of this product.

All vaccines include Federal Excise Tax (FET).

VARIVAX® is a registered trademark of Merck & Co., Inc.

### VAQTA®-Pediatric/Adolescent

Hepatitis A (Inactivated) Vaccine, Thimerosal-Free, 25 U

0.5-mL SDV

(558-4255) .....10/pkg

0.5-mL Prefilled Luer-lock Syringe Without Safety Needle

CPT®Code: 90633†

All vaccines include Federal Excise Tax (FET).

VAQTA® is a registered trademark of Merck & Co., Inc.

## Adacel®

- Help educate families by routinely discussing the need for Tdap vaccine with parents of vulnerable infants in your practice and encourage them and other key contacts to be vaccinated.
- Routinely immunize adults and adolescents 11 through 64 years of age with Adacel vaccine.
- Help reduce the risk of pertussis for you and those among your staff who have direct contact with patients through routine immunization with Adacel vaccine as is recommended by the ACIP. Sources: Adacelvaccine.com, CDC.gov

### Adacel®

Tetanus Toxoid, Reduced Diphtheria Toxoid, and Acellular Pertussis Vaccine Adsorbed

0.5-mL SDV  
(546-7789) .....10/pkg

0.5-mL Prefilled Syringe without Needle  
(546-4958) .....5/pkg

CPT® Code: 90715†

Adacel is a vaccine indicated for active booster immunization against tetanus, diphtheria and pertussis. Adacel is approved for use as a single dose in persons 10 through 64 years of age.

# M-M-R® II

Measles, Mumps, and Rubella Vaccine  
0.5-mL SDV with Diluent  
(558-0110) .....10/pkg

CPT® Code: 90707†

Items stored under refrigeration.

May be shipped separately.

All vaccines include Federal Excise Tax (FET).

M-M-R® II is a registered trademark of Merck & Co., Inc.

### BD Veritor™ System

- Proven performance vs. PCR
- Unique Adaptive Read Technology provides reproducibility you can count on
- Easy-to-read digital display eliminates subjective interpretation and delivers the "Trusted Answer"
- Convenient workflow with minimal hands-on time

### #256055, BD Veritor™ System Reader

A rapid chromatographic immunoassay for use with symptomatic patients. This CLIA-waived kit is to be used with the BD Veritor System Reader to test nasal and nasopharyngeal swab samples that are freshly collected, processed and dispensed directly onto an assay test device.

#256055, BD Veritor™ System Reader  
(992-0003) .....ea

#256045, CLIA-waived BD Veritor™ System Flu A+B Kit  
(992-0002) .....30 tests/pkg

CPT®Codes: Influenza A: 87804QW†/ Influenza B: 87804-59†; Using the Objective and Differentiated Reader System: 87999†

### BD Veritor System Group A Strep Test

The first CLIA-waived digital immunoassay (DIA) for the rapid detection of Group A strep (GAS) with an instrumented result. Test device is ready to insert into reader 5 minutes after sample is added. Once the test device is inserted in the reader, an objective, digital test result is displayed in 10 seconds.

#256040  
(992-0006) .....30/box  
CPT®Code: 87880QW†

### BD Veritor System RSV CLIA Waived Kit

The first CLIA-waived RSV test referenced against a higher sensitivity standard than culture. Test device is ready to insert into reader 10 minutes after sample is added. The same sample processed for RSV can also be used for flu A+B. Digital results displayed in 10 seconds.

#256038  
(121-7553) .....30/box  
CPT®Code: 87807QW†

## Switch Now to the BD Veritor™ System

Make Your Flu A+B, RSV, and Group A Strep Diagnosis **FAST!**

### Fast

Test results in 5-10 minutes\*

### Accurate

## HENRY SCHEIN® URISPEC® PLUS URINALYSIS READER

### & Urispec® 11-Way Urine Strip Promotion

- CLIA-waived
- Readings eliminate subjectivity of visual color interpretation, which makes urinalysis simpler and more reliable
- Features no-touch operation: After strip placement, measurement starts automatically, which makes urinalysis faster and more hygienic
- Easy switch between different test strips: Urispec Plus is for use with Henry Schein Brand Urispec 11-Way, 5-Way Plus, 4-Way, and GP+A urine test strips

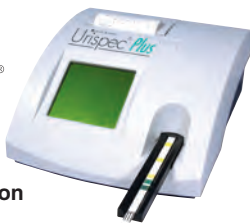

(900-7507) .....ea

Contains: 1 Urispec Plus Urinalysis Reader & 12 bottles of Urispec 11-Way Urine Strips.

### SMALL READER PAPER

Can be used on small analyzers like the Urispec® Plus and other manufacturers' units, including the NanoEnTek FREND™. 57 mm x 32'

(900-4163) .....6 rolls/pkg

## HENRY SCHEIN® URISPEC® 5-WAY PLUS URINE REAGENT TEST STRIPS

- Tests for glucose, blood, protein, nitrite, leukocytes, and urobilinogen
- Strips for visual read or for use with the Henry Schein Urispec Plus Urinalysis Reader only

(900-7508) .....100/btl

CPT®Codes: 81000/81001/81002/81003

## HENRY SCHEIN® URISPEC® 11-WAY URINE REAGENT TEST STRIPS

- Unique "read all" feature at 60 seconds
- Similar to Multistix® 10 SG Plus Ascorbic Acid Test and all brands of 10 SG products
- Glucose, bilirubin, ketone, specific gravity, blood, pH, protein, urobilinogen, nitrite, and leukocytes
- Reader available
- Ascorbic acid pad to ensure uncompromised results
- Room-temperature storage
- Strips for visual read or for use with Henry Schein Urispec Plus Urinalysis Reader

(102-2285) .....100/btl

CPT®Codes: 81000/81001/81002/81003

## HENRY SCHEIN®

### URISPEC™ GP+A URINE REAGENT TEST STRIPS

Test for glucose and protein, with an ascorbic acid test for accuracy.

- Protein and glucose
- Ideal for metabolic, kidney, and diabetic monitoring
- Dip and read in 60 seconds
- Strips for visual read or for use with Henry Schein Urispec Plus Urinalysis Reader

(100-6567) .....100/btl

CPT®Codes: 81000/81001/81002/81003

## HENRY SCHEIN®

### URISPEC™ 4-WAY URINE REAGENT STRIPS

- Protein, nitrite, glucose, and leukocytes
- Ideal for OB/GYN
- Infection, diabetes, and kidney function
- Dip and read in 60 seconds
- Strips for visual read or for use with Henry Schein Urispec Plus Urinalysis Reader

(107-7157) .....100/btl

CPT®Codes: 81000/81001/81002/81003

## HENRY SCHEIN®

### URISPEC™ URINALYSIS CONTROLS

For Most Brands of Routine Urine Dip Sticks and Pregnancy Tests

A bilevel product packaged in plastic tubes and dropper bottles. Controls are liquid, ready-to-use, and are designed to validate urinalysis reagent strips. Packaged in plastic dip tubes and dropper bottles, they are convenient and easy to use. Long open- and closed-vial stability at 2°C–8°C for 2 years unopened, or 90 days once the Dip Control is opened, and 180 days once the Drop Control is opened. This allows the user ample time to utilize the product before expiration, resulting in cost savings.

- Values for all pregnancy test brands
- Assays for common brands of urine dip for routine urinalysis (2 parameter-10SG)
- Includes values for microalbumin, creatinine, and hCG
- Two distinct levels (normal and abnormal)
- Closed vial dating up to 2 years with refrigerator storage
- 30-day stability at room temperature

## HENRY SCHEIN® URISPEC™ PRO 2 GP URINE STRIPS

Strips for Visual Read  
Tests for glucose and protein.

- Made in the USA

(900-4996) .....100/btl

CPT®Codes: 81000/81001/81002/81003

## HENRY SCHEIN® URISPEC™ 5 OB URINE STRIPS

Strips for Visual Read  
Tests for glucose, protein, blood, nitrites, and leukocytes.

- Made in the USA

(900-4995) .....100/btl

CPT®Codes: 81000/81001/81002/81003

## HENRY SCHEIN® URISPEC™ 10SG URINE STRIPS

Strips for Visual Read

Tests for glucose, bilirubin, ketone, urobilinogen, specific gravity, blood, pH, protein, nitrites, and leukocytes.

- Made in the USA

(900-4994) .....100/btl

CPT®Codes: 81000/81001/81002/81003

### Hemocult® ICT Tests

Next-generation fecal occult blood test (FOBT) for colorectal cancer screening. Specific for human hemoglobin, this immunochemical test eliminates all diet and drug restrictions. Specific for lower GI bleeding, resulting in fewer false positives and a reduction in unnecessary invasive procedures.

- CLIA waived; easy test procedure
- Made in the USA**
- Screening reimbursement code: G0328QW

### #395065A, Collection Card Set (834-7610) .....ea

Contains: 100 cards, 100 applicator sticks, physician instructions & sample collection instructions.

### #395066A, Screening Kit (834-3249) .....ea

Contains: 1 box of 40 patient screening kits. Each patient screening kit contains: 1 dispensing envelope with patient instructions, 3 Hemocult ICT collection cards, 3 flushable collection tissues, 3 applicator sticks & 1 mailing pouch.

### #395067A, Test Kit (834-6389) .....ea

Contains: 20 test devices & 1–1-mL bottle Hemocult ICT buffer (to be used with Hemocult ICT collection cards & patient screening kits).

### #395068A, Controls (834-5620) .....4/box

### #395261A, 2-Day Patient Screening Kit (237-0085) .....50/box

Contains: 1 dispensing envelope, 2 Hemocult ICT collection cards, 2 flushable collection tissues, 2 applicator sticks & 1 mailing pouch.

### Hemocult® SENA® Single-Test Card

• Made in the USA

### #64151A (254-3896) .....ea

Contains: 100 Hemocult SENA single-test cards, 2–15-mL bottles developer, 100 applicators & 1 product instruction manual.  
CPT® Code: 82270 QW

### Hemocult II® Dispensapak™ Plus

Most clinically proven and widely used FOBT. Trusted for over 30 years.

• Made in the USA

### #61130A, 40-Patient Kit (254-5748) .....ea

Contains: 40 patient kits, 2–15-mL bottles developer & 1 product instruction manual. Kit contains: 1 Hemocult II triple-test card, 3 flushable sample collection tissues, 3 applicators, 1 illustrated diet & test instructions, 1 patient pamphlet & 1 Barrier mailing pouch.

CPT® Code: 82270 QW

### Alere™ Cholestech LDX® System

Complete Lipid Profile, Glucose  
Lab-accurate lipid profile, glucose, ALT, AST, and hs-CRP results in about 5 minutes\* from a simple fingerstick. Allows provider to get results while patient is still in office—provider can counsel and intervene face-to-face. This improves patient compliance and increases control and management of heart disease and diabetes. Reimbursable by Medicare and most private payers.

- CLIA waived\*\*
- Procedure saves time and enhances productivity
- Small, tough, and portable
- Eliminates anxiety of venipuncture; requires only a fingerstick
- On-the-spot adjustment of therapy and improved patient compliance
- Accuracy comparable to laboratory tests
- Saves time: fewer follow-up visits required
- Enhances compliance through teachable moments between healthcare providers and patients

### #10-959, Analyzer

**(738-2917)** .....ea  
Contains: 1 of each: analyzer, printer, power supply, starter pack, optics check cassette, printer cable, user's manual, procedure manual & training video. Starter pack contains 200 lancets, 200 capillary tubes, 200 capillary plungers, 1 Minipette pipette, 50 pipette tips, 1 accessory tray & 1 fingerstick tip pad.

### #10-986, Test for TC

**(420-7892)** .....10/box

### #10-988, Test for TC and Glucose

**(956-0149)** .....10/box

### #10-987, Test for TC and HDL Panel

**(600-5779)** .....10/box

### #10-990, Test for TC, HDL, and Glucose Panel

**(600-5781)** .....10/box

**(116-9995)** .....10/box

### #10-991, Test for Lipid Profile and Glucose

**(694-9360)** .....10/box

### #88770, Calibration Verification Material (Lipids/Glucose), 2 mL

**(116-7301)** .....ea

Contains: 1 vial of each level (1-4).

### #88769, Multi-Analyte Controls, 2 mL

**(116-4232)** .....ea

Contains: 1 vial of each level (1-2).

### #88773, Multi-Analyte Control, 0.25 mL

**(825-0041)** .....ea

Contains: 1 vial of each level (1-2).

### #11-785, Cholestech Thermal Printer Labels

White labels for use with Cholestech Thermal Label Printer.

**(803-6378)** .....400/roll

### #11-010, Disposable Pipette Tips

For use with 35µL, 40µL, and 50µL MiniPet Pipettes.

**(267-4596)** .....50/box

### #10-311, Capillary Plungers

For use with all types of Cholestech capillary tubes.

**(960-1587)** .....50/box

### #11-787, Printer Cable

Connects the Cholestech LDX to the Thermal Label Printer.

**(803-3213)** .....ea

## Afinion™ Test System

The Afinion™ AS100 Analyzer provides valuable near-patient testing for today's health-care professionals. It utilizes the latest technology and provides a simple, fast, and reliable method to monitor patients' disease progression.

- Multiassay analyzer system
- 3-minute HbA1c, CLIA-waived
- 5-minute albumin/creatinine ratio (ACR)
- Short test time provides the opportunity for more timely treatment changes
- Easy sample collection and operation, minimal training required
- Reliable, lab-quality results
- No manual calibration required
- Unique integrated fail-safe system
- Allows for input of patient and operator IDs

### AS100 Analyzer

**PLACEMENT PROGRAMS!**

### Afinion™ HbA1c Test

Test for quantitative determination of glycated hemoglobin (HbA1c) in human whole blood, used to monitor metabolic control in patients with diabetes.

- 3-minute test time
- Excellent precision (<3% CV)
- No interference from Hb variants
- NGSP and IFCC certified
- CLIA-waived

### HbA1c

**(119-8788)** .....15/box

### HbA1c Controls

**(119-8791)** .....ea

### Afinion™ ACR Test

Test for quantitative determination of albumin, creatinine, and albumin/creatinine ratio (ACR) in human urine, used for early identification of renal disease in patients with diabetes and/or hypertension.

- Lab-quality results in 5 minutes
- 3.5 µL of random/spot urine sample
- Quantitative results
- Increased accuracy by measuring creatinine

## Hb 201+ Handheld Hemoglobin Analyzer

Offers the same important benefits as its predecessor, the B-Hemoglobin Photometer. Smaller size gives more flexibility and mobility to use the system anytime and anywhere. Performs an internal self-test. No control cuvette required.

- Produces results in less than 1 minute with lab-quality accuracy
- 3 easy steps
- Precalibrated, portable analyzer that requires minimal maintenance
- No calibration or instrument manipulation (between cuvette/reagent batches) is needed
- Safe and easy to use
- Reimbursable
- CLIA '88 waived
- 2-year warranty

Analyzer  
(345-2344) .....ea  
Contains: analyzer, AC adapter, manual & training CD-ROM.

#111715  
#3201 Microcuvettes  
(110-9167) .....100/box **\$169.99**  
Contains: 4 packs of 25.

#111716  
Microcuvettes  
(345-8733) .....200/box **\$281.99**  
Contains: 4 packs of 50.

## Glucose 201 Analyzer

The HemoCue Glucose Systems are based on a glucose-dehydrogenase method and consist of a small, dedicated analyzer and a unique, disposable microcuvette. They will produce lab-accurate results for diagnosing or monitoring diabetes, as well as monitoring neonatal blood glucose levels.

- More accurate and 68% higher reimbursement than glucose meters
- FDA-compliant unit when screening and diagnosing
- Analyzer: 0–444 mg/dL (0–24.6 mmol/L)
- Only 5 µL of capillary, venous, or arterial blood is needed
- No inherent limitations related to hematocrit or known drug interferences
- No recalibration needed between cuvette lots
- 2-year warranty

#120706, Analyzer

## CoaguChek XS® System

### PT/INR Monitoring Solution

The next generation in point-of-care prothrombotin (PT) and international normalized ratio (INR) testing, this new system uses exclusive smart technology to help ensure accurate results and offers the flexibility and control that health care professionals need to confidently manage a wide range of anticoagulated patients. It is the only system to perform onboard quality control and determine patient results in a single-test chamber.

- CLIA waived
- Neutralizes therapeutic levels of heparin and LMWH
- INR corrected for hematocrit within specified range; manage a broad array of patients with a single device
- Small sample size (10 µL) for easy dosing
- Strip allows dosing from either top or side for simple blood application
- Small, battery-powered, handheld meter for portability and efficiency
- Onboard controls; no external QC necessary
- Auto-on with strip insertion and auto-off capabilities
- 18-month strip shelf life; no refrigeration needed
- **Made in the USA**

XS® System  
(891-0581) .....ea

Strips For XS and XS Plus Meters  
(891-7593) .....48/box  
Contains: 24 strips per bottle, 2 bottles per box.

Controls, Hi & Lo

3-Box Starter Kit  
(108-1861) .....ea  
Contains: XS Analyzer, 3 boxes of CoaguChek XS PT strips (144 total) & CoaguChek Lancets.

5-Box Starter Kit  
(108-7757) .....ea  
Contains: XS Analyzer, 5 boxes of CoaguChek XS PT test strips (240 total) & CoaguChek Lancets.

10-Box Starter Kit  
(108-2228) .....ea  
Contains: XS Analyzer, 10 boxes of CoaguChek XS PT test strips (480 total) & CoaguChek Lancets.

## FRIEND™ System

This quantitative immunoassay analyzer utilizes disposable kits to provide in-vitro diagnostic results for TPSA. The accurate, automated testing procedure—a simple, 3-step operation—provides results in 4 minutes. No need to batch your sample—run when you are ready. This fully automated device is equipped with an easy-to-use touch-screen interface. The FRIEND™ is compact and lightweight, allowing for portability.

- With electronic code-chip calibration, there's no need to run liquid calibrators
- Daily electronic system QC control takes only 1½ minutes
- Controls run a minimum of once a month

(455-0011) .....ea

## PSAPlus Immunoassay Test

The PSA Plus cartridge is designed for insertion into the FRIEND™ System. It measures the level of prostate-specific antigen (TPSA) to aid in the diagnosis and to monitor (or manage) patients with prostate cancer. Provides fast and accurate quantitative in-vitro diagnostic of the protein in human serum or plasma based on the lab-on-a-chip technology.

- Test can be used with either plasma or serum samples
  - Maximum reaction time: 4 minutes
- (455-0013) .....25/box  
CPT® Code: 8453†

NanoEnTek  
Revolutionary Wave for Human Welfare

## FRIEND™ TSH Test

Measures the level of thyroid stimulating hormone (TSH), assisting physicians in managing patients with thyroid disorders. Provides fast and accurate quantitative, in-vitro diagnosis of the protein in human serum or plasma based on the lab-on-a-chip technology. Disposable cartridge designed for insertion into the FRIEND system.

# CLINICAL LABORATORY

**Provide convenient and quality patient care in your practice while you also increase profitability.**

Henry Schein Medical's LabTeam™ is a single source for advice within the laboratory setting. With specific expertise in lab consultation and analysis, the LabTeam™ improves your patients' experiences in the office, while navigating profitability and regulatory requirements.

## FEATURES:

- Consultation • Design • Financing
- Selection • Implementation • Support/Training

## BENEFITS:

- Improve patient satisfaction with convenient onsite testing
- Expedite ability to diagnose with rapid turnaround of results
- New or expanded sources of revenue
- Stay current on technology/reimbursement/regulatory changes
- Custom laboratory management solutions for cost-effective operations

## Dimension® EXL™ 200 Integrated Chemistry System

This system offers revolutionary LOCI® advanced chemiluminescent technology and automated, productivity-enhancing features for the smaller-sized laboratory.

### Immunoassay:

- 167 tests per hour
- Homogeneous chemiluminescent technology
- Short reaction times: no washing or separation steps
- Excellent STAT testing capability
- Low sample volume required
- **Trusted, proven technologies:**
- LOCI® advanced chemiluminescence, with a maximum throughput of 624 tests per hour (437 photometric tests per hour, 187 ISE tests per hour)
- Heterogeneous module
- Photometry
- QuikLYTE® IMT
- User-defined serum index (HIL) testing
- Automation capabilities
- **Fewer manual tasks:**
- No manual reagent preparation
- No manual sample pretreatment
- No limit or dedicated STAT positions required

## AU480 and AU680 Clinical Chemistry Systems

AU chemistry analyzers are built on a solid reputation of reliability. They provide fast and precise analysis complemented by outstanding low-maintenance requirements, and offer operator convenience.

- **Easy to use**
- Intuitive graphical user interface
- Touch screen
- Quick access jump buttons
- Customizable user menu
- Sample tracking and patient statistics available with touch of the screen
- **Quality Reagents**
- Bar-coded
- Long open container stability
- 125+ tests available, including therapeutic drug monitoring, proteins, and user-defined reagents
- **Cost-efficient**
- High-quality, permanent glass cuvettes reduce disposable costs
- Highly concentrated reagents available in 15-mL, 30-mL, and 60-mL bottles
- **Reliability second to none**
- Average meantime between failure is 39 weeks
- **Easy operator maintenance**
- Daily maintenance under 10 minutes
- Advanced auto QC and calibration
- **Other key benefits:**
- Fast turnaround time improves patient care and practice efficiency
- Standardization across the AU platform includes operation, reagents, and results

# The ACE Axcel<sup>®</sup> Clinical Chemistry System

With Alfa Wassermann chemistry systems, you get quality results covering a range of the most widely tested conditions, plus convenience for your patients. The ACE Axcel's comprehensive menu of routine and specialized assays provide an effective tool in general health screenings. Provide your patients with accurate, timely results.

## THE ACE AXCEL<sup>™</sup> CLINICAL CHEMISTRY SYSTEM

- Run between 15 CMP/Lipids to 50 CMP/Lipids per day
- Ready-to-use liquid reagents
- No external water or waste drain required
- Closed tube sampling improves safety and workflow

## ABX Micros 60 Hematology Analyzer

- Complete hematology profile: 16 parameters, 60 samples/hour (open tube) or 55 samples/hour (closed tube), and microsampling: 10  $\mu$ L of whole blood per cycle
- Concept and technology: impedance and selective lysing (LMG), no compressor (stepper motor), and low noise
- Automatic maintenance: automatic cleaning of the sampling probe and 16 parameters: RBC, WBC, HGB, HCT, MCV, MCH, MCHC, PLT, MPV, RDW, LYM (% AND #), MON (% AND #), GRAN (% AND #), RBC, WBC, and PLT histograms
- List of options: closed-tube sampling mode (4-position tube holder), bar-code reader (optional), and standalone smart-card reader (stores 78 results with graphics on rewritable memory smart card)

HYPODERMICS

## SAFETY HYPODERMIC NEEDLES AND SYRINGES

### Features & Benefits:

- Safety mechanism is an integrated part of the needle—Secure in double-locking mechanism
- Needle hub—Compatible with all standard luer lock and luer slip-tip syringes
- ISO color coded—Easy and quick identification of the needle gauge
- Easy positioned safety arm —Optimum visualization of injection site
- Single-handed safety activation with audible "click"
- Bevel-up needle—Allows for low-angle injections
- Audible "click" indicates safety activation

## HENRY SCHEIN® DISPOSABLE VAGINAL SPECULA—LIGHT SOURCE COMPATIBLE

Disposable specula are made of high-strength, clear, nontoxic plastic. Allow examination of the vaginal mucosa at 360° angle without rotation. Provide wide range of adjustability (angular and elevation adjustments), ease of operation and manipulation with one hand. Self-holding in various opening positions. Single use of speculum decreases the risk of cross contamination. Compatible with corded light source of leading brands, eliminating the need for positioning a light source independently.

|            |         |

## HENRY SCHEIN® SUTURE REMOVAL KIT—PLASTIC

Sterile, single-use kit. Plastic-handled Littauer scissors with plastic thumb forceps. Flatter, thinner-blade scissors provide easier suture removal by allowing blade to slip under suture.

|  |    |
|--|----|
| (900-4687)   | ea |
| Contains: 1 pair of Littauer (hook-tipped) scissors, 1 pair of PosiGrip® plastic forceps & 1-3" x 3" gauze sponge. |    |

## HENRY SCHEIN® DISPOSABLE VAGINAL SPECULA

Recommended for routine gynecological exams.

- Allows examination of vaginal mucosa at a 360° angle without rotation
- Provides wide range of adjustability (angular and elevation adjustments)
- One-handed manipulation for ease of operation
- Self-holding in various opening positions
- Decreases risk of contamination
- If needed, apply lubrication for better comfort during examination
- Made of hard, clear, nontoxic, high-strength plastic resin

|            |        |

## HENRY SCHEIN® SUTURE REMOVAL KIT

All items are sterile and latex-free.

|   |    |
|---|----|
| (112-5822)  | ea |
| Contains: 1 pair of small-loop, 4½" straight metal iris scissors; 1 pair of serrated, 4¾" metal forceps; 1-3" x 3" gauze pad; & 1 large alcohol prep pad. |    |

## HENRY SCHEIN® NON-FENESTRATED DRAPES

Sterile

Polylined, Nonfenestrated, Tissue/Poly/Tissue

- Heat sealed along 2 outer edges to ensure a pinhole-free plastic layer that guarantees maximum protection against bacterial strike-through from below
- Features polyethylene lining between 2 layers of absorbent-strength tissue, virtually eliminating risk of bacterial migration and strike-through
- Using blue-tissue side up prevents glare
- All sterile fields are available in convenient dispenser boxes of 50 each

|                 |        |
|-----------------|--------|
| Blue, 18" x 26" |        |
| (900-4686)      | 50/box |

## HENRY SCHEIN® FENESTRATED DRAPES

Sterile, with 3" Round Fenestration, Tissue/Poly/Tissue

- Allows access to the operative site while it protects surrounding area
- 3" round fenestration option is die cut and heat sealed, leaving a smooth, even edge that prevents linting
- Blue/white combination for antiglare
- Generously sized
- Individually packed, 300 per case (6 dispensers of 50 each)
- Latex-free

|                 |        |
|-----------------|--------|
| Blue, 18" x 26" |        |
| (900-4685)      | 50/box |

### Insta-Gard® Earloop Masks with Shields

Offer a high level of protection against pathogens and particles and feature a wraparound eye shield. Blue.  
(988-0097) .....25/box

### Insta-Gard® Earloop Masks

Offers a high level of protection against pathogens and particles. Not designed for high-fluid cases.

Blue  
(153-2996) .....50/box

Yellow  
(988-0095) .....50/box

### Standard N-95 Cone Respirators

Feature a fluid-resistant, multicolored facing to ensure superior fluid resistance in addition to respiratory protection and have a certified filter efficiency level of 95% or greater against oil-free particulate aerosols. Their pinch-free, naturally contoured nosepiece provides a comfortable fit and retained shape.

Small  
(988-0137) .....20/box

Medium/Large  
(988-0136) .....20/box

### N95 Particulate Fold-Flat Respirators

NIOSH-certified respirators with a filter efficiency rate of 95% or greater against oil-free particulate aerosols. Their fold-flat cone design ensures proper fit for the widest range of users. White.

Small  
(988-0140) .....20/box

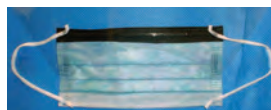

Regular  
(988-0139) .....50/box

### Secure-Gard® Cone Masks

Shaped to fit securely around the nose and mouth. Their adjustable nosepiece offers enhanced comfort and breathability. Fiberglass-free. Blue.

(153-9034) .....50/box

### Secure-Gard® Face Masks

Proprietary 4-layer construction, which offers protection, breathability, and comfort.

- Fluid resistant
- Effective against laser plume
- Optically clear wraparound shield

#AT74631  
(107-1748) .....25/box

ASTM: Level 3 • PFE:≥99.9% @ 1.0 micron  
• BFE:≥99.9%

### Secure-Gard®

#### Fluid-Resistant Procedure Masks

These multicolored ear-loop procedure masks combine comfort and protection. Silky-smooth inner facing and excellent breathability. Innovative construction allows the highest level of fluid-resistant protection. Fog-free foam.

(988-0096) .....50/box

### Paper Self-Seal Pouches

Combine a fracture-resistant film and a high-strength surgical-grade paper, which provide adequate breathability and the required sterile barrier. Also feature a peelable, low-lint design. Dual chemical indicators visually identify packages that have been exposed to either steam or EO sterilization.

3½" x 8"  
(988-0175) .....200/box

Our goal in publishing **InControl** is to support your efforts in working toward maintaining the total health of your patients and staff by providing you with the necessary tools to ensure your practice has what it needs to prevent the spread of disease. Each quarterly publication outlines critical aspects of infection prevention, as we help to promote better patient outcomes in a health care facility. We hope you find the content to be a comprehensive educational resource that helps you identify and reduce risk of infection within your practice.

# EXCLUSIVELY BY HENRY SCHEIN

**WATERPROOF CASTS BY *RYU* Medical ARE AN ABSOLUTE GAME-CHANGER.**

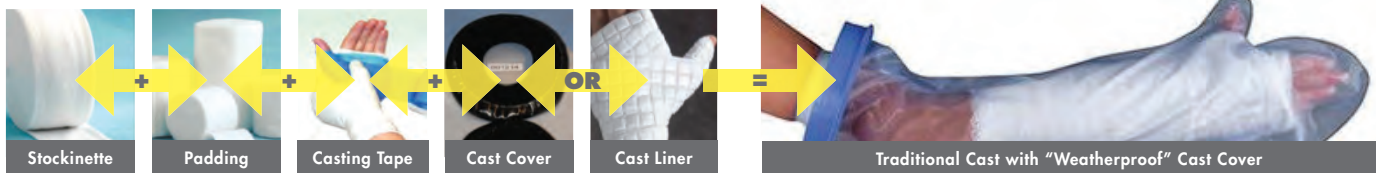

*This groundbreaking mesh-type weaving polyester technology is the new industry standard.*

**ONE SKU FOR  
COMPLETE  
WATERPROOF CASTING**

**AS COMPARED TO MULTIPLE COMPONENT TRADITIONAL CASTING:**

Each of the elements below is required to obtain an accurate total cost for a traditional Cast

## PRODUCT COMPARISONS

### RYU CAST IS COMPLETE

- In a box of 10 RYU Casts, there are 10 complete casting
- Simple to order for stocking
- Less space required in supply closet
- No additional stockinette, padding or covers required

### TRADITIONAL CASTS REQUIRE 3 or MORE SKUs

- Casting tape is only 1 portion of the procedure
- Stockinette + various lengths of padding + 2-4 rolls of casting tape
- Cast cover or cast liner to attempt waterproofing
- Multiple boxes to order, store and locate

## EFFICIENCY COMPARISON

### RYU CAST IS FAST

- RYU "Stocking-Style" application takes less than 5 minutes to complete
- Maximize cast technician's time
- More time for more procedures

### FIBERGLASS CASTS TAKE MORE TIME

- Typically take 15 minutes or more to apply
- As many as 2/3 less procedures performed
- Less procedures = less billable revenue

### RYU CAST IS UNIQUE

- Breathable, antibacterial technology
- Lightweight, 40% lighter
- Eco-friendly, ordinary waste product

### FIBERGLASS

- Solid, unbreathable and unsanitary
- Not eco-friendly

PAIN MANAGEMENT

## THERAPEUTIC SOLUTIONS FOR PAIN RELIEF

### FOR MOIST HEAT THERAPY **THERMHydraTherm™ & HydraHeat™ Products**

***Have you dealt with the JCAHO guidelines that have been put in place for moist heat therapy products? Cross contamination is a hot topic in healthcare settings today and heat therapy products have been scrutinized.***

*What makes HydraTherm different than traditional heating units and set the standard for infection prevention in thermotherapy?*

- Composite tub prevents the formation of rust
- Tank cleaning required only 2 times/year
- Digital thermostat reading on front panel allows for easy temperature reading and documentation
- High water temperature settings of 165° F are not required to deter mold growth when the HydraTherm is used in conjunction with Richmar HydraHeat packs
- HydraHeat pack has a bacteria resistant outer material to prevent cross-contamination

# THERAPEUTIC SOLUTIONS FOR PAIN RELIEF

## FOR NON-INVASIVE PAIN MANAGEMENT Porter Nitrous Oxide and Oxygen Systems

### Types Of Porter Equipment

**Porter MXR  
Continuous Flow**

**Nitronox  
Demand Flow**

**Sentry Sedate  
Continuous Flow**

**Mini Vac System**

Porter Instrument, a division of Parker Hannifin, is a valued partner of Henry Schein. Our dedicated team is here to help you implement the use of nitrous oxide and oxygen. When precision delivery, reliability, ease of use, and safety are important – Porter is the clear choice. The combination of nitrous oxide and oxygen is safe and has many potential applications across a wide variety of specialties – including effective pain management and minimal sedation for more efficient office procedures.

### Affordable Pain Management for all Patients

# MEDICAL WASTE DISPOSAL SERVICES

FINANCIAL

*Henry Schein, in partnership with MedPro, provides reliable, cost-effective biohazard medical waste disposal at standardized prices.*

We are proud to offer fair, standardized costs for their regular biohazard removal to large and small quantity generators of medical waste.

Working with MedPro means partnering with one of the largest medical waste disposal companies in the nation. MedPro's straightforward pricing means no more confusing invoices, fuel surcharges, energy taxes, or pickup fees. MedPro operates in 44 of 50 states with over 80 regional affiliate haulers. Henry Schein and MedPro save you money while you focus on what matters most; your patients.

## SERVICES:

- Medical and infectious waste removal, transportation and disposal
- Safety compliance solutions
- Sharps container disposal by mail or pickup
- Specialty waste management

## BENEFITS:

- Save on average 35% versus your current waste disposal contract
- Highly customizable waste removal plans
- Convenient local affiliates in almost every state
- All-inclusive, single-charge service without unexpected fees on invoice
- Offers multiple services, including: Waste disposal, biohazard disposal, compliance, sharps disposal, and mail-back programs
- Online compliance portals for all training and document needs

“*MedPro saved our site over \$9,000 a year! We've been using them since January and the service has been great.*”

CLINICAL

## *Increase patient compliance by providing onsite prescription samples.*

Sixty-nine percent of the time that patients are non-compliant with medications is a result of behavioral reasons— they miss doses, forget to renew, or forget to refill medications. Onsite medication sampling is proven to increase prescription compliance by up to 30%.\*

The Henry Schein Rx Samples Service is a free and secure online service that enables eligible\*\* practitioners to obtain medication samples easily and conveniently without incurring capital costs.

This free service contributes to better patient care by providing onsite samples during their scheduled office visit, thereby increasing their satisfaction, experience, and compliance. You will also receive valuable information about new therapies available and patients' responses to those therapies.

*\*Studies show that 30% of patients fill a prescription only when provided a sample. \*\*Only eligible prescribers are able to enroll and order samples through the Henry Schein Rx Samples Service.*

### **BENEFITS:**

- Same-day patient treatment
- Patient satisfaction and compliance enhanced
- Valuable information about patient response to new therapies
- Complimentary service for Henry Schein customers
- No capital costs incurred

### **FEATURES:**

- Provide onsite/same-day patient treatment
- Enhance patient satisfaction and compliance simply and effectively
- Samples are shipped directly to your practice and arrive within 4–6 business days
- Simplify reorders by using the "Recurring Request" order feature

*Getting started is easy.*

Activate your account and order samples immediately.

Go to [www.henryscheinrxsamples.com](http://www.henryscheinrxsamples.com) and click the "Check Eligibility & Register Now" button.

**“ 95% of customers believe that Rx Samples is a valuable solution for their practice. ”**
