LED PROJECTOR USER MANUAL

IMPORTANT SAFEGUARDS:

When using electrical products, especially when children are present, basic safety precautions should always be followed, including the following:

READ ALL INSTRUCTIONS BEFORE USING

DANGER - To reduce the risk of electric shock:

• Always unplug the appliance from the electrical outlet immediately after using and before cleaning.

• DO NOT reach for an appliance that has fallen into water. Unplug it immediately.

• DO NOT use while bathing or in shower.

• DO NOT place or store appliance where it can fall or be pulled into a tub or sink.

• DO NOT place in or drop into water or other liquid.

• NEVER use pins or other metallic fasteners with this appliance.

• Keep dry - DO NOT operate in a wet or moist condition

WARNING - To reduce the risk of burns, fire, electric shock or injury to persons:

• An appliance should never be left unattended when plugged in. Unplug from outlet when not in use and before putting on or taking off parts or attachments.

• Close supervision is necessary when this appliance is used by, on or near children, invalids or disabled persons.

• Use this appliance only for its intended use as described in this manual. Do not use attachments not recommended by supplier; specifically any attachments not provided with the unit.

• NEVER operate this appliance if it has a damaged cord or plug, if it is not working properly, if it has been dropped or damaged, or dropped into water. Return it to SI Products Service Center for examination and repair.

• Keep cord away from heated surfaces.

• NEVER drop or insert any object into any opening.

• DO NOT operate where aerosol (spray) products are being used or where oxygen is being administered.

• DO NOT operate under a blanket or pillow. Excessive heating can occur and cause fire, electric shock or injury to persons.

• DO NOT carry this appliance by the power cord or use cord as handle.

• To disconnect, turn all controls to the "off" position, then remove plug from outlet.

• This appliance is designed for personal, non-professional use only.

• DO NOT use outdoors.

• DO NOT look directly into the projector lens while projector is turned on, doing so may cause severe eye damage.
Packing List:
