## Dear Customer

Thank you for purchasing the Colour Changing Candles.

### USER MANUAL

With a push of a button you can turn on these realistic LED vanilla scented wax candles, adjusting both the brightness and light mode with the small easy to use remote control all from the comfort of your arm chair. Choose from 12 different ambient colours or an atmospheric flowing- through effect.

### OPERATION

Your scented colour changing candles will arrive with a remote control that enables you to manually adjust the colour or the candles. It is also possible to automatically set a timer so the candles will change colour sequence over a 4 or 8 hour sequence.

Simply remove the plastic tag that is inserted in the battery compartment to operate the remote control.

Remove the battery compartment of each candle and insert 3 x AAA batteries, replace the battery compartment and switch the ON/OFF button to ON.

Using the remote control you can now personalise the candles to a colour setting of your choice. When not in use it is recommended to switch each candle to the OFF position.

### DISPOSAL

- Please respect the environment!
- Dispose of the packaging according to the local recycling regulations.
- Dispose of the appliance at the end of its life span according to environmental considerations.

### ⚠ WARNING

This product is intended for domestic use only.

### TECHNICAL SPECIFICATION

Measurements: D7.5cm X H10cm, H12.5cm, H15cm Batteries: Each candle requires 3 x AAA alkaline batteries

Imported and distributed by Easylife Group Ltd, London NW1 0JP
