*This promotion is valid until 24/02/10 and only available in volume licensing (requires a minimum of 5 licenses)

Microsoft | Volume Licensing

Open License

Entry-level program that allows you to start using software immediately and pay as you go. The pay-as-you-go model eliminates the need to forecast license purchases over the term of the agreement. Recommended for small organizations.

-20%

*on Office Pro & Std with Software Assurance till 31/12/09
*requires a minimum of 5 licenses

Microsoft Open Value Subscription

Get the benefits of Open Value with lower up-front costs and the ability to increase or decrease license count on an annual basis to accommodate changes in desktop PC count. To further sweeten the deal, Microsoft offers companies with existing licenses for selected products a 50 percent discount off their initial payments.
■ Annual Payment
■ Better for the cash-flow of your company
■ Recommended for small and midsize organizations

*requires a minimum of 5 users
