

COZY TOES Instructions

MOUNTING Use product with gray carpeted side up only.

CAUTION Never place objects other than your feet on Cozy Toes. This includes household pets, cloth, chairs, desks, etc... This could cause overheating or puncturing of the product. Keep away from wet areas and excessive moisture. Remember to turn off Cozy Toes when not in use. To clean, unplug unit and use a dry carpet cleaner and vacuum.

FOR ALL MODELS

HI-LO SWITCH AND POWER CONNECTION Plug Cozy Legs, Cozy Foot Rest or Cozy Toes into the HI-LO switch “piggy-back” plug and then plug the assembly into a 120 VAC outlet. The HI position yields 150 watts output. The LO position yields 75 watts output. The center position turns the product OFF. Peel the backing off of the adhesive pad on the back of the HI-LO switch and mount it in a convenient location. Replacement HI-LO SWITCH part #CLSW.

LIMITED WARRANTY: If it appears within one year from the date of delivery to Purchaser that any products or component parts do not conform exactly to the specifications and physical dimensions referred to above, and the Purchaser, at its expense, returns the product or component parts to the Seller together with a report of defects, the Seller shall review the inspection report and inspect the items and shall authorize, at its option, either the repair or replacement of any non-conforming products or component parts, whether on warranty, contract of negligence, shall not in any case exceed the amount to be paid by the Seller in obtaining and repair or replacement of non-conforming products or component parts, and upon expiration of the warranty period, all liability of the Seller shall be terminated. Seller shall not be liable for any injury, loss or damage, direct or consequential arising out of the use or the ability to use the product. This warranty gives specific legal rights. You may have other rights which vary from state to state. Some states do not allow the exclusion or limitation of incidental or consequential damages, so that the above limitation of exclusion may not apply to you.

WARNING: The individual user should take care to determine prior to use whether this device is suitable, adequate or safe for the use intended. Since individual applications are subject to great variation, the manufacturer makes no representation or warranty as to suitability or fitness of these devices for any specific application.

CAUTION: To reduce the risk of electric shock these plus will only fit into a polarized outlet one way. If a plug does not fit fully into the outlet, reverse it. If it still does not fit, contact a qualified electrician. **Do not modify the plug in any way.**
