Important Instructions

SAFETY INSTRUCTIONS

Warning – To reduce the risk of fire, electric shock, or serious personal injury:

- This product should not be exposed to dripping or splashing. Ensure that no objects filled with liquids, such as vases, are placed on or near the apparatus.
- Situate this product away from heat sources such as radiators, heat registers, stoves, or other appliances (including amplifiers) that produce heat.
- Operate the product only with the supplied power adapter. Route power cords so they are not likely to be stepped on or tripped over.
- Clean the product only as recommended by the manufacturer (see the “Maintenance” section for details). Unplug the power cord from the wall outlet before cleaning.
- Unplug the power cord from the wall outlet when left unused for an extended period.
- Prevent objects/liquids from falling or spilling on the monitor.
- Where the MAINS plug or an appliance coupler is used as the disconnect device, the disconnect device will remain readily operable.
- Do not operate this product under the following conditions:
 - When the power-supply cord or plug is damaged.
 - If liquid has been spilled into or objects have fallen into the product.
 - If the product has been exposed to rain or water.
 - If the product does not operate when used according to the operation instructions.
 - If the product has been dropped or damaged in any way.
- Do not attempt to service the product.
- Do not overload wall outlets, extension cords, or surge protectors.
- Do not touch the surface of the monitor with sharp or hard objects.
- It is recommended to use a UL-1449 approved surge protector with this product.

CAUTION – To reduce the risk of personal injury or product/property damage:

- Do not subject the product to violent shocks, extreme temperatures, or lengthy periods of direct sunlight.
- Keep the product away from magnetic objects, motors, and transformers.
- Do not use outdoors.
- Connect this product to the grounded power outlet.

Monitor Stand Installation

Assemble the monitor stand before using the monitor.

To assemble the monitor stand:

1. Lay the monitor face on a clean, soft surface.

2. Align the openings on the monitor stand with the screw holes on the base of the monitor.

NOTE: The monitor stand only connects to the monitor base one way. Do not force the monitor stand.

3. Insert the included screws (2 x) into the screw holes on the bottom of the monitor stand. Tighten using a Phillips screwdriver (not included).

BASIC CONNECTION

Connect to power source

PC Connection

HDMI Connection

Wall Mounting

- Contact a professional for assistance when wall mounting your monitor. We are not responsible for any damage to the product or injury to yourself, if you mount the monitor on your own.
- Do not wall mount the monitor while monitor is turned on. It may cause personal injury due to electric shock.
- Use standard M4*10mm screws (4 pieces) to mount this monitor.

General Parts and Operations

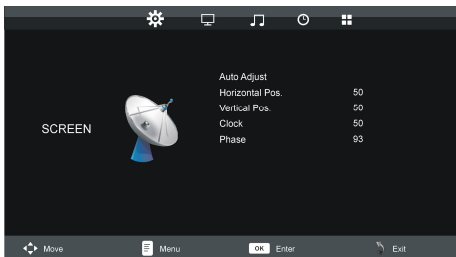

1. **POWER indicator LED**- When the unit is in standby mode, the indicator glows red; when powered on, the indicator glows blue.
2. **+ button**- Press this button to increase the volume level; to adjust the value in menu setting page; to confirm selection when selecting an input source.

Set the blue background ON or OFF. The screen background will turn blue at very weak or no signal condition, if BLUE SCREEN is ON.

5.5 Reset

Reset the unit to factory default settings.

NOTE: This function cannot be undone.

Maintenance

- Be sure to press POWER to set the player to the standby mode and disconnect the AC adaptor before storing the monitor.
- Wipe the monitor with a dry, soft cloth.
- If the surfaces are extremely dirty, wipe clean with a cloth which has been dipped in a weak soap-and-water solution and wrung out thoroughly, and then wipe again with a dry cloth.
- Never use alcohol, benzine, thinner, cleaning fluid or other chemicals. Do not use compressed air to remove dust.
- When attaching or removing the monitor base, lay the monitor face down on a soft area to prevent it from getting scratched, defaced, or broken.
