- Battery itself can be recharged quickly via AC adapter, or even by solar energy
- 33 unique adapter tips, works with most portable electronic devices
- Power and charge electronic devices on-the-go
- Additional flashlight function

## Manufacturer Specifications

- Primary Function: High Capacity Solar Charger and Battery
- Solar Panel Type: Polycrystalline Silicon
- Battery: 11,200 mAh
- Material of Battery: Lithium-ion polymer
- Charging Time
  - AC: Approx 3 hrs
  - Solar: Approx 180 hrs (fully recharge from no power to full)
- Output (V): 4.2/8.4/12.6/16.8/19V
- Output (A): 500MA/4.2V, 800MA/8.4V, 1000MA/12.6V, 1000MA/16.8V, 2000MA/19V
- Input (V): 18V
- Input (A): 2000MA
- Charge Voltage: 100~240V AC/DC
- Charging current: 2A(max)
- Flashlight: white LED
- 17 laptop adapters to work with most laptop models, including: Samsung, Toshiba, Delta, Acer, Liteon, NEC, IBM, ASUS, DELL, Compaq/HP
- 16 other adapter that work with most digital products, including:
  - Mobile Phone Brands: Siemens C55, Samsung D800, A288, W569, Sony

Ericsson T28, K750, Mini8P, LG KG90, Motorola V3, V8, Nokia N70, 8210,  
Audio 3.5, Audio 2.5

- Digital Camera and Camcorder, PSP and many other electronic devices

- USB adapter for any USB-powered devices:iPod, iPhone, and many other electronic devices
- Working Temperature: 0 ~ +55 deg C
- Dimensions: 168mm X 94mm X 20mm (L X W X D)
- Certification: CE, FCC, RoHS

### **Product Notes**

- Suitable for using at home, traveling, camping in nature, etc.
- Stylish, high quality solar panel
- Lightweight and high capacity 11200mAh
- Environmentally and economically ecological
- Solar battery charger for all your multimedia & electronic equipment, such as Laptop, camcorder,
- MP3/MP4, PDA, cell phone, GPS, digital camera, game console, DVD player
- Small LED torch light function
- For Nokia cell phones, please use the "Nokia Special" adapter
- Less than 3 hours when using the wall AC adapter, and around 180 hours when using solar energy and under direct sunlight.

### **Package Contents**

- High Capacity Solar Charger and Battery
- Digital Products Adapter Tips
- Laptop Adapter Tips
- AC Power Adapter (100-240V)
- AC Charging Cables x 2
- User Manual
- EU Power Cable
- US Power Cable
