Product Diagram

- Warranty
- The condition of this warranty and our responsibilities under this warranty are as follows: Warranty is non-transferable, and is limited to the original purchaser only.
- * You must be able to prove the date of original purchase of the unit with a dated receipt.
 - * The warranty is not applicable if the product has been subject to abuse, improper installation, modification or repair by unauthorised third party.
 - * The responsibility of the supplier's products shall be limited to the repair or replacement of the product at its sole discretion.
 - * Specially exempt from any warranty are limited-life consumable components subject to normal wear and tear, such as batteries and other accessories.
 - * Supplier will not take any responsibility if the failure of the unit has resulted from accident, abuse, misuse, or any unauthorised repair or modification.
 - * This warranty gives you specific legal rights, and you may also have other rights which vary under local laws.
