

## Quick Manual MA10800-3 Window Contact

### MOBILE-ALERTS Sensor

This is a sensor for the "MOBILE-ALERTS" system, it can be used with this system only. To use the sensor you need a MOBILE-ALERTS gateway.

### Before Setup

Press the top and bottom of the window contact to access the internal housing. Remove the battery contact tab and then close the window contact. Stick the stickers on the back of the window contact.

### Sensor set up

The maximal distance between the 2 window contacts must be 35mm.

### Add Sensor

Open the app, dashboard is displayed. Tap "Add new sensor" and scan the QR code on the back of the window contact. Then set a name for the sensor.

Old batteries do not belong into general household waste. You are obliged to return used batteries to your vendor or collection points.

Electrical devices have to be disposed separately from the general household waste.

Take your old electronics to your local waste collection point or recycling centre.

#### Liability Disclaimer

- The electrical and electronic wastes contain hazardous substances. Disposal of electronic waste in wild country and/or in unauthorized grounds strongly damages the environment.
- Please contact your local or/and regional authorities to retrieve the addresses of legal dumping grounds with selective collection.
- All electronic instruments must from now on be recycled. User shall take an active part in the reuse,

recycling and recovery of the electrical and electronic waste.

- The unrestricted disposal of electronic waste may do harm on public health and the quality of environment.
- As stated on the gift box and labeled on the product, reading the "User manual" is highly recommended for the benefit of the user. This product must however not be thrown in general rubbish collection points.
- The manufacturer and supplier cannot accept any responsibility for any incorrect readings and any consequences that occur should an inaccurate reading take place.
- This product is designed for use in the home.
- This product is not to be used for medical purposes or for public information.
- The specifications of this product may change without prior notice.
- This product is not a toy. Keep out of the reach of children.
- No part of this manual may be reproduced without written authorization of the manufacturer.
