## Bluetooth + MP3 Player Sunglasses (4GB)

Product code: CVPT-L20

: Are you stylish? Do you love the latest technology? Then these smooth looking Bluetooth MP3 Player Sunglasses are for you. Great for not only keeping out suns rays, but also for answering phone calls, listening to music, and looking like the sexy beast you are.

A Bluetooth headset is built discreetly into these cool looking sunglasses frames, which can be paired with a Bluetooth mobile phone. From there, you answer calls, reject calls, redial, and much more. Also included is a built-in mic for talking and high quality earphones for listening. When a call comes in, just click one of the buttons on the side for easy control - and to look awesome.

These Bluetooth MP3 Player Sunglasses also come with 4GB of flash memory (roughly 1,000 songs) and provide you with exceptional stereo sound through the high quality earphones. Simply put them on, and presto, these cool looking MP3 shades will provide you with the flexibility of listening to you favorite music with style, convenience, and ease.
