

# 3M™ Mobile Projector MP410

## Bright, shiny and incredibly tiny.

At only 10 x 10 x 4cm, the palm-sized 3M Mobile Projector MP410 is our brightest portable projector. Plug it in and show your presentation from the projector itself or connect with laptops, tablets, smartphones and more. It even includes the option to connect wirelessly\* to your computer, making it possible to present at a moment's notice. Perfect for presenting to large groups.

- + **Ultra compact:** It fits in your hand and easily tucks into your briefcase
- + **Ultra bright:** This little powerhouse boasts 300 brilliant LED lumens, bringing presentations to life
- + **Ultra ready:** Instant on and off — no need to purchase expensive replacement lamps

\*3M™ USB Wireless for 3M MP410 sold separately.

Share content in  
a **powerful** way.
