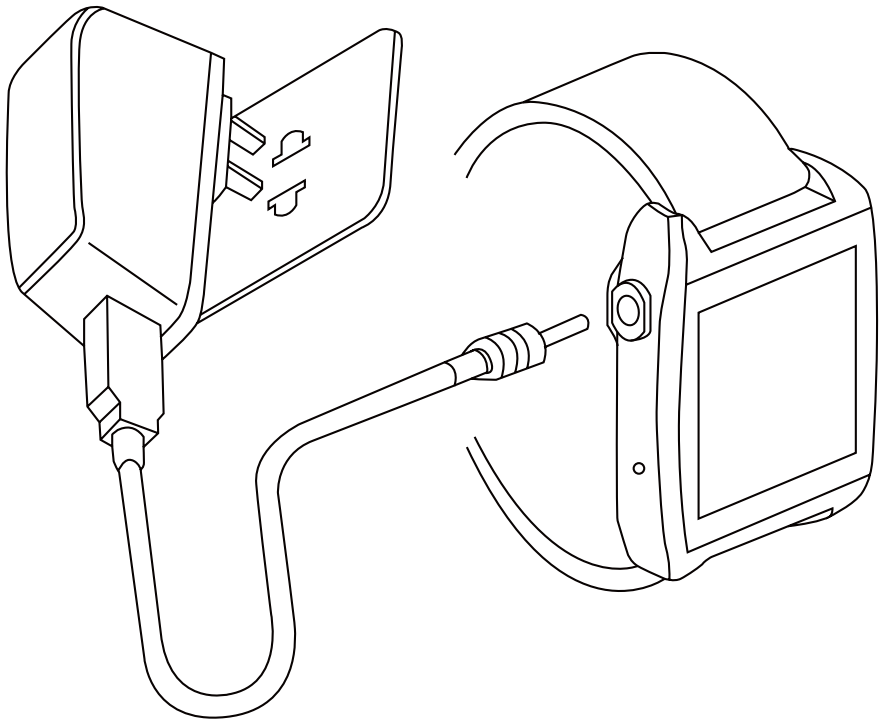
Charging

Fully charge your smart watch for 2 -3 hours before the first use.

Use the included USB to headphone jack charger.



Turn On

Press and hold the power button until the Ematic logo appears. Wait a moment while the screen loads.

Google will ask you for your Location consent. Tap Agree or Disagree.

Turn Off

To turn off your smart watch press and hold the power button. A pop-up will ask you if you would like to turn off the watch. Tap the check mark.

If your smart watch crashes, hold the power button until it is forced to reboot itself.

Sync to your device

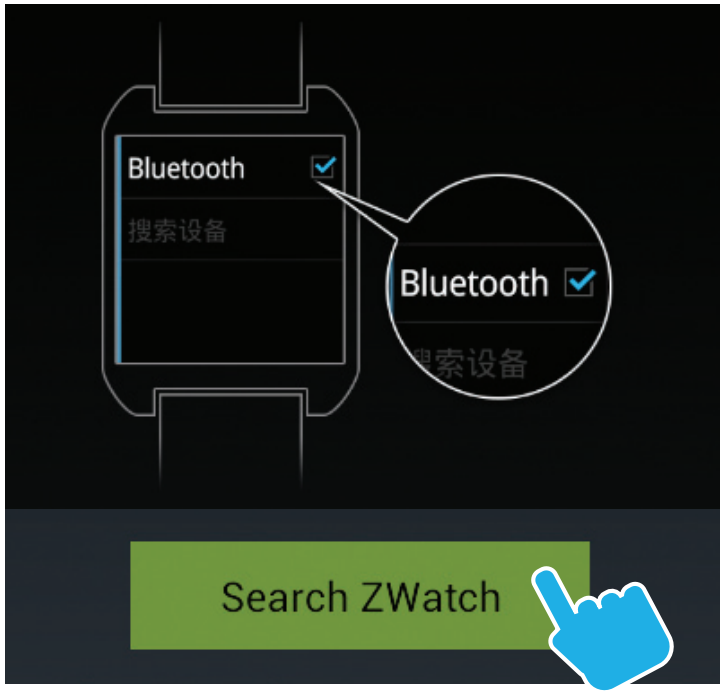
Download and install the Z Watch Aide App at:

http://126.am/zwatch

OR scan the QR code below

*App is only compatible with Android 4.0 or higher

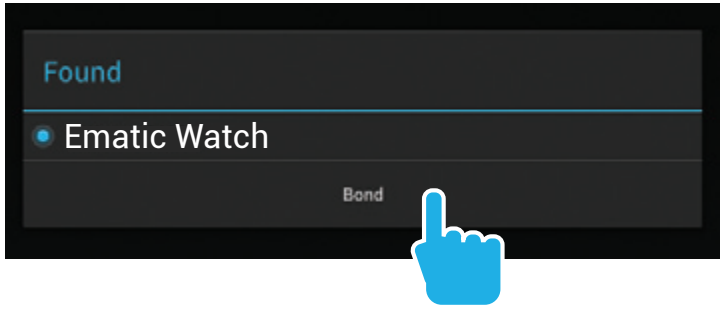
Launch the Z Watch Aide App



Make sure Bluetooth is on for both your Smart Watch and your Android device.

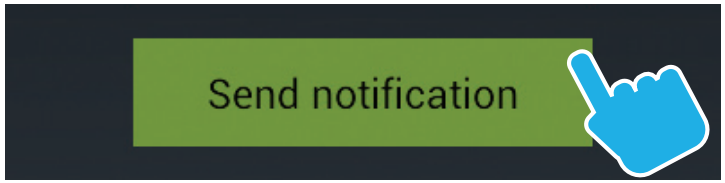
To turn on Bluetooth for your Smart Watch go to your Settings app, tap Bluetooth, and tap the small box.

Tap **Search ZWatch**



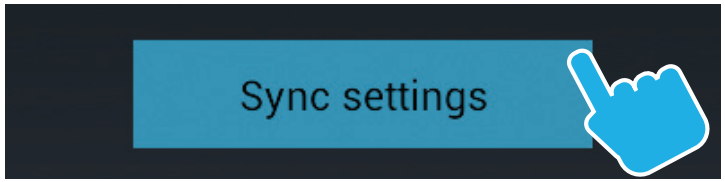
When finished searching, tap **Bond**, enter the passkey, and pair with your device.

Smart Watch will automatically begin syncing to your phone. If you are unsure if your device has successfully paired with the Smart Watch, tap **Send Notification.**



The Smart Watch will vibrate indicating that you are paired.

Sync Settings



Tap **Sync Settings** to modify your sync settings.

Choose which apps to sync, when to receive notifications, or set up a quick sms for rejected calls.
