ACCURATUS® BY CERATECH

Accuratus 700 PS/2 POS Keyboard
Part Code: KYBAC700-PS2HY

About

The Accuratus 700 from Ceratech is a tough POS keyboard.

Being small in size the 700 is ideal for fitting into modern POS systems.

It comes with the benefit of laser etched keys which ensure the characters remain fresh even with the toughest usage.

Good tactile feedback is ensured through membrane contact technology.
