

DRIVE YOUR PASSION

LG TONE Active™ Premium Wireless Stereo Headset with Durable, Secure Fit

This durable, rugged *Bluetooth*® headset is designed to keep up with your longest training runs and your most punishing sets. The TONE Active fits snugly around your neck in a stay-put, contoured design. With two sizes of stabilizer tips, you can lock in that perfect fit. Retractable earbuds simplify cord management, so you can focus on your form and not on untangling wires.

Bring on the intense conditioning! The TONE Active is IPX3 rated water and sweat resistant, so it's ready for your toughest training sessions. Drive your workout with up to 9.5 hours of music play time while the TONE Active delivers robust bass, crisp treble, and crystal-clear audio with its Quad-Layer Speaker Technology™ and digital MEMS microphone. Whether prepping for your next marathon, intense kickboxing session, or strenuous obstacle course, you can go the extra mile with the LG TONE Active!

Key Features

RETRACTABLE EARBUDS

A simple, unique solution to cord management, the TONE Active's earbuds extend for a personalized fit and retract for easy, convenient storage.

DURABLE & RUGGED DESIGN

You'll love the durable yet lightweight design and contoured, around-the-neck wearing style. Two sizes of stabilizer tips make for a secure, comfortable fit.

IPX3 RATED WATER AND SWEAT RESISTANT

With an IPX3 rating, TONE Active can handle the water and sweat of your tougher workouts. So go ahead and give it all you've got.

QUAD-LAYER SPEAKER TECHNOLOGY & DIGITAL MEMS MICROPHONE

Enjoy robust bass, crisp treble, less distortion on high frequencies, and exceptional voice clarity.

Check with your carrier/retailer for availability and colors.

¹ aptX compatibility depends on source device specifications.

² A2DP profile required on handset.

³ HD Voice requires compatibility on both caller and receiver handsets. Depends on carrier service/network availability.

⁴ Requires download from Google Play™ onto source device.
