Frequently Asked Questions

Q. Why my cell phone can not find bluetooth vest?

A. Make sure bluetooth module/headset is in pairing mode. The indicator in Bluetooth headset is stay in blue if Bluetooth is in pairing mode.

Q. My neckloop work before but not is stop working.

A. Make sure Bluetooth module/headset is within 10 meters to mobile phone and mobile phone is turn on Bluetooth. Then please check if Bluetooth power is turn on and if battery has power.

If cell phone have not problem, please turn off bluetooth neckloop and pair again. If bluetooth neckloop work a few seconds then disconnect connections, please turn off bluetooth and recharge battery

Quick Start

i Recharge battery about 2 hours

Please connect headset to PC or USB power adaptor by USB recharge cable to recharge battery power. Indicators in Bluetooth headset will turn on Red if its recharging the power. After full recharged the Red indicator will turn off.

Note: Bluetooth is not function while charging. Full charge needs about 2 hours.

ii Pair Bluetooth with cell phone

A. Put Bluetooth in pair mood

- I. In case of Bluetooth being off, press and hold Bluetooth switch for 6~10 seconds until indicator turn on and stay in blue.
- II. If Bluetooth is power on or indicator flash, turn off the Bluetooth and then repeat above step

B. Pair Bluetooth in Cellphone

- I. Go to Bluetooth panel in cellphone turn on Bluetooth function and search for new devices.
- II. Select "BS-009" and then press "OK" or "YES"
- III. Enter password "0000" and press "OK"

After successfully paired, indicator will change stay to flash.

Note: Cellphone's Bluetooth feature is off by default. Please refer to phone's user guide to turn Bluetooth feature.

iii Test and use

Wear the vest as common vest.

Load battery into earpiece and wear it in ear canal.

Dial a number which you want with your cellphone.

You will hear voice with earpiece through your cellphone.

iv Turn off/on Bluetooth vest

For saving power, please turn off Bluetooth vest in case no using for long time

Turn off – Press and hold Bluetooth switch until indicator from blue to red flash three times and off

Turn on – Press and hold Bluetooth switch until indicator turn blue and flash in seconds

Note: To use Bluetooth vest again, please turn on Bluetooth feature in cellphone and turn on Bluetooth in vest. If cellphone does not connect automatically, please repeat step 2 and pair them again.
