## COMPETITION ENTRY SYSTEM

### EWFCES

Introduction:

Aim of the European Weightlifting Federation Competition Entry System (EWFCES):

To use all competition entries via internet by special nations ID and Password instead of Preliminary and Final Entries Forms via fax or e-mails.

To provide national database to EWF National Federations.

How does it work?

EWFCES is internet based system. EWF nations can upload/delete/edit all competition entries including weightlifters details, Team Officials, EWF Technical Officials, EWF Committee Members, flights details, accommodation details, room reservation, room list etc by using office PC or tablet computer or smart phone.

Sections of EWFCES:

**Admin Panel:** Used by EWF Secretariat Office. EWF Secretariat Office creates an upcoming EWF Competition with limitations and eligibilities.

For example: Senior European Weightlifting Championships Tel Aviv 2014.

Competition dates, entries dates, room categories (single, double, triple) etc.

**Nation Panel:** Used by EWF nations. All EWF national federations have special ID and Password to Access the EWFCES.

National federations will have national database including weightlifters, team officials, EWF Committee members, EWF officials etc.

National Federation (NF) can upload all details of weightlifters including gender, name&surname, passport no, birth date, category, entry total, passport size photo, room and room sharing names, flights details, check in, check out dates,

NF can upload all details of team officials (coaches, team doctor, physiotherapist etc) including gender, name&surname, passport no, birth date, passport size photo, room and room sharing names, flights details, check in, check out dates,

NF can upload all details of Technical Officials (Jury, referee, technical controller, DOD, chief marshal) selected by EWF including name&surname, passport no, birth date, passport size photo, flights details, check in, check out dates,

If NF has EWF Committee Member/members, NF can upload the Committee Member details including name&surname, passport no, birth date, passport size photo, flights details, check in, check out dates,

NF can delete, change, and edit all uploaded informations.

**Host Country Panel:** Host country (HC) can Access the EWFCES and can see all competition details which are uploaded by NF including weightlifter details as gender, name&surname, passport no, birth date,

category, entry total, passport size photo, room and room sharing names, flights details, check in, check out dates,

HC can see all details of nations team officials like name&surname, passport no, birth date, passport size photo, room and room sharing names, flights details, check in, check out dates,

HC can see all details of EWF Technical Officials like name&surname, passport no, birth date, passport size photo, flights details, check in, check out dates,

HC can download all details Microsoft excell format and can make filter for all section create lists like airport welcome list according to the date and time.

HC can see all room reservation and room sharing names before National teams arrive. And HC can easily manage room status at the competition hotel.

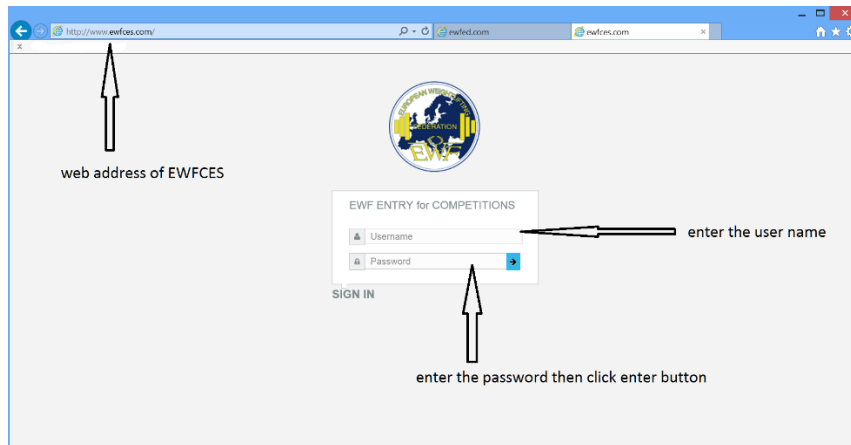

The EWFCES makes accreditation easily because HC has all details before NFs arrive.

If you want to search with any field, please use the **search box** by entering what you want to search.

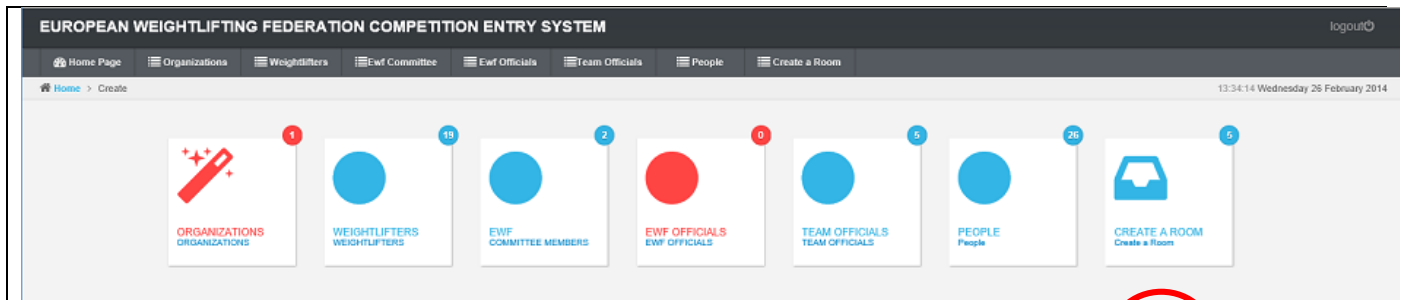

**PEOPLE** shows whole list of database.

Please notice this list is not related with **any EWF Competitions**, this list is your national database which contains your weightlifters, EWF committee members, National Team Officials, EWF Officials.

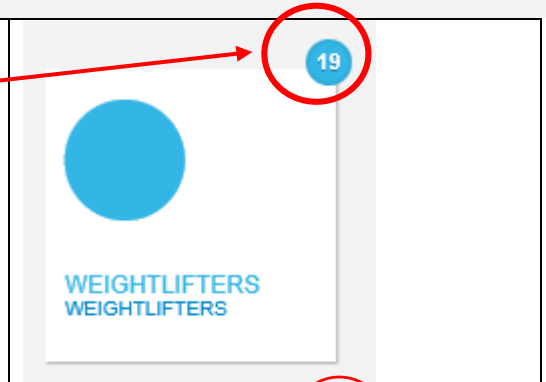

# EUROPEAN WEIGHTLIFTING FEDERATION COMPETITION ENTRY SYSTEM EWFCEs

When you click on **Home Page** Button, you back to start screen and can see summary about your national database:

Uploaded number of weightlifters, EWF Com Mem etc.

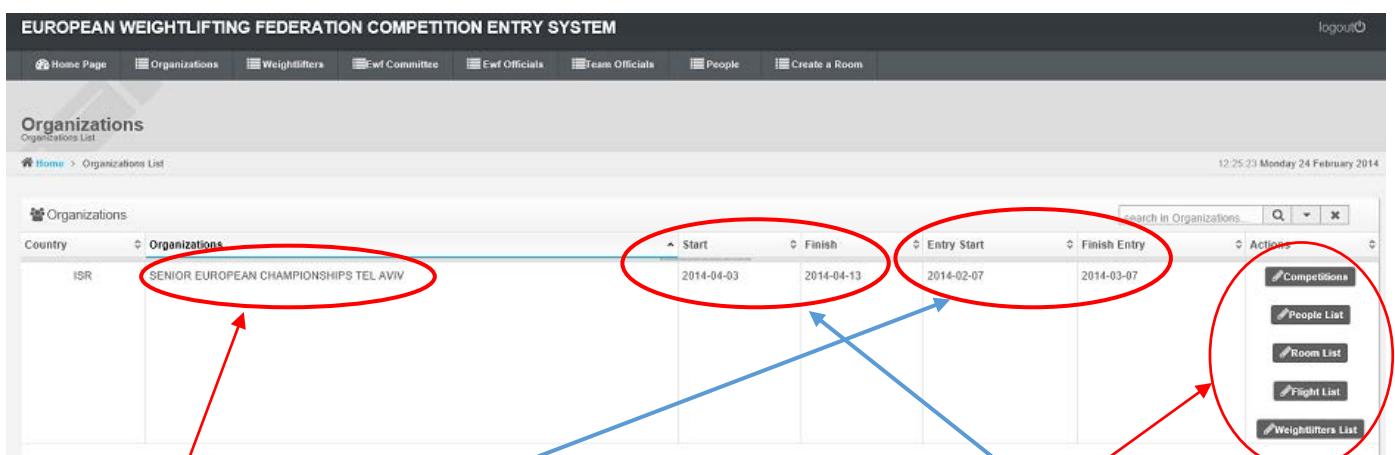

Please notice that **ORGANIZATION** icon has a number on the right upper corner. It shows number of active organization.

Now we have only one active organization that is Senior European Weightlifting Championships in Tel Aviv.

Please click on the **ORGANIZATIONS** icon,

Now you can see list of active organizations. Now we have only one active organization which is;

**Senior European Weightlifting Championships**. Please see details of the organization as **Competitions dates**, dates of **Entry Start and Finish Entry**. It will be explained later functions of **these buttons**.

# EUROPEAN WEIGHTLIFTING FEDERATION COMPETITION ENTRY SYSTEM EWFCEs

Some times we will have two active organizations. Near future you will see two active organizations, one of them is Junior Weightlifting Championships in Cyprus, second is Under 23 Weightlifting Championships in Cyprus at the same dates too.

If you believe that your national database has enough people as weightlifters, EWF officials, Team Officials etc, lets start to add/send some of them to the Senior Weightlifting Championships in Tel Aviv;

Please click on People icon or **People menu** (top of the menu bar) then see all list of your database or

Please click on Weightlifters icon or **Weightlifter Menu** then see only list of your national weightlifters;

# EUROPEAN WEIGHTLIFTING FEDERATION COMPETITION ENTRY SYSTEM EWFCEs

Now it is turn to make room reservations of your national team members that they have added/sent to the active competition.

Before doing this, please prepare/decide a list that how many rooms do you need, what kind of rooms (single, double, triple) do you want to have, and check-in dates, check-out dates for these rooms.

And please decide who is going to stay in which room for **single rooms** and who is going to stay in which room **with whom** for double and triple rooms.

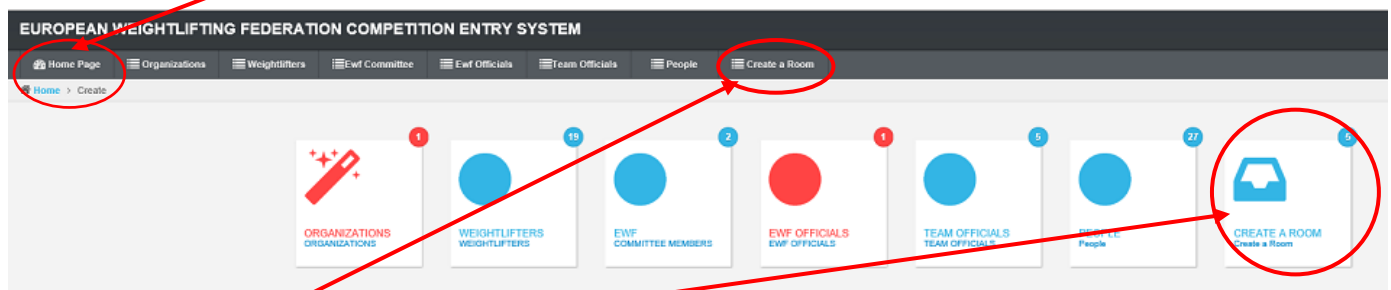

For examples, you need three double rooms that two of them have **same check-in and check-out dates** and one of them has **different check-in and check-out dates** and 2 single rooms that these rooms have **different check-in and check-out dates**, EWFCEs will give names these rooms as **1.S, 2.S, 1.D, 2.D** and **3.D** (S=single, D=Double, T=Triple).

In this situation we will create two double rooms separately. And we will create two single rooms one by one.

Rooms	Check-in	Check-out	Name of the Room Owner	Name of the Room Owner
1. double	2014-04-03	2014-04-13	AAA aaa	BBB bbb
2. double	2014-04-03	2014-04-13	CCC ccc	DDD ddd
1. double	2014-04-06	2014-04-12	EEE eee	FFF fff
1. single	2014-04-03	2014-04-13	KKK kkk	
2. single	2014-04-08	2014-04-13	FFF fff	

Please notice the above table

Now click on the **Home Page** and see starting page again as follows;

EWFCEs has one **menu** and one **button** to create room/s. Both of them have same function.

Now click on one of them and appears new screen as follows;

You see empty list because you didnt create any room before. Now click on the **NEW** button then start to create room/s then

# EUROPEAN WEIGHTLIFTING FEDERATION COMPETITION ENTRY SYSTEM EWFCEs

Please notice that we need three doubles but two of them have **same check-in and check-out dates** and one of them has different check-in and check-out date.

Firstly we create two doubles rooms which have same **same check-in and check-out dates**.

Select the **type of room** (single, double or triple), enter check-in and check-out dates and enter **two (2)**, because we need two double rooms which have **same check-in and check-out dates**. Then click on **Submit** button.

Then create second double room with same way but this time we enter one (1) for Total Number then click on **List** button to see the list of created rooms as follows.

Please notice how EWFCEs gave the names for the created rooms. **These two have same dates** and EWFCEs gave the names as 1.D and 2.D. And one double room has different dates and EWFCEs gave the name as 1.D.

Now we created other two single rooms **one by one** because **both of them have different check-in and check-out dates**. To create another room please click on **NEW** button.

When you finish to create the rooms, then click on **List** button and you will see list of rooms as follows;

Please notice how EWFCEs gives the **room names**. You can **edit, delete** by clicking on **these button**.

Now rooms of your team are ready to share. After giving the room, when you click on **the button**, you can see who occupied the room.

Remember you decided who is going to stay with whom and in which room before.

# EUROPEAN WEIGHTLIFTING FEDERATION COMPETITION ENTRY SYSTEM EWFCEs

Now click on **Organization** button again then click on **People List** button.

But if you remember that we have created rooms that have same check-in and check-out dates with her before, so EWFCEs shows the list of rooms that have matched with her check-in and check-out dates. **Please notice the room names!** Now we have three options to give room to her according to the room list. Because three created rooms dates have matched with her check-in and check-out dates.

Before you have decided to give double room to her, and please select **1.D** from pull down menu then click on **Save Changes** button, then we gave that room to her.

Now Mrs Asiye Ipek has a bed in 1.D (double) room. And it is turn to give 2. Bed to another person at the same room with same way that explained above. It means second person should have **same check-in and check-out dates** with Mrs Asiye Ipek and you should give room that has same name as 1.D.

When you finish it, please click on the **Organization** button again then click on **Room List** button and see the situation as follows that room 1.D has two persons.
