	TF / Bluetooth Mode Short Press: Next Song Long Press: Volume Up

Pairing your speakers with another device

1. Turn off your speakers
2. Switch the speakers on setting it to Bluetooth mode. You will see the blue LED flash 6 times.

3. On your mobile or other device search for Bluetooth devices
4. In the list of devices you will see LINQ-100 select it and connect
5. Enter Password or PIN 0000 and press "Yes" or "Confirm"
    a. **Important: If the connection is successful, blue LED will flash. If the pairing is unsuccessful, the LED alternate between red and blue. You will need to pair to your device again.
