Product Announcement Information Sheet

Product Name	RemotePoint Wireless Presentation Suite
Model Number	VP6322
Part Number	RXX6000-5503F
UPC Code	71526206322 8 7 15262 06322 8
Dimensions/Weight per Single Package	21.7 x 7.2 x 2.1 inch; 2.12 lb 552 x 182 x 52 mm; 0.96 kg
Dimensions/Weight per Shipping Carton	24.7 x 22.4 x 8.1 inch; 26.13 lb 628 x 568 x 204 mm; 11.85 kg
Quantities per Shipping Carton	10 units
Suggested Retail Price	US$299.99
Availability	November 19, 2012

PRODUCT DESCRIPTIONS

Short Description – 25 Words
- The RemotePoint Wireless Presentation Suite, with its 100-foot wireless range, pairs a media keyboard and a professional-grade presentation remote control with bright green laser pointer.

Standard Description – 50 Words
- The RemotePoint Wireless Presentation Suite pairs a rechargeable media keyboard with a professional-grade presentation remote control with green laser pointer. With its 100-foot wireless range, the Presentation Suite is ideal for boardrooms, meeting rooms, lecture halls, churches and public speaking venues. Both devices share a common USB receiver dongle.

Long Description – 100 Words

The RemotePoint Wireless Presentation Suite pairs a rechargeable media keyboard with a professional-grade presentation remote control. With its 100-foot wireless keyboard range and 150-foot wireless remote control range, the Presentation Suite is ideal for larger boardrooms, meeting rooms, lecture halls, churches and public speaking venues.

The wireless Media Keyboard, with integrated trackball, mouse buttons and 12 media hot keys, is ideal for PC control of streaming media; while the paired presentation remote, with dedicated slide control buttons, mouse pointing stick, green laser pointer and assignable keys, provides effortless control of PowerPoint presentations. Both devices share a common USB receiver dongle.

FEATURES AND BENEFITS

Reliable 2.4GHz Long Range Radio Frequency
- One receiver dongle supports both keyboard and presenter thus only one USB port required
- Provides up to 100-foot/30-meter of reliable data transmission range for the keyboard and 150-foot/45-meter for the presentation remote
- Patented reliable auto-pairing technology enables secured and accurate RF connection
- Multiple RF channels with auto-scan and channel switching eliminate potential interference
- Ideal for lecture halls, classrooms, conference rooms, churches, and any public-speaking settings that require reliable, long range wireless data transmission

Rechargeable Media Keyboard with Mouse Cursor Control Features

- Earth-friendly design eliminates the need to replace disposable batteries
- Never lose productivity due to power-out or dead batteries
- Keyboard conveniently recharges via included charging cable while in use
- Designed with auto sleep mode helps conserve battery power
- Built-in LED power-low indicator to signal when to recharge
- Ideal for institutions and individuals that are conscious about saving operating costs and reducing hazardous waste to the environment
- Slim key construction features reduced key travel distance and minimizes finger fatigue
- Built-in 12 preprogrammed media hot keys enhance productivity
- Built-in optical trackball with integrated mouse buttons with scroll wheel offer full-function mouse controls all on the keyboard

Professional-grade Presentation Remote with Green Laser Pointer
- Built-in green laser pointer with 10x brightness of conventional red laser pointer offers green highlight visible from distance away and shows on bright screens
- Integrated complete mouse functionality offers total control
- Four programmable buttons can be customized to send any key combinations for the ultimate ease of use
- A built-in receiver dongle storage is provided for ease of transport

True Plug-and-Play for Ease of Use
- The 2.4 GHz radio frequency is preset to eliminate the need for pairing
- All functions are built-in therefore no need to install software driver
- True plug-and-play means the device can work instantly upon connecting to the computer without having to perform tedious setup
