Chapter 1:

Chapter 1: Introduction

Overview

The Centers for Medicare & Medicaid Services (CMS) requires a mechanism to receive and evaluate future medical and future prescription drug costs for inclusion in Workers' Compensation Medicare Set-Aside Arrangements (WCMSAs). The Workers' Compensation Medicare Set-Aside Portal (WCMSAP) is a Web-based application that allows attorneys, beneficiaries, claimants, insurance carriers, representative payees, and WCMSA vendors to:

- Create a work-in-progress case
- Submit WCMSA cases
- Perform case lookups
- Append documentation to a case
- Receive alerts relating to case activity

This user guide was written to help the user understand the WCMSAP and how to complete the registration and case submission processes.

All implementation instructions are available on the WCMSAP dedicated Web page:
<https://www.cob.cms.hhs.gov/WCMSA>.

Account Types

Before beginning the registration process, you must determine your account type. There are three types of WCMSAP accounts: Corporate, Representative, and Self. Account types are mutually exclusive; you can only select one account type.

- **Corporate** account type indicates that the submitter is registering as a corporate entity with an Employer Identification Number (EIN). Those registering as a Corporate account will regularly submit WCMSAP cases.
- **Representative** account type is for non-corporate WCMSAP users. These submitters do not have an EIN but will submit multiple cases.
- **Self** submitters are Medicare beneficiaries, or individuals with a reasonable expectation of becoming a Medicare beneficiary within 30 months, who wish to submit a case for themselves.

The account type selected determines both the basic information that is captured during the registration process and the level of vetting that is subsequently undertaken.

User Roles

The WCMSAP permits multiple users per account to take part in the account registration and case submission processes. Each user is defined by one of three possible roles, and each user can only have one role within the WCMSAP:

Account Representative (AR) Role

The Account Representative (AR) role is for Corporate account types only. Your AR is the individual who has the legal authority to bind the company to a contract and the terms of WCMSAP requirements and processing. Your AR has ultimate accountability for the company's compliance with WCMSAP submission requirements.

Although the AR does not have direct access to the WCMSAP application and cannot be a user on the portal, the AR must approve the organization's profile during the initial account setup and through any subsequent changes. The AR is also the recipient of the more severe error notifications, such as non-compliance. An AR cannot also be defined as an Account Manager (AM) or Account Designee (AD) for any account.

The AR:

- Performs the New Registration step on the WCMSAP but is not provided with a Login ID. They can NOT be an actual user of the system.
- Designates the AM.
- Must approve the account setup, by physically signing the Profile Report, including the Data Use Agreement and returning it to the COBC.

Change your Account Representative by using the Update Corporate Information process, as described in Chapter 7.

Account Manager (AM) Role

Each WCMSAP Account must have an assigned Account Manager (AM). The AM is established during the account setup process. Each WCMSAP account can have only one AM. This is the individual who controls the administration of an organization's account and manages cases, which includes managing case access. The AM can only be associated with one WCMSAP account.

The AM is a registered user of the system. AMs have unlimited access to WCMSAP functionality and cases. The submitter for Self account types is, by default, the AM for the account. For Corporate and Representative account types, the AM is assigned during the Account Setup process. (For Representative accounts, the submitter may be the AM, but they have the option to assign the AM role to another person).

The AM:

- Reviews, signs, and returns the Profile Report upon its receipt in order to be granted full access to all WCMSAP functionality. (For Representative and Self account types.)
Note: For Corporate account types, the AM will only be granted access after the Profile Report is signed and returned by the Account Representative (AR).
- Manages the WCMSAP account's profile information and updates general account information.
- Submits new cases for the WCMSAP account they are associated with.

- Can view and update all cases for the WCMSAP account they are associated with.
- Can add or replace documentation to a specific case for the account.
- Can invite other users to function as Account Designees (AD). (ADs are for Corporate or Representative account types only.)
- Can associate an AD to cases.
- Can revoke an AD's access to cases and/or an entire WCMSAP account.
- Can submit a single case, as an AM or as a Representative Payee. (For Self account types only.)

To replace an AM, the AR for Corporate accounts, or the original submitter for Representative accounts, must contact the COBC EDI Department.

Account Designee (AD) Role

At the organization's discretion, an Account Manager (AM) for Corporate or Representative account types may invite other individuals, known as Account Designees (ADs), to have access to the WCMSAP for the AM's account. Corporate accounts may have up to 20 ADs associated with one WCMSAP account; Representative accounts may have up to 5.

The AD:

- Must register on the WCMSAP and obtain a Login ID and Password.
- Can be associated with multiple WCMSAP accounts but only if invited by the AM for those accounts.
- Can change their personal information on the WCMSAP.
- Cannot be an Account Representative (AR) for any WCMSAP account.
- Cannot be the AM for the same WCMSAP account.
- Cannot invite other users to the WCMSAP account.
- Cannot update WCMSAP account information.
- Can submit new cases for a given WCMSAP account.
- Can perform case lookups and view cases that they are associated with (cases submitted by the AD or assigned to the AD by the AM).
- Can update (append documentation to) a case that they have been associated with.
- Can replace documentation for cases that they have been associated with.
- Can access alerts for cases that they have been associated with.
- Can update work-in-progress case information for cases that they have created or are associated with, as assigned by the AM.

AMs can add, remove, or delete ADs using the Designee Maintenance process, as outlined in Chapter 8.

Login ID and Password Limits

Each user of the WCMSAP can have only one Login ID and Password. Unless previously registered, all registrants are directed to the WCMSAP URL to register for a Web Portal account. Users of the Mandatory Reporting application must use that same Login ID and Password to access the WCMSAP application.

Electronic Data Interchange (EDI) Representative Support

Users of the WCMSAP may need assistance with managing an account or managing their personal information within the application. If necessary, you may contact an EDI representative for such assistance.

Contact an EDI representative if:

- The Account ID and PIN letter is not received within 2 weeks (10 business days) after completing the New Registration step. The EDI representative can resend the letter, allowing you to complete the account setup.
- Any of the information entered during initial registration must be changed after the initial registration letter has been received.
- You have any questions or problems regarding your account at any time during account setup.
- You forget your Login ID and cannot remember the answers to your Security Questions. The EDI representative can resend your Login ID to your registered E-mail Address.
- You forget your Password and cannot remember the answers to your Security Questions. The EDI representative can generate a temporary Password and send it to your registered E-mail Address.
- You incorrectly entered your PIN 3 times and locked the account. The EDI representative can reset the PIN, unlocking the account.
- You have questions about case submission errors. The EDI representative will work with you to understand the error and determine whether the case should be deleted and resubmitted or processed as submitted.

Contact the COBC EDI Department by phone at 646-458-6740, or by e-mail at COBVA@GHIMedicare.com.

EDI representatives are available to assist you Monday through Friday, excluding Federal holidays, from 9:00 a.m. to 5:00 p.m., Eastern Time.

Chapter 2: WCMSAP Welcome Page

The *Welcome* page is the portal to the WCMSAP for all WCMSA case functions. Before the case submission process can begin, the following steps must be taken, and are done using this page:

- For Corporate account types, the organization must be registered and given an Account ID
- For Corporate account types, the Account Representative must be named
- For Representative and Self account types, the submitter must register and receive an Account ID
- The designated Account Manager (AM) must perform the Account Setup step for the Account ID
- The Account Manager (AM) must self-register, obtain a Login ID, and create a Password

Once the Account ID account and all users are registered, the *Welcome* page is used to log in to the WCMSAP to manage the case submission process.

Welcome to the WCMSAP

This site provides an interface for entry of Workers' Compensation Medicare Set-Aside Arrangements (WCMSA) proposals. Attorneys, Medicare beneficiaries, claimants, insurance carriers and WCMSA vendors may use this site to enter the case information directly. The site also provides attorneys, Medicare beneficiaries, claimants, insurance carriers, and WCMSA vendors with the ability to track their submitted cases and the statuses without inquiry to the Coordination of Benefits Contractor (COBC) or the Centers for Medicare & Medicaid Services (CMS).

WCMSAP Messages

This space is reserved for system messages from the Coordination of Benefits Contractor. Check this location for important information regarding system outages, scheduled maintenance and special announcements.

The navigation menu at the top of each page gives the user access to various parts of the WCMSAP to facilitate using the application.

- **About This Site** navigates to the **How to Use This Site** link, offering general information on how to use the WCMSAP application.
- **CMS Links** provides links to the Workers' Compensation Agency Services page, the Medicare Web site, and the Coordination of Benefits Web site.
- **How To** provides detailed information on performing the following functions:
 - Getting Started
 - Requesting your Login ID
 - Requesting your Password
 - Changing your Password
 - Resetting your PIN
 - Changing your Account Manager
 - Changing your Account Representative
 - Inviting Account Designees
- **Reference Materials** provides a link to the WCMSAP User Manual (this guide).
- **Contact Us** displays the following message:

Bulletin Board

Bulletin board messages display on the WCMSAP Welcome page. These messages keep users informed of upcoming events, maintenance or other system-specific information.

New Registration

The designated Account Representative (AR) must click on the **New Registration** button under Step 1 to complete and submit the registration information. It is critical that you provide the AR's information (including E-mail address) in this New Registration step and **NOT** the E-mail address for someone you want to be a user of the WCMSAP (For Corporate accounts only. Users registering Representative and Self accounts are permitted to access the WCMSAP). Refer to Chapter 3 for more information on account registration.

Account Setup

After completion of the New Registration step, the COBC will mail a confirmation letter containing the Account ID and PIN to the AR (for Corporate accounts), or you (for Representative and Self accounts), along with instructions for setting up the account. The assigned AM should click the **Account Setup** button under Step 2 to finish the account setup using the Account ID and PIN, and to register themselves as the AM. (For Corporate accounts, the AM receives the Account ID and PIN from the AR.) Refer to Chapter 4 for more information on account setup and AM registration.

Account Login

After AMs and ADs have self-registered, and after AMs have completed the Account Setup process, AMs and ADs enter their Login IDs and Passwords in the **Account Login** fields to enter the WCMSAP and manage the case submission process. AMs can also perform AD maintenance.

Note: AMs and ADs can not manage or create cases until the COBC receives a valid, signed copy of the Profile Report. Refer to Chapter 9 for information on the AD self-registration process. Refer to Chapter 5 for more information about the login process, including information on the **Forgot Login ID** and **Forgot Password** links on the *Welcome* page.

Chapter 3: New Registration

New Registration

Before beginning the registration process, read this entire chapter and gather all necessary information. Once you have started registration you must complete the process. If you click **Cancel** or close the application at any point before registration is complete, your changes will NOT be saved, and all entered data will be lost.

It is critical that you provide accurate information in this step.

Starting from the *Welcome* page, you must provide basic information to start the registration process:

- **For Corporate Accounts:**
 - The Employer Identification Number (EIN) for the company
 - Company name and mailing address
 - Account Representative (AR) contact information (name, job title, address, E-mail address, phone number)
- **For Representative Accounts:**
 - Representative contact information (name, social security number, mailing address, e-mail address, phone)
 - Beneficiary last name and first initial
 - Beneficiary Social Security Number (SSN) or Health Insurance Claim Number (HICN)
 - Beneficiary date of birth
 - Beneficiary gender
- **For Self Accounts:**
 - Contact information (name, mailing address, e-mail address, phone)
 - Social Security Number (SSN) or Health Insurance Claim Number (HICN)
 - Date of birth
 - Gender

It is imperative that all E-mail addresses entered are correct.

To successfully register yourself or your organization and create an Account ID, follow the steps outlined below:

1. Enter the following URL into your Web browser: <https://www.cob.cms.hhs.gov/WCMSA>
2. The *Login Warning* page displays detailing the Data Use Agreement (DUA). The *Login Warning* page can be printed by clicking the **Print this Page** link in the upper right of the page.

Corporate Account Type

1. For Corporate account types, the *Corporate Information* page displays. Enter the corporation's EIN and mailing address on this page. This address will be used to send the Profile Report and any correspondence from the COBC regarding this Account ID. Fields marked with an asterisk (*) are required.

Corporate Information Page	
Field	Description
Employer Identification Number (EIN)	The IRS-assigned employer identification number (EIN) associated with the organization. If you have more than one EIN, you may submit this registration with any one of those EINs.
Corporation Name	Company Name
Address Line 1	Enter the first line of the company's mailing address.
Address Line 2	Enter the second line of the company's mailing address (Optional).
City	Enter the city where the company is located.
State	Select the state where the company is located from the dropdown list. Note: To quickly select a state, type the first letter to scroll to the desired state.
Zip Code	Enter the company's Zip Code (Required) plus 4-digit Zip-code suffix (Optional).
Command Buttons	
Previous	Click to return to the <i>Select Account Type</i> page.
Next	Click to save changes and continue to the next page.
Cancel	Click to cancel the registration process. Information entered on the current page and any previous pages is NOT saved.

2. Enter the requested information then click the **Next** button. The *Account Representative (AR) Information* page displays. This page captures information related to the AR. As the AR, you must enter your personal information on this page.

Note: An AR can only have that one role; the AR cannot function as an Account Manager or an Account Designee. E-mail addresses for each user role will be verified upon entry, and any address matches between AM, AD, and AR roles will be denied.

Fields marked with an asterisk (*) are required.

Account Representative (AR) Information Page	
Field	Description
AR First Name	Enter your first name.
MI	Enter your middle initial (Optional).
Last Name	Enter your last name.
AR Title	Enter your job title
AR E-mail Address	Enter your E-mail address. Note: If your E-mail address is found in the system as an existing user, you will NOT be allowed to continue the registration process.
AR Re-enter E-mail Address	Enter your E-mail address a second time for verification purposes.
AR Phone	Enter your work phone number. The Extension field is optional.
AR Fax	Enter your work fax number (Optional).

Previous	Click to return to the <i>Corporate Information</i> page.
Next	Click to save changes and continue to the next page.
Cancel	Click to cancel the registration process. Information entered on the current page and any previous pages is NOT saved.

3. Enter the required information then click **Next**. The *Registration Summary* page displays. This page lists all the information that was previously entered. All information should be reviewed and verified before continuing.

The screenshot shows the 'Registration Summary' page. At the top, there is a navigation bar with links: Home, About This Site, CMS Links, How To..., Reference Materials, Contact Us, and Logoff. The main content area is titled 'Registration Summary' and includes a 'Print this page' link. The information is organized into two columns:

- Corporate Information:** Includes fields for Employer Identification Number (EIN), Corporate Name, Business Mailing Address (Address Line 1, Address Line 2, City, State, Zip Code), and an 'Edit' button.
- Account Representative Information:** Includes fields for First Name, Last Name, Title, E-Mail Address, Phone, and Fax, and an 'Edit' button.

At the bottom of the form, there are three buttons: 'Previous', 'Submit Registration', and 'Cancel'.

4. Verify that all information is correct. To make any corrections, click the **Edit** button next to the proper section to return to that page. Once all corrections have been made, click **Next** at the bottom of that page to navigate back to the *Summary* page. After you have returned to the *Registration Summary* page, click the **Submit Registration** button.

Click **Previous** to return to the *Account Representative (AR) Information* page. If you click **Cancel**, you will exit the registration process. All information entered during the registration process is deleted.

5. After you click **Submit Registration**, the *Thank You* page displays, outlining the next steps in the registration process.

The screenshot shows the top of the web portal with the CMS logo and the text "Workers' Compensation Medicare Set-Aside Web Portal" next to the COBC logo. A navigation bar contains links for Home, About This Site, CMS Links, How To..., Reference Materials, Contact Us, and Logoff. The main content area is titled "Thank You" and includes a "Print this page" button. Below the title, a message states: "You have successfully completed the initial registration for the Workers' Compensation Set-Aside Web site. Please print this page for your records." The "Next Steps" section explains that the information will be vetted, an Account ID will be assigned, and a letter will be mailed. The "Account Setup" section states that upon receipt of the letter, the Account Representative will be instructed to return to the site to complete setup. A link for "Workers' Compensation Set-Aside Welcome Page" is provided at the bottom.

6. Click the **Workers' Compensation Medicare Set-Aside Welcome Page** link to return to the *Welcome* page.

Next Steps

Within two weeks, a letter will be mailed to you, the AR, that contains the Account ID and PIN, along with instructions for setting up the account (to be completed by the Account Manager). Refer to Chapter 15 for a sample mailing. If a letter is not received within 10 business days, contact a COBC EDI representative.

Once the Account Manager (AM) has completed the account setup, an E-mail notification will be sent to you, including a Profile Report denoting all information previously recorded during registration, and any additional information provided during the account setup. Refer to Chapter 15 for a sample notification E-mail and Profile Report. It may take up to 10 business days to receive the Profile Report.

You will have 60 business days to review, sign, and return the Profile Report to the COBC. When returning the signed Profile Report via email, use "WCMSAP Profile Report" in the subject line.

If a signed Profile Report is not received within that timeframe, the account will be automatically deleted on the 60th business day. If the account is deleted, you must start the registration process from the beginning.

Refer to Chapter 4 for more information on completing the account setup.

Representative Account Type

- For Representative account types, the *Representative Information* page displays. Enter your personal information on this page. The address you enter on this page will be used to send the Profile Report and any correspondence from the COBC regarding this Account ID. Fields marked with an asterisk (*) are required.

Representative Information Page

You have successfully completed the initial registration for the Workers' Compensation Set-Aside Web site. Please print this page for your records.

Next Steps

After initial registration is completed, the information captured will be vetted to verify the Company, Representative or Beneficiary/Claimant is an appropriate submitter. After the vetting has been completed, the registrant will be defined with an Account identification number (ID). After the assignment of an Account ID, a letter will be mailed to the Account Representative captured during registration, with the Account ID and PIN number.

Account Setup

Upon receipt of the mailed Account ID and PIN, the Account Representative will be instructed to return to the Workers' Compensation Set-Aside Web site to complete the account setup. The Account Manager will need to enter the Account ID and PIN on the Account Setup page to begin setup.

[Workers' Compensation Set-Aside Welcome Page](#)

- Click the **Workers' Compensation Medicare Set-Aside Welcome Page** link to return to the *Welcome* page.

Next Steps

Within two weeks, a letter will be mailed to you that contains the Account ID and PIN, along with instructions for setting up the account (to be completed by the AM). Refer to Chapter 15 for a sample mailing. If a letter is not received within 10 business days, contact a COBC EDI representative.

Once you have completed the account setup, an E-mail notification will be sent to you, including a Profile Report denoting all information previously recorded during registration and any additional information provided during the account setup. Refer to Chapter 15 for a sample notification E-mail and Profile Report. It may take up to 10 business days to receive the Profile Report.

You will have 60 business days to review, sign, and return the Profile Report to the COBC, who is listed on the report. When returning the signed Profile Report via email, use "WCMSAP Profile Report" in the subject line.

If a signed Profile Report is not received within that timeframe, the account will be automatically deleted on the 60th business day. If the account is deleted, you must start the registration process from the beginning.

Refer to Chapter 4 for more information on completing the account setup.

Self Account Type

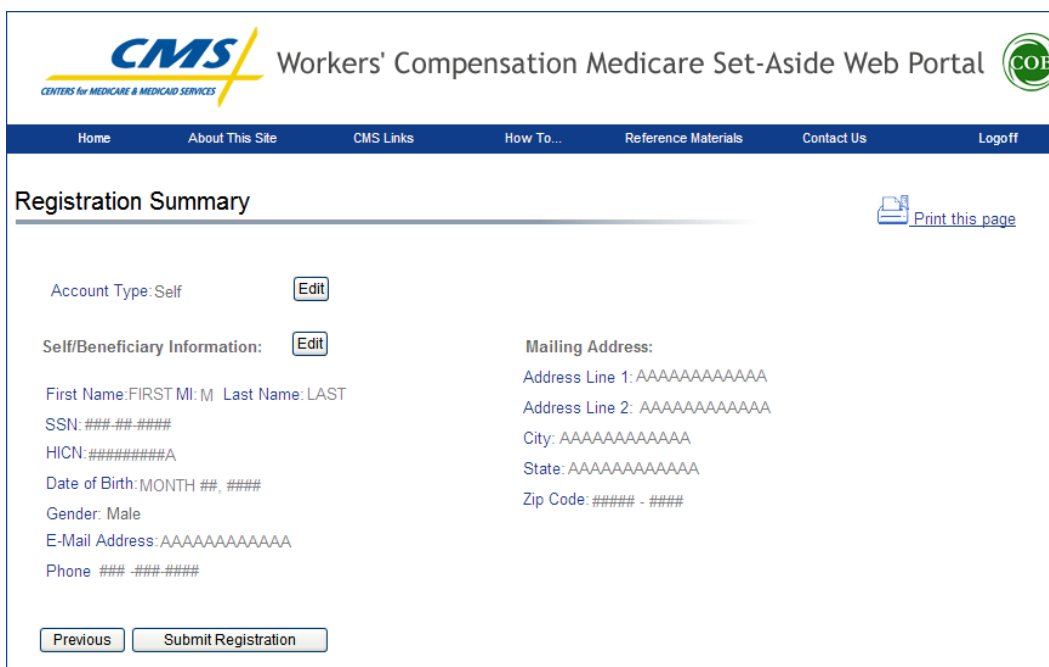

1. For Self account types, the *Beneficiary/Claimant Information* page displays. Enter your personal information on this page. The information you enter on this page is for the beneficiary or claimant associated with the case that will be created using this Account ID, and the address entered will be used to send the Profile Report and any correspondence from the COBC regarding this Account ID.

Fields marked with an asterisk (*) are required.

Refer to Chapter 4 for more information on completing the account setup.

Chapter 4: Account ID Setup & Account Manager Registration

Account Setup

Corporate Account Types:

Upon receipt of the mailed Account ID and PIN, the Account Representative (AR) must provide the information to the designated Account Manager (AM), who must then access the WCMSAP to complete the account setup process.

Representative Account Types:

Upon receipt of the mailed Account ID and PIN, you can provide the information to a designated AM, or assign yourself to the AM role. The AM must then access the WCMSAP to complete the account setup process.

Self Account Types:

By default, you will be the AM for this Account ID. Once you have received the Account ID and PIN in the mail, you must return to the WCMSAP site to complete the account setup process.

All Account Types:

The following section details the information that must be entered by the **Account Manager**. Contact the COBC EDI Department if you have any questions or problems regarding the Account ID at any time during account setup. To successfully set up the WCMSAP account and register yourself as the Account Manager, follow the steps outlined below.

1. Enter the following URL into your Web browser: <https://www.cob.cms.hhs.gov/WCMSA>
2. The *Login Warning* page displays, detailing the Data Use Agreement (DUA). The *Login Warning* page may be printed by clicking the **Print this Page** link in the upper right of the page.

Account Manager (AM) Self-Registration

The Account Manager (AM) controls the administration of a WCMSAP account. The AM has the following responsibilities:

- Reviews, signs, and returns the Profile Report upon its receipt in order to be granted full access to all WCMSAP functionality. (For Corporate accounts, the AR signs the Profile Report.)
- Manages the WCMSAP account’s information and updates general account information.
- Invites other users to function as Account Designees (ADs). (ADs are for Corporate or Representative accounts only.)
- Associates ADs to cases.
- Revokes ADs’ access to cases and/or an entire WCMSAP account.
- Can submit new cases for the WCMSAP account they are associated with.
- Can view and update all cases for the WCMSAP account they are associated with.
- Can add or replace documentation in a specific case for the WCMSAP account they are associated with.
- Submits a single case, for themselves or as a Representative Payee. (For Self accounts only.)

Your personal information must be entered at this point to register yourself as the AM.

1. After clicking **Next** on the applicable *Information* page, the *Account Manager Personal Information* page displays. The information you enter here is required for subsequent communications.

2. Enter the required personal information, accept the User Agreement then click **Next**. For Representative accounts, all fields will be populated with the contact information you entered earlier if you click the **Same as Submitter** button. (This button does not display for Corporate or Self accounts). For Self accounts, all fields will be automatically populated with the contact information you entered earlier.

Note: You can register as an Account Manager for an account if you are already a registered Medicare, Medicaid, and SHIP Extension Act 2006 (MMSEA) Mandatory Reporting user.

3. If you are a new user, the *Account Manager Login Information* page displays, requesting you to set up a Login ID and Password (using the following guidelines). Additionally, 2 Security Questions must be selected. Otherwise, this page is skipped.
 - Login IDs must be 7 characters
 - Login IDs must be in the format of AA999AA (first two alphabetic, next three numeric, last two alphabetic)
 - Login ID and Password cannot be the same
 - Passwords must be changed every 60 days
 - Passwords must be 8 characters in length
 - Passwords must contain at least one upper case letter, one lower case letter, one number, and one special character
 - Passwords cannot be changed more than once per day
 - Passwords cannot contain 4 consecutive characters from the previous password
 - Passwords must be different from the last 6 Passwords
 - Passwords cannot contain a reserved word (Password, welcome, hcfa, cms, system, medicare, medicaid, temp, letmein, god, sex, money, quest, 1234, or f20asya, ravens, redskin, orioles, bullets, capitol, Maryland, terps, doctor, 567890, 12345678, root, bossman, january, february, march, april, may, june, july, august, september, october, november, december, ssa, firewall, citic, admin, unisys, pwd, security, 76543210, 43210, 098765, iraq, ois, tmg, internet, intranet, extranet, att, Lockheed

The screenshot shows the 'Account Manager Login Information' page. At the top, there is a navigation bar with links: Home, About This Site, CMS Links, How To..., Reference Materials, Contact Us, and Logoff. The page title is 'Account Manager Login Information'. Below the title, there is a paragraph explaining that the security information requested will allow the system to authenticate the user's identity. To the right of this paragraph is a 'QUICK HELP' button with a link 'Help About This Page'. Below this is a section titled 'Choose your Login ID and password carefully.' which lists several password requirements:

- Password must be changed every sixty (60) days.
- Password must consist of at least eight (8) characters.
- Password must contain at least one upper-case letter, one lower-case letter, one number, and one special character.
- Password must contain a minimum of four (4) changed characters from the previous password.
- Password cannot be changed more than once per day.
- Password must be different from the previous 6 passwords.
- Password cannot contain a reserved word (See Help About This Page for a complete list)

Below the list, it states 'An asterisk (*) indicates a required field.' and shows three input fields: 'Login ID *', 'Password *', and 'Re-enter Password *'. Underneath, there is a section for 'Security Questions' with the instruction: 'The Security Questions allow you to regain account access if you forget your password. Please note the answers you provide to these questions should be actual answers and not hints for your password. Choose Security Questions and Provide Answers'. This section contains two sets of questions, each with a dropdown menu for the question and a text input field for the answer. At the bottom left, there are 'Previous' and 'Next' buttons.

- Using the posted guidelines, create a Login ID, and enter and re-enter a Password. Select 2 Security Questions and Answers and click the **Next** button. You will use your Login ID and Password to enter the WCMSAP site and manage the account, manage designees, create and view cases, and upload file attachments. The Security Questions will allow you to access your Login ID and reset your Password in the event you forget either one.

The *Account Manager Summary* page displays. This page lists information that was previously entered during the account setup process. All information should be reviewed and verified before continuing.

5. Verify that all information is correct. To make any corrections, click the **Edit** button next to the proper section to return to that section. Once all corrections have been made, click **Next** at the bottom of that page to navigate back to the *Summary* page. After you have returned to the *Account Manager Summary* page, click the **Submit Account Setup** button.

Click **Previous** to return to the *Account Manager Login Information* page.

6. After you click **Submit**, the *Thank You* page displays, outlining the next steps in the account setup process.

7. Click the **Workers' Compensation Medicare Set-Aside Welcome Page** link to return to the *Welcome* page.

You have successfully setup the account and registered yourself as the Account Manager. As the AM, you control the administration of the WCMSAP account. You will receive a Profile Report from the COBC via E-mail, which must be reviewed for accuracy then signed and returned to the COBC. You cannot submit, view, or create cases until the signed Profile Report is received by the COBC. After the report has been received by the COBC, you can login to the account to maintain account and case information, upload and replace documents, submit cases, and manage Designee access.

You may choose to manage the entire account or you may invite other company employees to assist as Account Designees (Corporate and Representative accounts only).

To add Designees to a WCMSAP account, you must login to the WCMSAP site using the Login ID and Password you created during the Account Setup process. Chapter 8 describes the steps you must take as the Account Manager to invite users to be Account Designees. Chapter 9 details the Account Designee self-registration process once they have received an invitation E-mail from the COBC after you add them to your account.

Profile Report

Upon completion of all information for the account setup, an E-mail notification will be sent to you and the Account Representative (for Corporate accounts), or to you only (for Representative and Self accounts). The E-mail will also include a Profile Report, noting all information previously recorded during registration and any additional information provided during the account setup. Refer to Chapter 15 for a sample notification E-mail and Profile Report. It may take up to 10 business days to receive the Profile Report. Contact the COBC EDI Department if you do not receive a Profile Report after 10 business days.

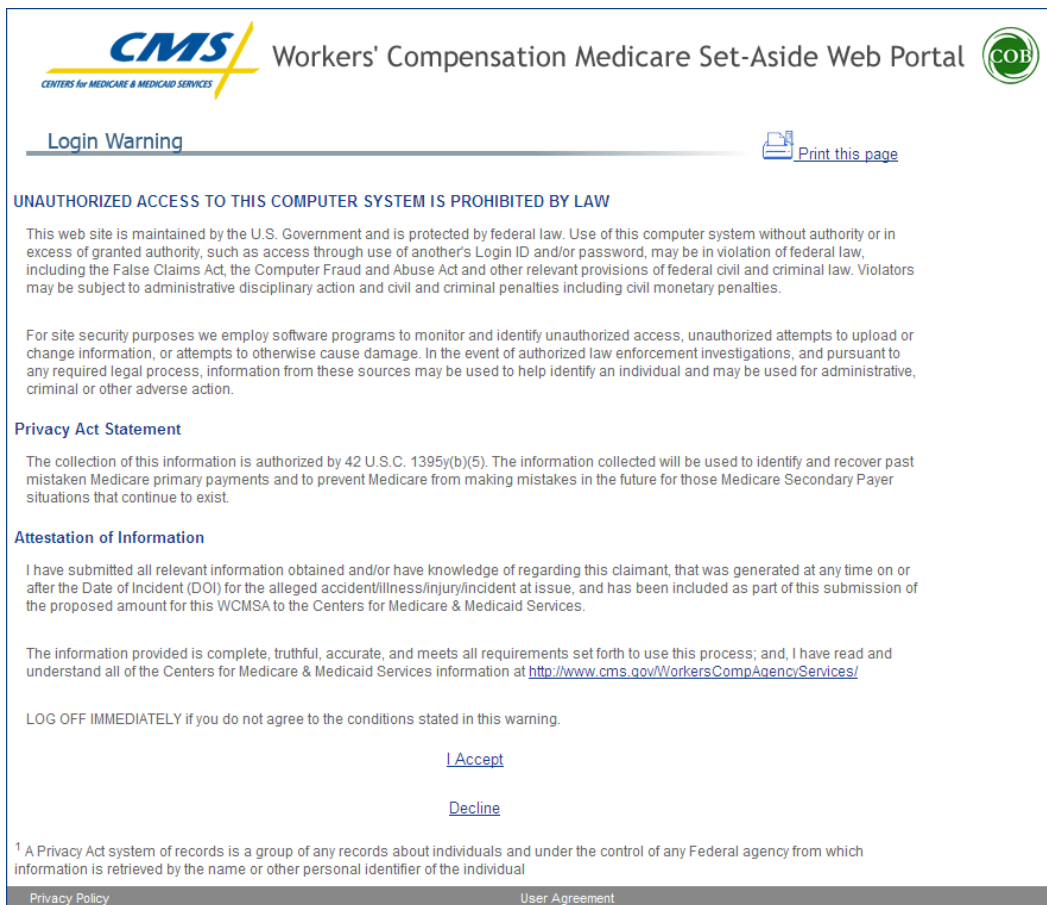

You or the Account Representative will have 60 business days to review, sign, and return the Profile Report to the COBC. When returning the signed Profile Report via email, use "WCMSAP Profile Report" in the subject line.

If a signed Profile Report is not received within that timeframe, the account will be automatically deleted on the 60th business day. If the account is deleted, you must start the registration process from the beginning.

WCMSAP

The WCMSAP provides an interface for entry of Workers' Compensation Medicare Set-Aside (WCMSA) proposals. You may use this site to enter the case information directly. The site also provides the ability to track submitted cases and the statuses without inquiry to COBC or CMS. Case Lookup and View Alert functions are also available. Click the desired link below to perform that function.

You may modify Account Settings by clicking the appropriate link under the Account Settings list.

Forgot Login ID

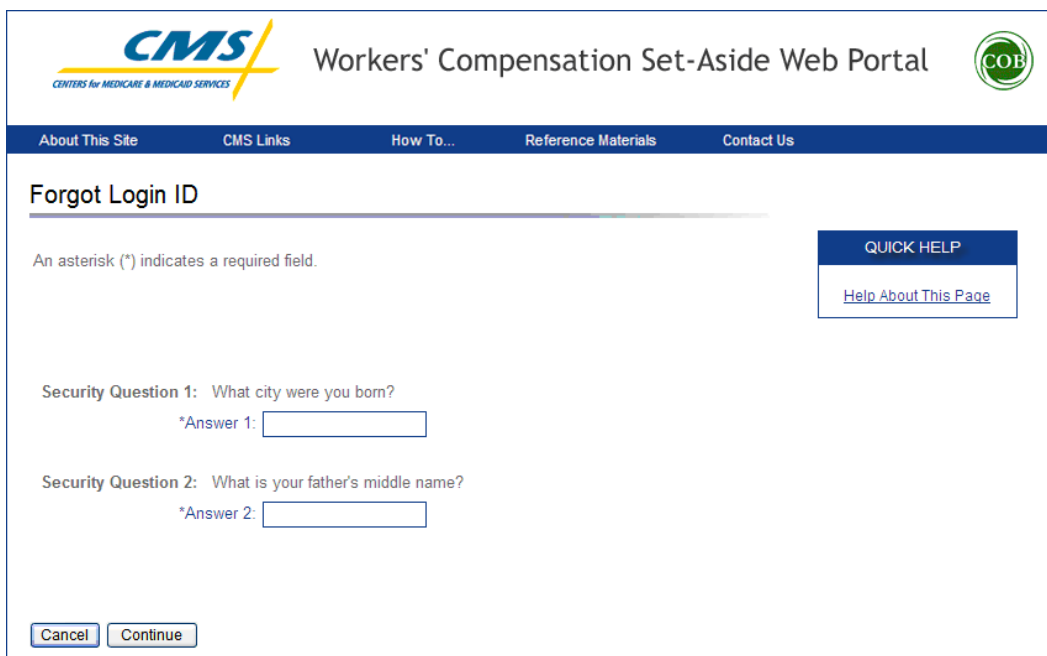

1. On the *Welcome* page, click the **Forgot ID** link in the Account Sign-in box.

2. This displays the *Forgot Login ID* page. Enter your E-mail address and click **Continue**.

3. The page then re-displays with the two Security Questions you selected during the registration process. Correctly answer each of your pre-selected Security Questions then click the **Continue** button. If the information you entered is correct, your Login ID will be sent via E-mail.

If you receive an error indicating that the answers are incorrect, check your answers and re-enter. If you cannot remember the answers to your Security Questions, contact a COBC EDI representative.

- The *Thank You* page displays if your answers are correct. This page confirms that you have successfully requested your Login ID.

- Click the **Workers' Compensation Medicare Set-Aside Welcome Page** link to return to the *Welcome* page.
- You will then receive an E-mail containing your Login ID. After receipt of the E-mail, return to the WCMSAP site and log in using your Login ID and Password. If you do not receive an E-mail within 24 hours, contact a COBC EDI representative.

Forgot Password

- On the *Welcome* page, click the **Forgot Password** link, in the Account Sign-in box.

- This displays the *Forgot Password* page. Enter your Login ID and click **Continue**.

- The page then re-displays with the two Security Questions you selected during the registration process. Correctly answer each of your pre-selected Security Questions then click the **Continue** button. If the information you entered is correct, your new temporary Password will be sent via E-mail.

If you receive an error indicating that your answers are incorrect, check your answers and re-enter. If you cannot remember the answers to your Security Questions, contact a COBC EDI representative.

- The *Thank You* page displays if your answers are correct, indicating that the system has generated a temporary Password and sent it to your registered E-mail address. If you do not receive an E-mail within 24 hours, contact a COBC EDI representative.

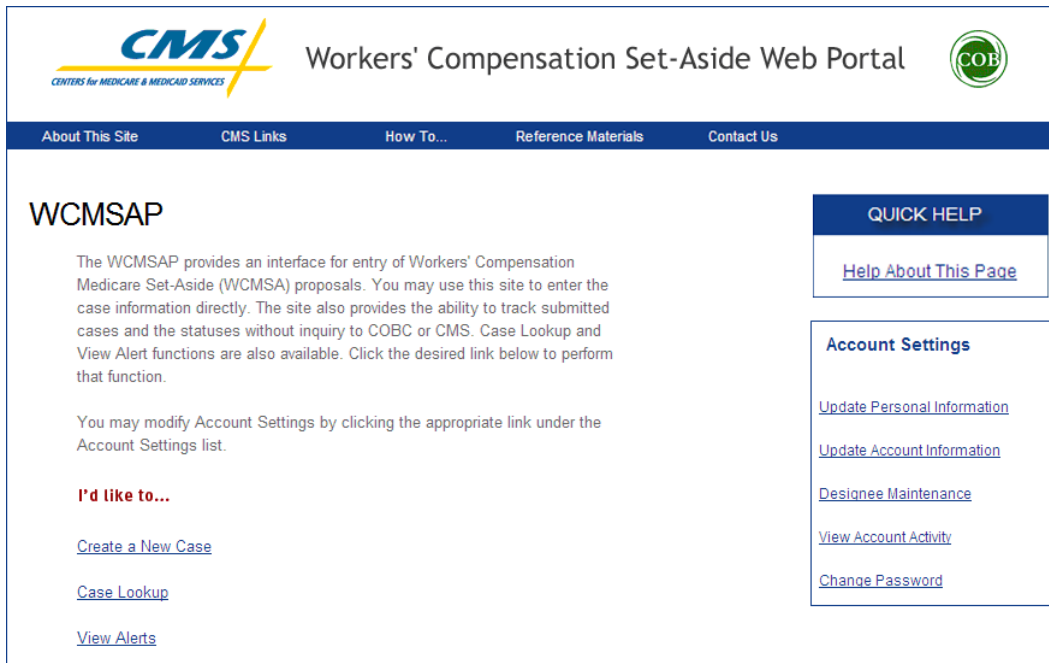

- Click the **Workers' Compensation Medicare Set-Aside Welcome Page** link to return to the *Welcome* page.
- You must change your temporary Password the next time you log into the WCMSAP. Refer to the Change Password section in Chapter 7 for more information.

Chapter 6: WCMSAP Home Page

The *WCMSAP Home* page is the first page displayed after a successful login. This page functions as the main processing page to initiate all WCMSAP functions. In addition to the original Navigation Menu options, a **Log Off** link displays, which will log you out of the WCMSAP and return you to the *Login Warning* page.

The *Home* page gives you access to all functions in the WCMSAP. From this page you can:

- Update your Personal Information (your name, address, e-mail, phone)
- Update Account Information (organization name, address, e-mail, phone. AM function only)
- Manage Account Designees (AM function for Corporate and Representative accounts only)
- View Account Activity
- Change your Password
- Create a New Case
- Search for an Existing Case
 - Submit a Work-In-Progress case
 - Add or replace files on a submitted case
 - Manage Designee access to cases
- View Case Alerts

The screenshot shows the WCMSAP Home Page. At the top left is the CMS logo with the text "CENTERS for MEDICARE & MEDICAID SERVICES". To the right of the logo is the title "Workers' Compensation Set-Aside Web Portal" and a COB logo. Below the title is a navigation menu with links: "About This Site", "CMS Links", "How To...", "Reference Materials", and "Contact Us". The main content area is titled "WCMSAP" and contains a paragraph describing the system's purpose. Below this paragraph is a section titled "I'd like to..." with links for "Create a New Case", "Case Lookup", and "View Alerts". On the right side of the page, there is a "QUICK HELP" section with a link "Help About This Page" and an "Account Settings" section with links for "Update Personal Information", "Update Account Information", "Designee Maintenance", "View Account Activity", and "Change Password".

Chapter 7: Account Settings

Access to functions in the “Account Settings” box is limited by user role:

Account Managers

- Update Personal Information
- Update Account Information
- Designee Maintenance (Corporate and Representative accounts only)
- View Account Activity
- Change Password

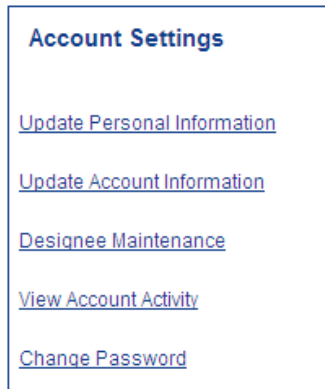

Account Designees (Corporate and Representative account types)

- Update Personal Information
- View Account Activity
- Change Password

Update Personal Information

Your personal information is recorded during your initial registration process. However, this information can be updated and changed, if necessary.

1. On the *Home* page, click the **Update Personal Information** link in the “Account Settings” box.

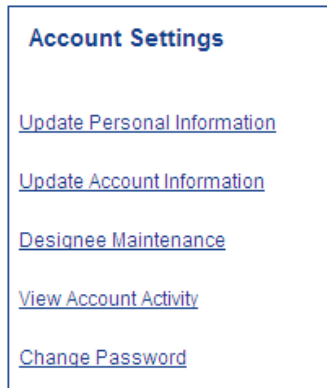

2. This displays the *Update Personal Information* page.

3. Your current personal information is displayed, with all fields except Date of Birth open for editing. After making any necessary changes, click the **Next** button.
4. This displays the *Personal Information Update Confirmation* page, showing the updated information.

5. Click the **Return to Home** button to return to the *Home* page. The system then sends you an E-mail, indicating that your personal information has been changed.

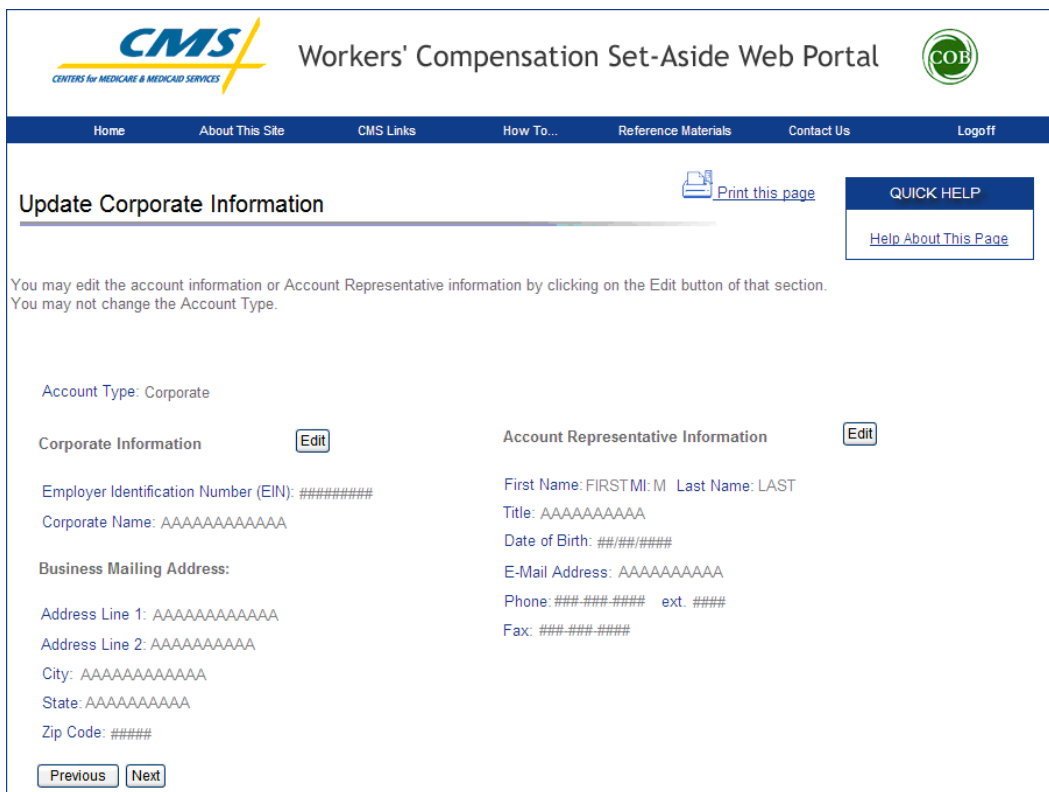

Update Account Information

1. On the *Home* page, click the **Update Account Information** link in the “Account Settings” box. (Account Managers only)

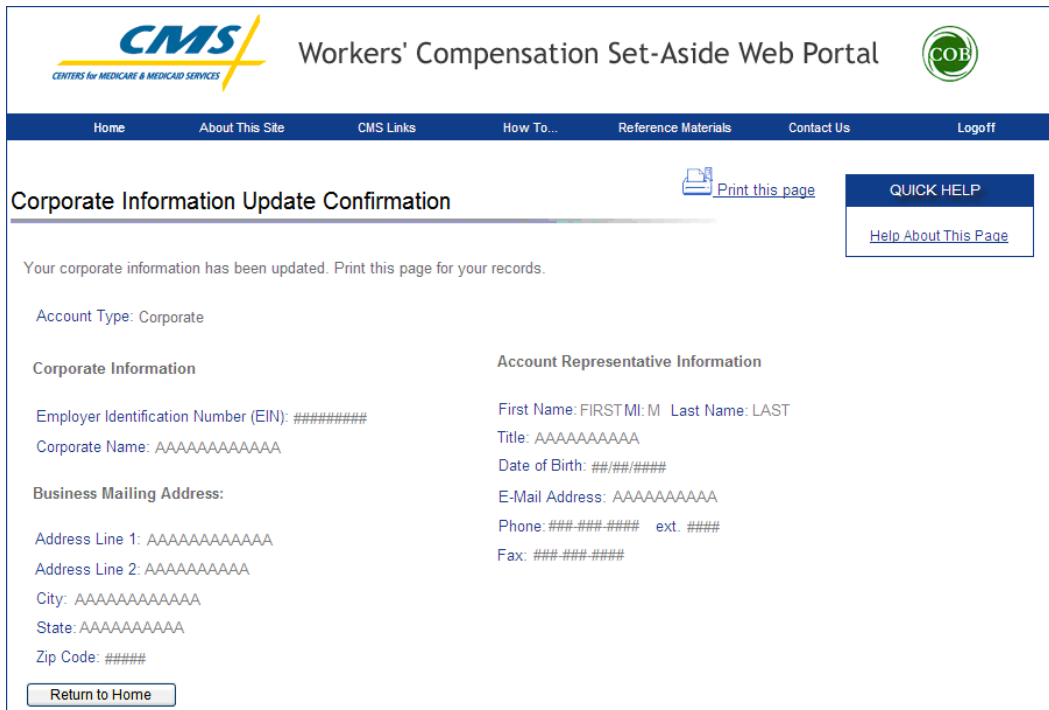

2. This displays the *Update Corporate Information* page. Your account’s mailing and contact information is displayed on this page. You can also update your Account Representative contact information, or replace them with another person.

To make any corrections, click the **Edit** button next to the proper section to return to that section. Once all corrections have been made, click **Next** at the bottom of that page to navigate back to the *Update Corporate Information* page. After you have returned to the *Update Corporate Information* page, click the **Next** button.

3. This displays the *Corporate Information Update Confirmation* page, showing what information has been updated.

4. Click the **Return to Home** button to return to the *Home* page. The system then sends you an E-mail, indicating that the account information has been changed.

View Account Activity

All activity performed for an Account ID can be reviewed. The system provides an Account Activity history page that lists Activity Date, Description, and User. Typical activity recorded includes:

- Initial Registration
- Account Setup (Account Manager Registration)
- Add Designee
- Delete Designee
- Update of Account Information
- Case Submitted
- Document Replaced

Take the following steps to view account activity.

1. On the *Home* page, click the **View Account Activity** link in the “Account Settings” box.

Change Password

The system requires you to change your Password every 60 days. The following details the steps to successfully change your Password, whether it is expired or it is a temporary Password issued after you completed the Forgot Password process. Your Password can only be changed once every 24 hours.

1. On the *Home* page, click the **Change Password** link in the “Account Settings” box on the right side of the page.

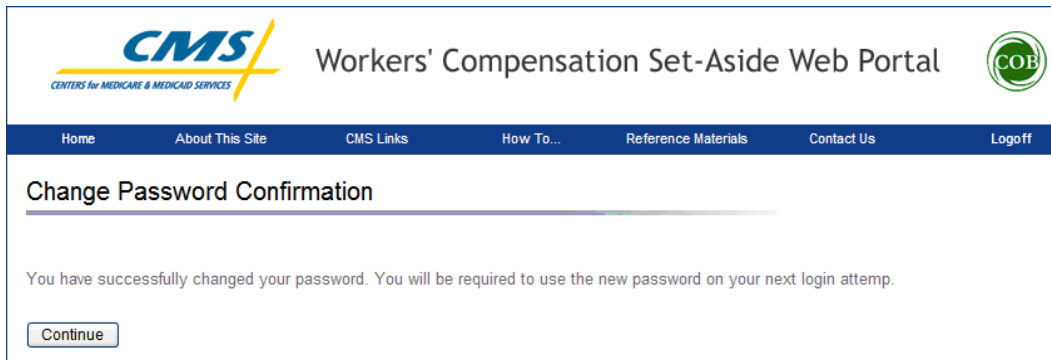

2. This displays the *Change Password* page.

 A screenshot of the 'Change Password' page in the Workers' Compensation Set-Aside Web Portal. The page has a blue header with the CMS logo and navigation links: Home, About This Site, CMS Links, How To..., Reference Materials, Contact Us, and Logoff. The main content area is titled 'Change Password' and includes a 'QUICK HELP' button with a link to 'Help About This Page'. Below the title, it says 'Choose your password carefully.' and lists six password requirements:

- Password must be changed every sixty (60) days.
- Password must consist of at least eight (8) characters.
- Password must contain at least one upper-case letter, one lower-case letter, one number, and one special character.
- Password must contain a minimum of four (4) changed characters from the previous password.
- Password cannot be changed more than once per day.
- Password must be different from the previous 6 passwords.
- Password cannot contain a reserved word (See Help About This Page for a complete list)

 Below the requirements, it states 'An asterisk (*) indicates a required field.' and provides three input fields: 'Enter your current password: *', 'Enter your new password: *', and 'Re-enter your new password: *'. At the bottom left are 'Cancel' and 'Continue' buttons.

3. Enter your Current Password.
4. Enter and re-enter a new Password following the listed guidelines then click **Continue**.
5. The *Change Password Confirmation* page displays.

6. Click **Continue** to return to the *Home* page. Use your new Password the next time you log into the WCMSAP.

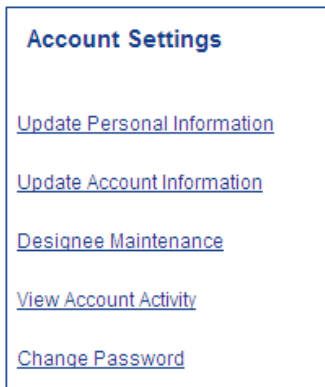

Chapter 8: Designee Maintenance

For Corporate and Representative accounts, the Account Manager may designate one or more Account Designees to assist with case submission and management. The Account Manager can perform the following Designee Maintenance functions:

- Add an Account Designee
- Delete an Account Designee
- Edit information for an unregistered Account Designee
- Regenerate an invitation E-mail with a token link for an Account Designee’s registration

Add a Designee

1. On the *Home* page, click the **Designee Maintenance** link in the “Account Settings” box.

2. The *Designee Listing* page displays, with all Designees and their associated statuses (Pending, Active, Locked, Expired, Revoked) listed.

Designee Listing

This page provides the Designee(s) information for the individuals you have assigned to the account.

An Account Manager can only make changes to a pending Designee. Once the Designee has registered and has a Login ID, the Account Manager cannot make changes to the Designee information other than deleting the Designee from the account.

To make changes to the account of a particular Designee listed, select the link on the individual's last name. To delete a Designee select the Delete function to the left of the individual's name. Use the **Add a Designee** function to include an individual as a designee. Individuals added as designees will receive an e-mail notifying them that they have been invited to be a designee for the account.

Delete	Last Name	First Name	E-mail Address	Passphrase	Status
✕	LAST	FIRST	AAAAAAAAAAAAA	AAAAAAA	Active
✕	LAST	FIRST	AAAAAAAAAAAAA	AAAAAAA	Pending

3. To print the *Designee Listing* page, click the **Print this Page** icon in the upper right corner. To return to the *Home* page without making any changes, click the **Return to Home** button.
4. To add an Account Designee, click the **Add a Designee** button under the Account Designee List. The *Designee Information* page displays.

5. Enter and re-enter the E-mail address of the Account Designee you wish to invite and click **Next**. Or click **Previous** to return to the *Designee Listing* page without adding a Designee.
6. The system then verifies that the entered E-mail address is not in the database for an existing user.
7. An existing, registered user can be an Account Designee for your Account ID as long as they are not already registered as an Account Representative for any Account ID, or the Account Manager for the same Account ID.

If the entered E-mail address is found in system (if the invited Account Designee is already a registered user), the following page displays:

8. If the information you entered is for the Designee you intended to invite, click **Next** to Continue. (Otherwise, click **Cancel**). The *Designee Confirmation* page displays, indicating that the invited Designee has been sent an E-mail notifying them that they have been added to this Account ID and will be able to access it the next time they log in to the WCMSAP.

The screenshot shows the CMS logo (Centers for Medicare & Medicaid Services) and the COB logo. The page title is "Workers' Compensation Set-Aside Web Portal". A navigation bar includes links for Home, About This Site, CMS Links, How To..., Reference Materials, Contact Us, and Logoff. The main content area is titled "Designee Confirmation" and contains the following text:

The following Designee has been successfully added to the account. The designee will receive an email notifying them that they have been invited to become a designee on the Account and may access the Account information by logging into the WCMSAP Secure Website. If the invited Designee is not currently a registered user, please contact the Designee and provide them with passphrase you created; the passphrase is necessary for them to complete registration.

Designee First Name: FIRST
 Designee Last Name: LAST
 Designee Email: AAAAAAAAAA

At the bottom, there are two buttons: "Return Home" and "Next".

9. Click the **Return to Home** button to go back to the *Home* page, or click **Next** to go to the *Designee Listing* page.
10. If you click **Next**, the Designee Listing page re-displays with the new Designee listed, with the status of "Active."

Delete	Last Name	First Name	E-mail Address	Passphrase	Status
X	LAST	FIRST	AAAAAAAAAAAAA	AAAAAAA	Active
X	LAST	FIRST	AAAAAAAAAAAAA	AAAAAAA	Pending

11. If the entered E-mail address is NOT found in the system, the *Designee Invitation* page displays. Enter the invited Designee’s First Name, Last Name, create a Passphrase, and then click **Next**.

The Passphrase should be a short case-sensitive phrase of your creation.

Enter a word or words up to 30 characters. After you complete the invitation process, contact your Designee and provide them with the Passphrase. They will need to enter it exactly as you did when they follow the link in their invitation E-mail to register for the WCMSAP.

This ensures that only the people you invite will have access to your account. Do not share this Passphrase with anyone else. It will not be sent to the Designee in the invitation E-mail. You must give it to them outside the system.

12. After clicking **Next**, the *Designee Confirmation* page displays, indicating that the invited Designee has been sent an E-mail notifying them that they have been added to this Account ID and must use the token link in that E-mail, in addition to the Passphrase you provide them, to register for the WCMSAP and access this Account ID.

The invitation E-mail will come from cobva@ghimedicare.com. Inform your Designee to allow E-mail deliveries from this address.

- Click the **Return to Home** button to go back to the *Home* page, or click **Next** to go to the *Designee Listing* page.
- If you click **Next**, the Designee Listing page re-displays with the new Designee listed, with the status of "Pending."

Delete	Last Name	First Name	E-mail Address	Passphrase	Status
X	LAST	FIRST	AAAAAAAAAAAAA	AAAAAAA	Active
X	LAST	FIRST	AAAAAAAAAAAAA	AAAAAAA	Pending

Delete a Designee

- On the *Designee Listing* page, click the Delete icon **X** next to the Designee you wish to delete from the account.

Delete	Last Name	First Name	E-mail Address	Passphrase	Status

Delete Designee Confirmation

Please click on the **Continue** button to confirm your delete request for this Account Designee. This will remove the individual from this Account ID only. The Designee will no longer have access to this Account ID but will retain access to any other accounts to which he/she is currently associated.

Click on the **Cancel** button to return to the Designee Listing page without deleting this Account Designee.

Designee First Name: FIRST
 Designee Last Name: LAST
 Designee Email: AAAAAAAAAA

- If you do NOT want to delete the selected Designee, click **Cancel** to return to the *Designee Listing* page, which will show the Account Designee still listed with their status unchanged.
- If you DO want to delete the selected Designee, click **Continue**.
- The system disassociates the Account Designee from the account and re-displays the *Designee Listing* page without the Account Designee who was just deleted. This removes the AD from this Account ID only, but they will retain access to any other Account ID they are currently associated with.

Edit Designee Information

An Account Manager can edit personal information for Designees in “Pending” status. ADs in “Pending” status have not yet registered on the WCMSAP. AMs can only view personal information for Designees in “Active” status.

1. On the *Designee Listing* page, click the last name of the Designee whose information you wish to update.

Delete	Last Name	First Name	E-mail Address	Passphrase	Status
X	LAST	FIRST	AAAAAAAAAAAAA	AAAAAAA	Pending

2. The *Update Designee Information* page displays, with the Designee’s personal information open for editing.

3. Make the necessary changes and click **Next**.
4. The **Designee Listing** page re-displays with the Designee’s personal information updated.

Delete	Last Name	First Name	E-mail Address	Passphrase	Status
X	LAST	FIRST	AAAAAAAAAAAAA	BBBBBBB	Pending

Regenerate Invitation E-mail

When the Account Manager invites a person to be an Account Designee, an E-mail is generated and sent to the intended Designee informing them of the invitation, and includes a token link for them to access the WCMSAP site and self-register as an AD.

If the intended Designee has misplaced or deleted the invitation E-mail, or if the Designee has not registered within 30 days, the Account Manager can regenerate the invitation E-mail, allowing the intended AD to self-register.

The previously-generated token link will not work once a new E-mail is generated. Invitation E-mails can only be regenerated for Designees in Pending status. The E-mail will come from cobva@ghimedicare.com. Inform your Designee to allow E-mail deliveries from this address.

1. On the *Designee Listing* page, click the last name of the preferred Designee.

Delete	Last Name	First Name	E-mail Address	Passphrase	Status
X	LAST	FIRST	AAAAAAAAAAAA	BBBBBBBB	Pending

2. The *Update Designee Information* page displays, with the Designee’s personal information open for editing.

4. The *Designee Listing* page re-displays, with the Designee’s information unchanged. However, the system re-generates the invitation E-mail and sends it to the E-mail Address registered for the Account Designee.

Chapter 9: Account Designee Registration

Account Designees (ADs) are optional users associated with an Account ID, who assist the Account Manager in managing a Corporate or Representative account. As a Designee, you will be able to perform most of the functions on the site, including submitting cases, but will not be able to invite additional users to be associated with the Account ID or company information.

ADs are assigned by the Account Manager. After the AM adds you to an account, the system sends you an invitation E-mail, containing a specific URL. It is necessary for you to use this URL, as it contains a specific token which grants access to the registration site. You will also verbally receive a Passphrase from the Account Manager, which must be entered during the registration process. The token link becomes inactive after 30 days of non-use, so it is imperative to register as soon as possible after receiving the invitation E-mail.

As an Account Designee, you register yourself on the WCMSAP, using the information contained in the system-generated E-mail sent and the Passphrase given to you by the Account Manager. You will only go through this process once, as you need only one Login ID no matter how many account IDs you will ultimately work with.

To successfully register yourself as an Account Designee, follow the steps outlined below.

1. Click on the token URL provided in the invitation E-mail sent by the COBC. The E-mail will come from cobva@ghimedicare.com. You must allow E-mail deliveries from this address.
2. The *Login Warning* page displays, detailing the Data Use Agreement (DUA).

Chapter 10: Create a New Case

Case Creation Overview

Use the case creation process to input Workers' Compensation Medicare Set-Aside case information and all relevant documentation. Before you begin, read this chapter in its entirety and gather all required information.

Once a case has been created, neither the SSN nor HICN can be changed within the case. If the SSN and/or HICN are incorrect, the case must be:

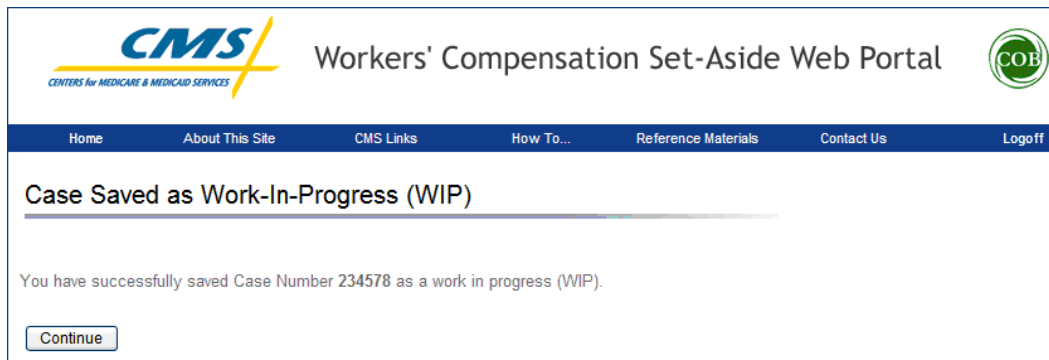

- Canceled if it has not been saved as a **Work-In-Progress**,
- Deleted if it has been saved as a **Work-In-Progress**, **OR**
- Closed and re-created with the correct HICN or SSN if the case was submitted.
Contact the EDI Department to close a submitted case.

See the following sections for more information on removing cases.

All files being added to a case must be in PDF format, can be no larger than 40 MB total for all files being attached (up to 3 files), and must be virus-free.

Ensure that all files related to a case have been converted to that format, and do not exceed size limits. This is especially important for medical records. You may have to separate medical records into multiple files to meet size limitations. All PDF files that meet the noted criteria can be added to a case.

You do not have to complete the case creation process immediately. You can save the entered information at any time after the initial case creation page by clicking the **Save Work-In-Progress** button that displays at the bottom of most pages. If you do so, the case is saved and the *Work-In-Progress* page displays:

You can return to the WCMSAP at a later time and finish creating the case, then submit the case, by using the case lookup process and utilizing the case number provided on the *Work-In-Progress* page. See the next chapter for more information on the case lookup process.

If you click the **Cancel Case Creation** button, the case will NOT be saved. Cancelling the case deletes any entered information from the WCMSAP; you must start the case creation process from the beginning for that case.

Take the following steps to successfully create a new case.

From the *Home* page, click the **Create a New Case** link in the “I’d Like To...” box. The *New Case Creation* page displays.

New Case Creation

Use the *New Case Creation* page to enter information for the beneficiary or claimant, and to verify that the case meets all new case requirements. Fields marked with an asterisk (*) are required.

For Account Designees: The system will first require you to select the desired WCMSAP account from the *Account Listing* page prior to creating a new case.

If any of the following conditions are found, a case can NOT be created for this beneficiary or claimant:

- **The proposed settlement amount is less than or equal to \$25,000 for beneficiaries**
- **The proposed settlement amount is less than or equal to \$250,000 for non-beneficiaries**
- **The case already exists in the system (use Case Lookup to work the case)**

You must add at least one diagnosis code to the case, and a maximum of 5 diagnosis codes. **The primary diagnosis code must be added first.**

The screenshot shows the 'Workers' Compensation Set-Aside Web Portal' interface. At the top, there is a navigation bar with links: Home, About This Site, CMS Links, How To..., Reference Materials, Contact Us, and Logoff. Below this is the 'Case Information' section with several tabs: Beneficiary/Claimant *, Diagnosis Codes *, WC Carrier *, Employer *, Attorney, Notes, Documents *, and Summary. The 'Diagnosis Codes' tab is selected. The page contains instructions on how to search for and add diagnosis codes. A search field with a magnifying glass icon is present. Below the instructions, there is a text input field labeled 'Diagnosis Code:', an 'Add Diagnosis Code' button, and a 'Clear' button. At the bottom of the page, there are buttons for 'Previous', 'Next', 'Save Work-In-Progress', 'Case Summary', and 'Cancel Case Creation'.

If you do not know the exact code, you can search for it by clicking the Magnifying Glass icon  next to Diagnosis Code Search at the top of the page. The *Diagnosis Codes Search* page displays.

Diagnosis Codes Search

Search for codes by entering either a partial diagnosis code in the **Diagnosis Code** text box, or by entering descriptive keywords in the **Diagnosis Keywords** text box. Enter at least three characters in either field. You cannot search by both fields simultaneously.

Click the **Search** icon next to the field you use to find all diagnose codes that include the text or numbers entered. Click the **Clear** button next to either field to remove any value you have entered in that box.

Attach Documentation

Document Category: 10 - Consent Form

Please type in the file name or click browse to find the file.
The file must be in .PDF format and the size limit is 40 MB (megabyte) per file for attachments.

Note If you wish to attach multiple files with the same name, please attach them one at a time to ensure all files are attached properly. The system expects single PDF files. Please do not upload files in PDF Portfolio format. A PDF Portfolio contains multiple files assembled into an integrated PDF unit.

Note: Once documents are added to a case, the contents of that document can NOT be viewed. Review the document on your system prior to uploading to ensure its accuracy.

To attach a document, enter the file name and path in the text box, or use the **Browse** button next to the text box to search your system for the desired document. Medical records must be separated into files that contain 100 or fewer pages. If a beneficiary or claimant's medical records contain more than 100 pages, create separate files before attaching the records.

To attach the selected file, click the **Attach Files** button. This uploads the document to the *Case Documents* page. The file name and date the file was uploaded displays under the appropriate document category.

Successful Case Submission

You have successfully submitted Case Number 234576.

You can return to the WCMSAP at a later time and work on the submitted case by using the case lookup process (described in the next chapter) and utilizing the case number provided on the *Successful Case Submission* page.

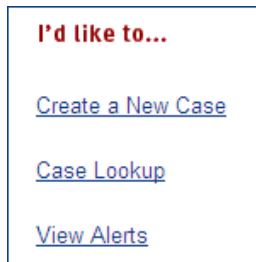

Chapter 11: Manage Existing Cases

Users of the WCMSAP can access and make changes to cases under their assigned Account ID(s). Account Managers have access to all associated cases, while Account Designees' case access is controlled by the AM. Use the case lookup process to perform the following functions:

- Search for Work-In-Progress and Submitted cases
- View case information
- View case status
- Grant or revoke Account Designee access to specific cases (AM function only)
- Add additional documents to a case
- Delete documents from Work-In-Progress cases
- Replace co-mingled documents on submitted cases

Follow the steps detailed below to manage existing cases:

From the *Home* page, click the **Case Lookup** link in the “I’d Like To...” box. The *Case Lookup* page displays.

Case Lookup

Use this page to specify which cases to display. **For Account Designees:** You must select an Account ID first, if you are assigned to more than one WCMSAP account.

Use the fields on the page to narrow search results.

- Select the **All Cases** radio button to view submitted and Work-In-Progress cases assigned to you.
- Select the **Submitted Cases Only** radio button to view submitted cases assigned to you.
- Select the **WIP Cases Only** radio button to view Work-In-Progress cases assigned to you.

The remaining fields are all optional.

Below the tabs, the 'Case Documents' section is titled. It contains instructions on how to add and delete documentation. A list of documents is shown under the category '05 - Submitter Letter or Other Summary Documents'. The first document is 'Submitter Letter.pdf' with a date of '2010-01-20' and a 'Replace' link. There is also an 'Add Files' link with a paperclip icon. On the right side, there is a 'QUICK HELP' button and a 'Help About This Page' link.

This displays the *Attach Documentation* page.

The screenshot shows the 'Attach Documentation' page in the WCMSAP system. The page is titled 'Attach Documentation: 05 - Submitter Letter or Other Summary Documents'. It includes a text box for the file name, a 'Browse...' button, and a 'Please add any applicable notes:' section with a text area. The page also features the CMS logo and navigation links at the top.

To replace a document, enter a new file name and path in the text box, or use the **Browse** button next to the text box to search your system for the desired document. Medical records must be separated into files that contain 100 or fewer pages. If a beneficiary or claimant's medical records contain more than 100 pages, create separate files before attaching the records.

Before attaching the file, you can enter a note detailing what file was replaced and the reason for the replacement. All notes will display on the *Case Notes* page.

To attach the selected file, click the **Attach Files** button. This uploads the document to the *Case Documents* page. The file name and date the file was uploaded displays under the appropriate document category.

The new file name will appear under the proper document category, replacing the previous file name. The **Replace** link will still display to the right of the file name.

Delete Files

To delete a document, click the **Delete** link that appears to the right of the file name. This permanently removes the document from the WCMSAP. You can only delete documents from new and WIP cases, and documents that have been added but not yet saved to an existing case. You cannot delete files that were previously saved to existing cases.

Submit a Work-In-Progress Case

Once all case information is complete and you are ready to submit a Work-In-Progress case, click the **Submit Case** button at the bottom of the page. (This button only displays for cases in WIP status.) The *Successful Case Submission* page displays.

You can return to the WCMSAP at a later time and work on the submitted case by using the case lookup process, and utilizing the case number provided on the *Successful Case Submission* page.

Manage Case Access

Account Managers for Corporate and Representative accounts can use this page to grant or revoke Account Designees' access to specific cases under an Account ID. After clicking the **Manage Access** link on the *Case Listing* page, or the **Manage Access** button on the *Case Summary* page, the following page displays:

Case Information
 Case Number: 123456
 First Name: FIRST
 Last Name: LAST
 Date of Injury: #####
 Case Status: Submitted
 Case Location: WCRC
 HICN: *****A
 SSN: ### ## ####

Designee associations for the case:
 You may select a designee by checking the checkbox next to their name. To select all Designees, click the Select All checkbox.

Designee Name	Grant/Revoke Access
FIRST LAST	<input checked="" type="checkbox"/>
FIRST LAST	<input checked="" type="checkbox"/>
FIRST LAST	<input type="checkbox"/>
	<input type="checkbox"/> Select All

The *Manage Case Access* page lists all ADs assigned to the Account ID. If the AD currently has access to the selected case, the checkbox will be checked. If the AD does not currently have access to the case, the checkbox will be empty.

To revoke AD access to a case, remove the check. To grant access, place a check in the box. Place a check in the **Select All** box to grant access to all ADs. Check the box again to revoke access from all ADs. After all changes are complete, click the **Continue** button. The *Case Access Confirmation* page displays, listing only the ADs with access granted to the case.

The following Designees have access to the case:

Click the **Case Listing** button to return to the *Case Listing* page.

Chapter 12: View Alerts

After cases have been submitted, the WCRC reviews each case for completeness and accuracy. If errors have been found in a submitted case, the WCRC sends an alert E-mail to the E-mail address provided during account setup. The alert E-mail will contain the case number and the type of error found. Use the Alerts section of the WCMSAP to view the alert or, in most instances, the letter issued by the COBC. Most alerts are informational; however, some require action on the case. Read the alert and respond if necessary. Take the following steps to view alerts.

From the *Home* page, click the **View Alerts** link in the “I’d Like To...” box. The *Alert Lookup* page displays.

RE: Workers' Compensation Medicare Set-aside Arrangement

Claimant: First Last

HICN: #####

SSN: #####

Date of Injury: Unknown

CMS Case Control Number: #####

Dear First Last

This letter is in response to your initial proposal submitted on Unknown for a Workers' Compensation Medicare Set-aside Arrangement (WCMSA) on behalf of the above named individual.

You proposed that a WCMSA in the amount of 25,000.00 be available for the purpose of paying future medical services related to the work injury or disease that would otherwise be reimbursable by Medicare. We have evaluated your proposal to protect Medicare's interests with a WCMSA for future medical expenses related to John Doe adequately considers Medicare's interests. The WCMSA funds must be placed in an interest bearing account. Funds must be available for payment of services that would otherwise be covered by Medicare per the following payment schedule.

Chapter 14: Troubleshooting

Replace Account Representative

Use the **Edit** button on the *Update Corporate Information* page, as accessed from the “Account Settings” box on the *Home* page. See Chapter 7 for more information.

Replace Account Manager

If an Account Manager must be replaced for Corporate accounts, the Account Representative must contact the COBC EDI Department and request replacement. AMs cannot be replaced using the WCMSAP site.

Unsuccessful Account Registration

Previously Used EIN

During initial registration, an error message will display on the *Corporate Information* page if you enter an EIN that has already successfully completed the registration process for Corporate account types. Change the EIN entered and continue the registration process.

Previously Used SSN

During initial registration, an error message will display on the *Representative Information or Beneficiary/Claimant Information* page if you enter an SSN that has already successfully completed the registration process for Representative or Self account types. If you have incorrectly entered your SSN on this page, change the SSN entered and continue the registration process.

Registration Denied

During initial registration, an error message will display if a beneficiary entered for Representative or Self account types is not found in the database. Registration cannot be completed for this beneficiary.

Unsuccessful Account Setup

Account PIN Error

The Personal Identification Number (PIN) for the Account ID will be sent to you (for Representative or Self accounts) or the Account Representative (for Corporate accounts), after the New Registration step has been completed. If, during Account Setup, the Account Manager receives an Invalid Account ID/PIN Combination error message, check the numbers on the mailing received.

An Account ID should always contain nine digits and a PIN should have four digits. If your numbers are shorter, add leading zeros to make them the proper length. You have three tries to enter the PIN correctly before the account is locked. Contact a COBC EDI representative to confirm the Account ID/PIN combination or to unlock the PIN.

Account ID Already Registered

During Account Setup, an error message will display on the *Account Setup* page if you enter an Account ID and PIN that has already successfully completed the setup process. The message will indicate that the account is already setup. Because the account is already setup, you cannot self-register as the Account Manager for the Account ID, or repeat the Account Setup process. There can be only one Account Manager for each Account ID.

If you had previously completed Account Setup for the Account ID and registered as the Account Manager, go back to the *Welcome* page and enter your Login ID and Password to sign in to the WCMSAP site. If you are not the Account Manager, contact the existing Account Manager to add you as an Account Designee if you need access to the system.

Account Manager and Account Representative E-mail Addresses Match

An error message will display if, during Account Setup and Account Manager self-registration, it is found that your E-mail address (as the AM) matches the E-mail address of any Account Representative recorded in the system. Account Representatives can NOT be users of the WCMSAP site for any Account ID. Click **Next** on the error message to be returned to the *Welcome* page. If the wrong individual was named as the Account Representative in the New Registration step, contact a COBC EDI representative to make the necessary correction.

Unsuccessful Account Designee Invitation

Account Designee E-mail Address Matches Account Representative or Account Manager E-mail Address

An error message will display if, while an Account Manager is adding an Account Designee to an Account ID, it is found that the Designee's E-mail address matches the E-mail address of any Account Representative or Account Manager recorded in the system. Account Representatives can NOT be users of the WCMSAP site for any Account ID, and Account Managers cannot also be Designees. Click **Next** on the error message to be returned to the *Welcome* page.

Account Designee E-mail Address Matches Account Designee Already Associated with the Account

An error message will display if, while an Account Manager is adding an Account Designee to an Account ID, it is found that the Designee's E-mail address matches the E-mail address of an Account Designee already assigned to the same Account ID. Return to the *Designee Listing* page to manage the AD's case access.

Unsuccessful Account Designee Registration

Incorrect Passphrase

The Passphrase must be provided to you (the AD) by the Account Manager, outside the system. It will not be included in the invitation E-mail. The Account Manager's name is contained in the invitation E-mail and can also be found on the registration page where the error is received. Contact your Account Manager to obtain the Passphrase.

If your Account Manager does not remember the Passphrase, they can log into the WCMSAP site and create another Passphrase by accessing the *Designee Maintenance* page and selecting the details

associated with your last name. They can then provide the correct Passphrase to you. The Passphrase is case-sensitive.

Unsuccessful Login

Invalid Login ID

Refer to Chapter 5.

Inactive Login ID

If you receive this error message at login, your access to the WCMSAP site has been deactivated due to inactivity in the last 180 days. Contact a COBC EDI representative to reactivate your Login ID and create a new Password.

Revoked Login ID

If you receive this error message at login, you can no longer access the WCMSAP site.

Invalid Password

Refer to Chapter 5.

Expired Password

Refer to Chapter 7.

Deleted Account

If you receive this error message at login, your account's Account ID has been deleted. It has been deleted because a signed Profile Report has not yet been received by the COBC and 61 business days have elapsed from the date the Profile Report was sent. Your account must go through the Registration and Setup processes again to gain access to the WCMSAP site.

Case Creation Errors

Duplicate Case Exists

If you receive this error message, the system has found that a duplicate case already exists, and you will not be allowed to create a new case for this beneficiary or claimant.

Case Under Threshold

If you receive this error message, the proposed settlement amount is under threshold for the case (threshold amounts must be greater than \$25,000 for beneficiaries or greater than \$250,000 for non-beneficiaries), and you will not be allowed to create a new case.

Case Submission Errors

Invalid Diagnosis Code

If you receive this error message, the diagnosis code you entered on the *Diagnosis Codes* page does not exist in the database. Use the *Diagnosis Code Search* page to retrieve the proper code.

Incomplete Case Information

This message is displayed on the *Case Summary* page, if required sections of a newly created case are incomplete. Any required fields that are missing or incomplete are highlighted in red and flagged with an asterisk (*). Return to the incomplete/incorrect sections and make corrections.

**For any additional problems, contact the COBC EDI Department at 646-458-6740
or by E-mail at COBVA@GHIMedicare.com.**

***** Registration Notification *****

Your registration request has been successfully verified for the Workers' Compensation Medicare Set-Aside Portal. Through the WCMSAP, you will be able to submit cases, append new documentation to a case, perform case lookups and view any alerts associated with a case(s).

To begin using the WCMSAP, you must first complete the account setup process. As a part of this process an account manager must be specified. The Account Manager should go to the WCMSAP Web site at www.WCMSAP.cms.hhs.gov, select the "Account Setup" button and follow the instructions presented on the screen. Depending on the account type that was specified during registration, note the following when selecting an Account Manager:

- **Corporate Account**
The Account Manager cannot be the same individual that was specified as the Account Representative. In addition to processing cases, the Account Manager will have the ability to designate Account Designees.
- **Representative Account**
The Account Manager will have the ability to process cases and to designate a limited number of Account Designees.
- **Self Account**
Under a Self account, the registering individual will be the Account Manager. No Account Designees may be added.

Next Steps:

To complete the account setup, your designated Account Manager should be selected and provided with your WCMSAP Account ID and Personal Identification (PIN).

SAFEGUARDING & LIMITING ACCESS TO DATA

I, the undersigned Account Representative for the WCMSA corporate account defined above, certify that the information contained in this Registration is true, accurate, and complete to the best of my knowledge and belief, and I authorize CMS to verify this information. I agree to establish and implement proper safeguards against unauthorized use and disclosure of the data for the purposes of WCMSA proposal(s) review and processing. Proper safeguards shall include the adoption of policies and procedures to ensure that the data obtained shall be used solely in accordance with Section 1106 of the Social Security Act [42 U.S.C. § 1306], Section 1874(b) of the Social Security Act [42 U.S.C. § 1395k(b)], Section 1862(b) of the Social Security Act [42 U.S.C. § 1395y(b)], and the Privacy Act of 1974, as amended [5 U.S.C. § 552a]. The WCMSA Account Representative shall establish appropriate administrative, technical, procedural, and physical safeguards to protect the confidentiality of the data and to prevent unauthorized access to the data provided by the CMS. I agree that the authorized representatives of the CMS shall be granted access to premises where the Medicare data are kept for the purpose of inspecting security arrangements and confirming whether the WCMSA submitter is in compliance with the security requirements specified above. Access to any records created by the WCMSA process shall be restricted to authorized CMS and WCMSA submitter employees, agents and officials who require access to 1) perform their official duties in accordance with the approved uses of the information; (2) to respond to authorized for law enforcement investigations, or (3) to respond to any required legal process. Such personnel shall be advised of (1) the confidential nature of the information, (2) safeguards required to protect the information, and (3) the administrative, civil and criminal penalties for noncompliance contained in applicable Federal laws.

Dear Sir or Madam:

The Centers for Medicare & Medicaid Services (CMS) has received your correspondence regarding the proposed workers' compensation (WC) settlement. If the referenced Health Insurance Claim Number (HICN) is incorrect, you must provide CMS with the correct HICN within 10 business days of the date of this letter.

The CMS will only review new Workers' Compensation Medicare Set-aside Arrangement (WCMSA) proposals for Medicare beneficiaries when the total settlement amount is greater than \$25,000.00. CMS does not issue "verification" letters confirming that approval of a Workers' Compensation Medicare Set-aside Arrangement is unnecessary when the WC settlement is \$25,000.00 or less. The CMS wishes to stress that this is a CMS workload management tool and not a substantive dollar or "safe harbor" threshold. Therefore, due to resource constraints, CMS is not providing a review of this case because the facts represented do not meet the above thresholds. However, Medicare beneficiaries must still consider Medicare's interest in all WC cases and ensure that Medicare is secondary to WC in such cases.

For additional information and links to CMS memoranda and frequently asked questions documents, please visit the Medicare Coordination of Benefits, Workers' Compensation website at: <http://www.cms.hhs.gov/WorkersCompAgencyServices/>

Please note that decisions regarding future medical treatment and/or future prescription drug expenses are independent of any determination regarding Medicare Secondary Payer recovery rights. Medicare has both a direct recovery right and a subrogated right to recover Medicare payments related to any workers' compensation (WC) settlement, judgment, award, or other recovery. Any payments Medicare may have made that are related to the WC settlement, judgment, award, or other recovery must be repaid.

If you have further questions, please contact «RO ContactName» at «RO ContactNum».

Sincerely,

Gerald Walters

CMS Case Control Number:	«CaseNo»

The Centers for Medicare & Medicaid Services (CMS) has received your correspondence regarding the proposed workers' compensation (WC) settlement that includes future medical benefits for the above-referenced claimant. If the referenced Social Security Number (SSN) is incorrect, you must provide CMS with the correct SSN or a Health Insurance Claim Number within 10 calendar days of the date of this letter.

CMS does not issue "verification" letters confirming that approval of a Workers' Compensation Medicare Set-aside Arrangement is unnecessary when a WC settlement is \$250,000 or less and the injured individual does not have a reasonable expectation of becoming a Medicare beneficiary within 30 months of the settlement date, as represented by the facts in this case. Please refer to the following CMS memorandums for additional information.

Medicare Secondary Payer -- WC Additional Frequently Asked Questions dated May 23, 2003, http://www.cms.hhs.gov/medicare/cob/pdf/wc_faqs2.pdf

CMS will honor threshold levels that are in effect as of the date of the WC settlement. Due to resource constraints, CMS is not providing a review of this case since the facts represented do not meet the thresholds stated in the frequently asked questions documents.

CMS Case Control Number: «CaseNo»

The CMS has received your request to review a proposed Workers' Compensation Medicare Set-aside Arrangement (WCMSA) for the claimant listed above. Please note that the items indicated on the enclosure are missing from the above-referenced case and a review of the proposed WCMSA cannot be completed without this information. The requested information must include the CMS Case Control Number listed above and be appended to the case according to the information provided on the enclosure no later than 10 business days from the date of this letter.

Failure to provide the information requested may result in closing your case as CMS will not have sufficient information to review the WCMSA proposal. As a result, Medicare may exclude its payments for medical expenses related to the injury(ies) and/or illness(es)/disease(s), until such time as workers' compensation settlement funds expended for services otherwise reimbursable by Medicare exhaust the entire settlement.

When all requested information is received, CMS will then review the proposed WCMSA and send a response to the appropriate parties with regard to the findings of the review.

Questions regarding this correspondence may be directed to «RoName» at «RoPhone».

Sincerely,

Note – If this case was submitted using the Worker's Compensation Set-Aside Web Portal, the final settlement document must be attached and submitted to the case using the Web Portal. See the Case Documents section '25 - Proposed/Final Settlement Agreement or Court Order' on the Web Portal case.

«Para2»

Once the funds in the WCMSA account have been exhausted and Medicare has been provided with information to document that payments from the account were appropriate, Medicare will begin paying for the beneficiary's Medicare-covered services that are related to the work injury or disease. The beneficiary's Medicare-covered expenses that are not related to the work injury or disease are not affected by the WCMSA and will be reimbursed by Medicare unless another entity under 42 U.S.C. Section 1395y(b) is responsible for primary payment of such expenses.

Funds in a WCMSA may not be used to purchase a Medicare supplemental insurance policy or a Medigap policy for a beneficiary, or to pay for the premiums for such policies.

Dear Sir or Madam:

This letter is in response to your initial proposal for a Workers' Compensation Medicare Set-aside Arrangement (WCMSA) received on behalf of the above named individual on «SubDate».

You proposed that no WCMSA be established for the purpose of paying future medical services and future prescription drug expenses related to the work injury or illness that would otherwise be reimbursable by Medicare.

We have evaluated your proposal along with the supporting medical documentation you submitted and have determined that Medicare's interests have been adequately considered. **Therefore, no WCMSA is deemed necessary in this case.**

Please note that decisions regarding future medical treatment and/or future prescription drug expenses are independent of any determination regarding Medicare Secondary Payer recovery rights. Medicare has both a direct recovery right and a subrogated right to recover Medicare payments related to any workers' compensation (WC) settlement, judgment, award, or other recovery. Any payments Medicare may have made that are related to the WC settlement, judgment, award, or other recovery must be repaid.

For your information in the future, the Coordination of Benefits Contractor (COBC) should be notified of workers' compensation cases involving current Medicare beneficiaries as soon as you become aware of the situation. Please call the COBC at 1-800-999-1118 to report these cases and to obtain information on the coordination of any past claims for Medicare beneficiaries.

Please provide CMS with a copy of the workers' compensation agreement once a final settlement is reached. **This decision regarding the WCMSA is not effective until CMS receives a copy of the final settlement.** The document should be mailed to the following address:
