Modèle n°: MID70

Alimentation: 12V  1500mA 

DC 12V  cigarette lighter adapter

WARNING

**RISK OF EXPLOSION
DO NOT OPEN**

Rechargeable lithium battery pack

Output:  7.4V

Storage temperature: 0°C-40°C

Storage humidity: 45%-85%

WARNING

1. May explode if battery is incorrectly replaced or disposed in fire or water.
2. Do not short-circuit.
3. Danger of explosion if battery is incorrectly replaced.
Replace only with the same or equivalent type.
4. Do not place the battery pack under direct sunlight or in excessively hot places (over 40°C/104°F) such as the dashboard of cars.
5. Only use with the specific power adaptor by manufacturer
6. Do not strongly impact or press the battery.

CAUTION: TO PREVENT ELECTRIC SHOCK, DO NOT REMOVE COVERS.

NO USER-SERVICEABLE PARTS INSIDE. REFER SERVICING TO QUALIFIED SERVICE PERSONNEL.

CAUTION: Do not leave the tablet in a closed car on a sunny day, exposed to direct sunlight or near any source of heat (Otherwise the surface of the tablet may warp, change colour or be damaged.) When the tablet is used for a long period, the surface may be hot; this is not a malfunction, however, do not obstruct the vent opening as they are necessary for temperature regulation.
