Potassium Iodide Program:

South Eastern School District participates in the Pennsylvania Department of Health Potassium Iodide (KI) program. Should a radiation emergency occur, the media would broadcast official recommendations to the public for protective actions including the possible use of KI. Distribution through the school system is being given high priority for the reason that children are much more sensitive to the ill effects of radioactive iodine than are adults. **KI should NOT be taken by anyone who is allergic to iodine.** A KI fact sheet is included in the Student Handbook or by contacting the Pennsylvania Department of Health at 1-877-PA-HEALTH or visiting the website at www.health.state.pa.us.

****Please place a check beside one of the following:**

` ___**YES,** I **DO** want my child to be given potassium iodide, when instructed by public health officials, in the event of a radioactive emergency during school hours.

South Eastern School District will make a reasonable attempt at supervising students taking the KI tablet, and will not be held liable for any adverse reactions to the KI tablet. I release the South Eastern School District, its administrators, employees, faculty, and staff from the voluntary participation of my child in the KI distribution effort.

___**NO,** I **DO NOT** want my child to be given potassium iodide, when instructed by public heath officials, in the event of a radioactive emergency during school hours.

PLEASE NOTE: The best protective action in a radiation emergency is evacuation.

Standing Order Medications:

School personnel have my permission to use the first aid supplies listed in the student handbook and the non-prescription medications listed below to treat my child as needed.

****Please check the items below that health room staff may give to your child during the school day.**

___ Antacid (liquid or tablet)*___ Generic Tylenol* ___ Cough Drops ___ Generic Advil/Motrin*

_____ Generic Zyrtec* (to treat allergy symptoms)

***All non-prescription medications listed above will be administered by (appropriate) weight or age.**

School personnel have my permission to transport or to make arrangements for transportation of my child to emergency medical care in the event that the persons listed cannot be contacted.

Sapphire - Parent Welcome Letter

The South Eastern School District implemented a new Student Information System called Sapphire in 2014-2015. This is a real-time integrated system that shares data between departments. Parents will be able to use one account to see attendance, schedules, grades, announcements and student information for all their children. We are able to provide you with more information and work toward becoming more paperless. Registration is easy and instructions are listed below:

If you registered last year, your account information and passwords stay the same and you will not need to register again.

Step 1: Prepare
You must have an email account in order to create an account. If you do not have an email account, there are many free email sites such as mail.yahoo.com and mail.google.com.

You will need to data enter the grades and birth dates of your children so they will be linked under one account.
