The perfect travelling companion

The Pocket PC e310 is so thin and light you can take it with you 24 hours a day, which means you'll stay on top of life in the office, on the road and at home.

Say goodbye to paper planners, diaries and address books, bulging briefcases and bags. The Pocket PC e310 measures a super-thin 125 x 80 x 12.4 mm and weighs only 140 g, so it slips into a shirt or jacket pocket for easy carrying all day long. Yet it contains everything you need to keep your life on track – from scheduler to note-taker, word processing to spreadsheets, e-mail to Internet access, plus a host of other functions.

To make you more independent, the advanced lithium-ion battery delivers up to 10 hours of continuous run-time and up to 72 hours on standby without the need to recharge. Special back-up settings mean you'll never lose information. And because life on the road can sometimes be tough, the Pocket PC e310 is durable enough to stand up to anything.

First choice for personal entertainment

Everybody knows there's more to life than work, so expect the multi-talented Pocket PC e310 to keep you entertained too.

The Pocket PC e310 is not just about staying organised and on track: it's also a brilliant micro-sized mobile multimedia entertainment system. The built-in MP3 audio player lets you enjoy your favourite music chosen from your own digital library. Alternatively, watch movies and video clips in power-saving mode.

Into gaming? Just download games from the net for hours of entertainment. Enjoy reading? Then pop an eBook into the SD™ slot. And you'll never be out of touch no matter where you go; use a Bluetooth™ SD™ card and suitable mobile phone to catch up on the latest news via the web.

You'll also find an integral microphone, speakers and digital voice memo function for recording notes or spur-of-the-moment ideas wherever and whenever they occur.

Expands to fit. Get connected wirelessly.

With SD™ expansion, the Pocket PC e310 transforms into anything you want it to be. Instantly add content, extra storage, data back-up solutions, games or wireless connectivity.

It may be small but the Pocket PC e310 easily expands to fit your lifestyle – and the built-in Secure Digital™ (SD) slot is the key to customising it to suit your needs. Insert the postage stamp-sized SD™ card to increase the standard on-board memory of 32 MB to up to 288 MB to accommodate standard 256 MB SD™ cards, and turn your Pocket PC e310 into a video player, MP3 jukebox, eBook library, mini games console or digital photo album. The card is also a convenient, fail-safe way to transfer large amounts of data.

Slot in an optional Bluetooth™ SD™ card for cable-free connection to a mobile phone and the Internet – no wires to hold you back. Check your personal and business e-mail wirelessly, access your favourite

websites or go online shopping wherever you are. Integrated InfraRed means you can also beam files, applications or messages directly to other infrared-enabled devices.

Designed for life.

Choose the Pocket PC e310 and you're opting for stunning design flair, outstanding ease-of-use and ultimate build quality.

Toshiba's new-generation Pocket PC e310 features a great design. Its sleek wafer-thin silver casing is a pleasure to look at and hold, while the latest ergonomic design features make it incredibly easy to carry and use in the palm of your hand. Operation is via 5 simple buttons, plus the large 3.5" touch sensitive screen for direct data input and access to applications. The high-resolution 240 x 320 pixel TFT colour display with impressive back-lighting ensures beautifully sharp images that are ultra-clear and easy to see in all light levels. Games, graphics and photos have never looked so good in any environment.

The inside features state-of-the-art mobile computing technology in miniaturised form. The high-performance 206 MHz Intel® StrongARM™ processor and 32 MB of RAM offer blazing power and speed to support all Microsoft® Pocket PC 2002 applications. Above all, you get proven Toshiba build quality. So you can run your life knowing it's in reliable hands.
