

FLAVVLESS STYLE MEETS SONIC PERFECTION

LG TONE PRO[™] Bluetooth[®] Wireless Stereo Headset

Experience the perfect blend of true comfort and exceptional sound with the LG TONE PRO *Bluetooth* Stereo Headset.

The TONE PRO was designed for people who desire seamless transition between all aspects of their lives, whether they're at the office, on their commute, or simply working out. This stylish headset is compatible with any *Bluetooth*-capable device and delivers unmatched style, near effortless ease of use, and impressive audio quality.

The TONE PRO now features call and play/pause buttons on top of the headset for more intuitive access to key functions, and jog buttons that provide simple, one-touch volume and music control. Quad-Layer Speaker Technology™, HD voice capability, and a MEMS microphone provide an extraordinary sonic experience with crystal-clear voice interactions. Plus, the TONE PRO still fits comfortably around your neck in the classic style popularized by the LG TONE™ line of headsets.

Innovative style, immersive sound, intuitive use: enjoy the perfect fit with the TONE PRO.

LG Toned Sound[™]Ω

Tune in to LG TONE's rich and balanced sound (robust bass, crisp treble).

Lightweight, Around-the-Neck Design

Jog Buttons

Easy-Access Call and Play/Pause Buttons

Key Features

CALL AND PLAY/PAUSE CONTROLS

Now located on the top of the headset, these chrome buttons are stylish and functional, providing quick and intuitive control of primary headset functions.

JOG BUTTONS

These simple, fluid volume and music controls replace traditional volume up/down and fast forward/rewind buttons.

QUAD-LAYER SPEAKER TECHNOLOGY

Enjoy robust bass, crisp treble, clearer voice, and less high-frequency distortion with the multi-layer speaker.

MEMS MICROPHONE

Expect high-quality sound and exceptional voice clarity with the digital MEMS microphone.

Check with your carrier for availability and exclusive color options.
