Dimensions

52×7×7mm (2.05"×0.28"×0.28")

Weight

4.7grams (0.17oz)

Accessories

Key chain

Usage

There are three ways to ensure a louder and more consistent sound:

1. Evenly position lips over the air intake, ensuring an airtight seal.
2. Hold the whistle firmly and horizontal to the ground.
3. Deeply inhale and exhale forcefully.

NWS10 User Manual

Maintenance

The NWS10 is constructed from polished titanium alloy which is nonallergenic, corrosion resistant and biocompatible, making it nontoxic to humans. A regular inspection is required and the whistle should be cleaned with water or diluted vinegar if there is a visible build-up of debris which can affect sound quality.

Warnings:

1. Ensure when using the NWS10, the sound is directed away from nearby people or animals.
2. Do not chew or bite the whistle
3. Keep away from children and high temperatures

Warranty Service

All NITECORE® products are warranted for quality. DOA / defective products can be exchanged for replacement though a local distributor/dealer within the 14 days of purchase. After 14 days, all defective / malfunctioning NITECORE® products will be repaired free of charge for a period of 18 months from the date of purchase. After 18 months, a limited warranty applies, covering the cost of labor and maintenance, but not the cost of accessories or replacement parts. The warranty is nullified in all of the following situations:

1. The product(s) is/are broken down, reconstructed and/or modified by unauthorized parties.
2. The product(s) is/are damaged through improper use.

For the latest information on NITECORE® products and services, please contact your national NITECORE® distributor or send an email to service@nitecore.com

The Nitecore official website shall prevail in case of any product data changes.
