TENDER FOR EMPANELMENT OF VENDORS TO SUPPLY, TESTING AND INSTALLATION OF MINI NOTEBOOK, DESKTOP & WORKSTATION SYSTEMS AND RELATED OPTIONAL ITEMS.

1. OBJECTIVE / SCOPE

5.5.2 Online Bids, valid for a period of 120 days from the date of opening, are invited from eligible bidders for empanelment of vendors to supply, install & maintain the desktop, workstation systems & mini notebook and related optional items as per Configurations given at Annexure-I to VII. During last financial year 2009-10 NICSI/NIC procured approximately 5000 Desktop Systems, 200 Workstations and expecting this year to increase the procurement at least by 20%. The approximate projected purchase for mini Notebooks could be 500. This is just a projection. The purchase may vary as per projects requirements.

NICSI would like to have a panel of bidders to cater it users & own requirement. The empanelment will be for an initial period of one year which can be extended for another one year with mutual consent. The empanelled vendors will supply the mini notebook, desktop & workstation systems at the rates finalized through this tender during the period of empanelment/extended empanelment except for revision in rates as per provisions of clause 5.11.1 of the tender.

Earnest Money Deposit as per clause 5.2.3 is to be submitted through demand draft. However, the bidder shall quote for all the corresponding optional items, otherwise the bid will be rejected.

2. Availability of Tender

On-Line bidding through NICSI E-Procurement System.

The tender document is available at NICSI e-procurement site <http://eproc-nicsi.nic.in>

Prospective bidders desirous of participating in this tender may view and download the tender document free of cost from above mentioned website. However bidders need to submit the tender fee of Rs. 500/- (Rupees Five hundred only) through demand draft / pay order from a schedule commercial bank drawn in favour of National Informatics Centre Services Incorporation New Delhi along with the bid.

The turnover refers to a company and not the composite turnover of its subsidiaries/sister concerns etc. Bidders must submit copy of audited balance sheet as proof of turnover, highlighting the turnover part.

4.4 The bidder must have country wide infrastructure support in the form of direct service centres or franchises or OEM service centers in at least 22 states/UTs including three north eastern states. The bidders must submit details of their infrastructure with reference to locations along with contact details and technical manpower, availability of inventory of spares etc and also indicate their business model for providing warranty and after sales support in the format given in Annexure –A (Bidder's Profile). For the aforementioned, in absence of agreement/undertaking document for service support in case of support through franchises, bidders bid may be rejected straightway. NICS I reserves the right to disqualify the Bidder based on its past maintenance performance as experienced by NIC/NICS I, during the last three consecutive years. NICS I may also disqualify those bidders, who have not honored NICS I previous desktop system empanelment or have not executed purchase orders placed on bidders on basis of previous empanelment. In case it was found that NICS I / NIC has cancelled more than five purchase orders in year placed on bidder based on previous desktop empanelment of NICS I/NIC due to non execution by bidder, the bids of such bidders will straightway rejected at eligibility state or such bidders will not be considered eligible to quote in this tender. Bidders should also provide escalation matrix for their sales & support function.

4.5 The registration number of the firm along with the CST/VAT No. allotted by the sales tax department, as well as PAN number of the firm allotted by the income tax department should be submitted, failing which bidder's bid would become invalid & same shall be rejected.

4.6 Attested copies of Articles of Association (in case of registered firm), Byelaws & certificates of registration (in case of registered co-operative societies), partnership deed (in case of partnership firm) should be submitted.

- 4.7 The bidder should be registered with Service tax department of the Government of India. Enclose copy of the valid Registration No.
- 4.8 A self certificate that the bidder hasn't been black listed by any institution of the Central/State government in the past three years, to be submitted. Bidder should also submit a self certificate stating that NICS/NIC has not cancelled any purchase order placed on him on basis of our previous desktop empanelment with NICS/NIC due to non execution by us and he/she has executed all the purchase orders placed by NICS/NIC on previous desktop empanelment.
- 4.9 The bidders shall submit the technical literature and international comparative ratings for each quoted product.

The Bidders are requested to furnish documents to establish their eligibility (indicating the page number in the bid) for each of the above clauses. Relevant portions, in the documents submitted in pursuance of eligibility criterion mentioned above, should be highlighted. If tender were not accompanied by all the above documents mentioned, the same would be rejected. Undertaking for subsequent submission of any of the above document will not be entertained. However NICS reserves the right to seek fresh set of documents or seek clarifications on the already / submitted documents. All documents should be submitted electronically in PDF format. However, Financial Bid should be submitted in XLS format.

Upon verification, evaluation / assessment, if in case any information furnished by the Bidder is found to be false / incorrect, their bid shall be summarily rejected and no correspondence on the same shall be entertained.

THE BID SUBMITTED BY ANY BIDDER NOT FULFILLING THE ELIGIBILITY CONDITIONS / CRITERIA STIPULATED ABOVE, WILL NOT BE CONSIDERED.

5.3 Bid Opening:

Online bids (complete in all respect) received along with Demand Draft of tender fee & EMD (Physically) will be opened at **11:00 hours on 16.06.2011** in presence of bidders representative if available. Bid received without tender fee & EMD will be rejected straight way.

5.4 EVALUATION OF BIDS

5.4.1 Technical Evaluation

5.4.1.1 A duly constituted Technical Evaluation Committee (TEC) will first select Bidders on the basis of eligibility criteria of this tender. The Bids conforming to the eligibility criterion will be considered for further evaluation.

5.4.1.2 The TEC will short list the Technical bids configuration wise on the basis of technical parameters. The short listed Bidders may be asked to bring one of each quoted model or improved latest model of same make as per specifications set out in the tender for technical evaluation, along with their own test and measuring equipments/software at NICS I HQ or any other site as may be finalized by NICS I, as per schedule to be intimated to them. In case of improved model, the improved model should not be inferior in any specification than the quoted model. During Technical Evaluation the quoted product shall be physically verified for the required tender specifications, tested for reliability, functionality, benchmarked and other features as decided by the TEC. In case the vendor fails to bring the quoted products within the prescribed limit given by the NICS I for evaluation, the bid shall be rejected and EMD forfeited. In case TEC decides to inspect the equipments at Bidder's/OEM's premises, the expenditure on travel will be borne by NICS I.

5.4.1.3 If during the technical evaluation, any of the System fails then no subsequent chance will be given to the Bidder. However, alternate item (1) of already quoted make and model or (2) improved latest model of same make on account of technological trends which meets all the tendered technical specifications and superior in specifications than the quoted model, if available instantly on the spot could be considered by TEC for evaluation only once. Based on the demonstration/evaluation test results, Bidders will be short listed. Financial bids of only technically qualified Bidders will be opened in their presence.

In their own interest the bidders are advised to ensure that the Desktop, Workstation systems, Mini Notebook, Thin clients & optional items brought by them for evaluation conform to all tendered technical parameters/specifications and are functional. Systems not meeting complete tender specifications will not be considered for evaluation.

5.4.1.4 For Technical Evaluation, Bidders have to ensure the availability of appropriate specialist, along with every type of documentation and consumable required, from their organization for interacting with TEC and evaluation team. If the required specialist along with proper documentation is not made available by Bidders, then such defaulting Bidders will automatically be debarred from the tender evaluation process.

5.4.2 Financial Evaluation

5.4.2.1 The Financial Bids of only technically qualified bidders will be opened electronically in the presence of their representatives on a specified date and time duly notified. The financial bids will then be passed on to a duly constituted Financial Evaluation Committee (FEC) for evaluation. If NICS I considers necessary, revised Financial Bids can be called from

the technically short listed Bidders, before opening the original Financial Bids. In that case, the revised bids should not be higher than the original bids (except in case of increase in Govt. tax / levies) otherwise the bid will be rejected & EMD will be forfeited of such defaulting bidders.

5.4.2.2 L1 vendor will be worked out as per the procedure given in financial bid Annexure-D1& D2. L1 rates for Optional Items (Annexure-E1 & E2) will be vendor independent and have to be accepted by all vendors qualifying for empanelment for Mini Notebook, Desktop & Workstation configurations they stand qualified.

5.4.2.3 Initially to have a panel of two bidders for each config, NICS I may ask other bidders to match the L1 rates. Thus by way of giving successive opportunity for matching the L1 rate a panel of two bidders will be formed for each technically qualified config. If NICS I considered necessary to have panel of more than two bidders for some or all configs, may also ask all those bidders to match the L1 rates of each config if their quote for those configs fall within 120% of L1 rates. However this option may be exercised only after minimum period of three months of first empanelment issue. In case other bidder's quote do not fall within the 120% of L1 rate, NICS I will have only a panel of two bidders for each config. The decision of NICS I arrived at above will be final for empanelment and no representation of any kind shall be entertained. If none of the bidders L2, L3 agree to match L1 rates then L1 alone shall be on the panel.

5.4.2.4 The maximum period allowed for matching the L1 rates by any Bidder will not be more than 7 working days from the date of issuance of offer letter from NICS I. If the Bidder fails to match the L1 rates within stipulated time as stated above, the offer will be treated as withdrawn and will then be extended to next Bidder in the order of their bids.

5.4.2.6 The above process of financial evaluation and empanelment will be followed separately for all the annexures

5.5 EMPANELMENT OF BIDDERS

5.5.1 The empanelment under this tender, with all its terms and conditions, can be used by NIC also.

5.5.3 The panel will be valid for a period of 12 (Twelve) months in the first instance from the date of empanelment. It may be extended for a further period of 12(Twelve months) depending upon the need of NIC / NICS I's project requirements with mutual consent.

5.5.4 All empanelled Bidders shall have to enter into a written agreement with NICS I for honoring all tender conditions and adherence to all aspects of fair trade practices in executing the purchase orders placed by NIC/NICS I on behalf of its clients.

5.5.5 In the event of an empanelled Company or the concerned division of the Company is taken over /bought over by another company, all the obligations and execution responsibilities under the agreement with the NICS I, should be passed on for compliance by the new company in the negotiation for their transfer.

5.5.6 If the name of the product is changed, the renamed product should have equivalent or superior technical specifications.

5.5.7 In case any selected L1 bidder refuses to sign empanelment within seven days of communication from NICS I, the offer would be treated as withdrawn and the bidder's EMD will be forfeited and tender will be scraped. If other bidders refuses to sign the empanelment after matching L1 rates, their EMD will be forfeited and offer will be extended to other qualified bidders to make a penal. The defaulting bidder may also be debarred from participating in NICS I tenders for a period of three years.

- 5.5.8 In case of empanelled bidder is found in breach of any condition(s) of tender or supply order, at any stage during the course of supply / installation or warranty period, the legal action as per rules/laws, shall be initiated against the bidder and EMD/Security Deposits shall be forfeited, besides debarring and blacklisting the bidder concerned for at least three years, for further dealings with NICS I.
- 5.5.9 The bidder should not assign or sublet the empanelment or any part or it to any other vendor in any form. Failure to do so shall result in termination of empanelment and forfeiture of Security deposit,
- 5.5.10 NICS I may, at any time, terminate the empanelment by giving written notice to the empanelled vendor without any compensation, if the empanelled vendor becomes bankrupt or otherwise insolvent, provided that such termination will not prejudice or affect any right of action or remedy which has accrued or will accrue thereafter to NICS I.

5.6 PRE-DELIVERY INSPECTION AND ACCEPTANCE OF ITEMS

- 5.6.1. The equipments must be offered in full as per ordered configuration for testing and acceptance. No equipment with short supply or with lower technical specifications shall be accepted for conduct of acceptance testing under any circumstances. The equipments must give same performance results as shown during initial demonstration/evaluation tests. The offered items, in addition to meeting the performance results as per evaluation tests, should also contain the same subsystem as approved by NICS I. Failure to fulfill any of the above-mentioned conditions will entail cancellation of the Purchase Order along with forfeiture of the EMD/Security Deposit. **The bidders must ensure the availability of ordered items/spares in their stock before accepting the purchase order.**
- 5.6.2 NICS I/NIC besides placing purchase orders for standard Mini notebook, desktop & workstation systems as per defined specification in annexure-I to V, may also place the purchase order for mini notebook, desktop & workstation system as per project requirements by adding any of the items from optional item list or by deleting some of the component from standard configuration. In both the scenarios the ordered Mini Notebook, desktop & workstation systems must be integrated as per given configuration in purchase order and shipped as single unit.
- 5.6.3 In case of an empanelled item becoming end of life and if the empanelled bidder(s) want to offer a new item/model of same make and same or higher specifications, which was not offered for evaluation, the same need to be offered to NICS I for evaluation with full configuration at least one month prior to the acceptance testing date. The vendor should provide detailed technical documents and technical man power support so as to enable NICS I to carry out the evaluation. The decision taken by NICS I will be final and binding on the vendor.
- 5.6.4 Since technological trends in IT industry are changing very rapidly, NICS I will examine/re-access the technical specifications of all empanelled items at an interval of three months in consultation with all empanelled bidders. If majority of empanelled bidders agree for up gradation, the finalized specification will be applicable for all empanelled bidders of that category.
- 5.6.5 The schedule for acceptance testing dates shall be provided at least 15 days before the last date of delivery. This needs to be strictly followed.
- 5.6.6 Normally, testing and acceptance of the systems will be done at the Factory premises of the vendor where it will be tested as per ordered specifications. NICS I/NIC reserves the right to reject any item, if found unsuitable and / or not conforming to the approved

specifications. The rejected items, if any, shall have to be taken back and replaced by good items forthwith at the cost of the vendor. No payment will be made for rejected items. The items which are accepted after testing should be sealed inside carton under the joint signature of the representatives of NICSI/NIC and Bidder's representative and then sent along with the packing list giving serial numbers and part numbers of all possible items and copy of the acceptance test report to the actual sites of installation. NICSI will have the option to test and accept an item at user's premises in case of emergency situations.

5.7 DELIVERY & PENALTY

- 5.7.1 The schedule to be given for delivery at site is to be strictly adhered to in view of the strict time schedule for implementation of various Projects. Any unjustified and unacceptable delay in delivery beyond the delivery schedule as per Purchase Order (which shall not be more than **49(Forty Nine) days for North-eastern States including Sikkim, J&K, Lahual-Spiti & Kinnaur in HP, Andaman Nicobar and Lakshdweep Islands and 35 (Thirty Five) days** for the rest of the locations across India from the date of Purchase Order) will render the vendor liable for liquidated damage at the rate of 0.2% (point two percent) of the purchase order value per day subject to a **maximum of 30 days**. Proof of Delivery duly signed by the user/NIC/NICSI Project Coordinator, with his name, date of delivery, designation and office seal, legibly recorded, should reach NICS Head Quarters, New Delhi within 4 weeks of the delivery except for delivery in North-eastern States including Sikkim, J&K, Lahual-Spiti & Kinnaur in HP, Andaman Nicobar and Lakshdweep Islands locations. Delivery note of these locations should reach within six weeks of delivery date
- 5.7.2 If the delivery, of whole or in part, is delayed beyond 30 days from last date of delivery as given in the purchase order, NICS will have option to cancel the purchase order to the extent of unfulfilled part of the purchase order. NICS will be free to procure the remaining items from alternate sources at the cost and risk of the defaulting vendor, by forfeiting the EMD/Security Deposit of the Vendor. In addition, NICS will impose a cancellation charge of 8.5% of the value of unsupplied items, which will be recovered from the pending bills or EMD/Security Deposit or by raising claims.
- 5.7.3 NICS will impose penalty on total value of purchase order (as per clause no 5.7.1 of this tender) if the delivery of more than 20% of the total order value is delayed beyond the last date of delivery. If the delivery is delayed for the item(s) whose value is equal or less than 20% of the total order value, the penalty shall be applicable on the delayed equipment only.
- 5.7.4 On the receipt of the purchase orders the vendors within Ten (10) Days shall initiate the process of obtaining all the necessary documents directly from the user for the State Entry Permit in respective States wherever required for complete and safe delivery of the ordered products. However for cases where copy of invoice and GR (Goods Receipt) from the transporter is required for applying for road permit, the process should be so initiated by the vendor that the delivery schedule is met. Proof for the communication sent and duly receipted by the user and/or NICS/NIC project coordinator with signature, name, designation, telephone number and preferably with office seal should be submitted to NICS. If after such proper communication, there is any delay in the issuance of road permit from the user, the vendor will be entitled to get extension for delivery period of two weeks from the date of receipt of the road permit.
- 5.7.5 The vendor shall provide System manual and User manual along with each system, even if more than one system is ordered for a single location.

5.8 INSTALLATION SCHEDULE & PENALTY

- 5.8.1. The Bidder should install all the systems at specified site without any additional charge. **Installation should be completed within 15 Days (Fifteen Days)** from the scheduled or actual date of delivery whichever is later for all locations. If the scheduled date of delivery / installation falls on holiday / non working day (at the delivery location), the next working day shall be treated as due date of delivery / installation. At the destination site, the Cartons will be opened only in the presence of user official and bidder's representative. The intact position of the Seal, for not being tampered with, shall form the basis of certifying the receipt in good condition. During installation at site if any item is found to be defective or broken, the same will be replaced with new one by the bidders at their own cost and risk within four weeks. If the items are not installed at site within the stipulated time after delivery, due to the 'non-responsiveness' of the vendor, **a penalty at the rate of 0.2% (zero point two percent)** of purchase order value per day subject to a maximum of **30 days** will be imposed on delayed installed items. Thereafter, NICS I holds the option to complete the installation work through alternate sources at the risk and cost of the defaulting vendor. A sticker mentioning the service support call centre number of the vendor should be pasted on each supplied item. An installation certificate as per format given in Annexure-F must be obtained from user or NIC/NICS I project coordinator as then case may be.
- 5.8.2 For Site Not Ready (SNR) cases, vendor requires to submit SNR certificate as per annexure-G signed by NIC/NICS I Coordinator of the project/ User Department. However, regarding readiness of site, the decision of the User Department/NIC/NICS I Project Coordinator will be final. No penalty will be imposed for SNR cases, however, vendor has to install the items within 15 days as per clause 5.8.1 of receipt of Site Ready notice from User/NICS I/NIC else it will attract penalty as per above clause- 5.8.1 recoverable from Bill.

It is agreed that the Contractor shall not delay the carrying out of the works by reason of any such matter, question or dispute being referred to arbitration, but shall proceed with the works with all due diligence. The Purchaser and the Contractor hereby also agree that arbitration under this clause shall be the condition precedent to any right of action under the contract except for as provided for in the Tender.

5.17 APPLICABLE LAW

5.17.1 The vendor shall be governed by the laws and procedures established by Govt. of India, within the framework of applicable legislation and enactment made from time to time concerning such commercial dealings/processing.

5.17.2 All disputes in this connection shall be settled in Delhi jurisdiction only.

5.17.3 NICS I reserves the right to cancel this tender or modify the requirement without assigning any reasons. NICS I will not be under obligation to give clarifications for doing the aforementioned.

5.17.4 NICS I reserves the right that the work can be allocated to any of the empanelled vendors.

5.17.5 NICS I also reserves the right to modify/relax any of the terms & conditions of the tender.

5.17.6 NICS I, without assigning any further reason can reject any tender(s), in which any prescribed condition(s) is/are found incomplete in any respect.

5.17.7 NICS I also reserves the right to award works/supply order on quality/technical basis, which depends on quality/capability of the system and infrastructure of the firm. Bidder(s) are, therefore, directed to submit the tender carefully along with complete technical features of the products/systems as well as other documents required to access the capability of the firm.

5.17.8 All procedure for the purchase of stores laid down in GFR and DFPR shall be adhered-to strictly by the NICS I and subordinates and Bidders are bound to respect the same.

5.18 MISCELLANEOUS

- 5.18.1 The empanelment under this tender is not assignable by the selected vendor. The selected vendor shall not assign its contractual authority to any other third party. As a matter of policy and practice and on the basis of Notification published in Gazette of India dated 14th March, 1998, it is clarified that services and supplies of the vendor selected through this tender can be availed by both National Informatics Center [NIC] and National Informatics Center Services Incorporated [NICS], as the case may be depending on the project, and the selected vendor shall be obliged to render services / supplies to both or any of these organizations as per the indent placed by the respective organization. In other words, the selection procedure adopted in this tender remains applicable for NIC as well, and in the event of rendering services / supplies to NIC, the selected vendor shall discharge all its obligations under this tender vis-à-vis NIC. Any default or breach in discharging obligations under this tender by the selected vendor while rendering services / supplies to NIC, shall invite all or any actions / sanctions, as the case may be, including forfeiture of EMD, security deposit, invocation of performance guarantee stipulated in this tender document
- 5.18.2 The decision of NICS/NIC arrived at as above will be final and no representation of any kind will be entertained on the above. Any attempt by any Bidder to bring pressure of any kind, may disqualify the Bidder for the present tender and the Bidder may also be liable to be debarred from bidding for NICS/NIC tenders in future for a period of at least three years.
- 5.18.3 Any conditions mentioned in their tender bids by the bidders which are not in conformity to the conditions set forth in the tender will not be accepted by NICS/NIC. All the terms and conditions for the supply, testing and acceptance, payment terms penalty etc. will be as those mentioned herein and no change in the terms and conditions set by the bidders will be acceptable. Alterations, if any, in the tender bid should be attested properly by the bidders, failing which the bid will be rejected.
- 5.18.4 One batch of NIC/NICS/User staff, if required, is to be trained by the bidder in installation, maintenance and servicing, at least for a period of one week, free of cost.
- 5.18.5 NICS/NIC may use this tender for executing any projects anywhere in India during the validity of this tender.
- 5.18.6 All terms and conditions governing prices and supply given above, as applicable to NICS, will be made equally applicable to NIC.
- 5.18.7 In addition to the supporting technical documents, the enclosures as mentioned in **List of Enclosure** are required to be submitted with the technical bid.
- 5.18.8 NICS reserves the right to modify and amend any of the above-stipulated condition/criterion depending upon Project priorities vis-à-vis urgent commitments. NICS also reserves the right to accept /reject any bid, to cancel / abort tender process and / or reject all bids at any time prior to award of empanelment, without thereby incurring any liability to the affected agencies on the grounds of such action taken by the NICS.
- 5.18.9 Any default by the bidders in respect of tender terms & conditions will lead to rejection of the bid & forfeiture of EMD/Security Deposit.

1. For consideration of the financial bid, the rates of excise duty and sales tax/VAT must be Quoted as per the above given table.
2. There could be two different bidders for each category, i.e. one for three year warranty support and another for five years warranty support. L1 is the bidder quoting least total cost in Column 7 of above tables. If the L1 bidder, due to whatever reasons, refuses to accept empanelment letter, the tender for that category will be scrapped and EMD of L1 will be forfeited.
3. Initially to have a panel of two bidders for each config, NICS I may ask other bidders to match the L1 rates. Thus by way of giving successive opportunity for matching the L1 rate a panel of two bidders will be formed for each technically qualified config. If NICS I considered necessary to have panel of more than two bidders for some or all configs, may also ask all those bidders to match the L1 rates of each config if their quote for those configs fall within 120% of L1 rates. However this option may be exercised only after minimum period of three months of first empanelment issue. Incase other bidder's quote do not fall within the 120% of L1 rate, NICS I will have only a panel of two bidders for each config. The decision of NICS I arrived at above will be final for empanelment and no

representation of any kind shall be entertained. If none of the bidders L2, L3 agree to match L1 rates then L1 alone shall be on the panel.

4. The above rates are inclusive of packing, forwarding, freight, insurance, installation, commissioning, warranty or any other charges for supply any where in India.
5. Entry Tax / Octroi will be reimbursed as per actual wherever applicable.

1. For consideration of mini notebook, desktop & workstation bids for Annexure- I to 6, the corresponding optional items must be quoted. Item marked as optional in applicable column are not mandatory. Bidders may quote as per the availability with them.
2. L1 rates of each optional item will be vendor independent viz. the lowest rates quoted at column 4 for an item by any of the responsive bidder is the L1 rates which have to be accepted by the L1 vendor qualifying for Annexure I to 6.
3. For working out the L1 rates of optional items, the incredibly low rates or rates quoted by mistake or zero rates will not be considered. EMD of such bidders will be forfeited and their bid will be rejected. If L1 refuses to match the lowest optional item rates for the qualified configuration their EMD will be forfeited.
4. Some of the items are required to be quoted for applicable annexures mentioned in Annexure-7. Not quoting such items may disqualify vendor for that annexure. Vendors may quote items mentioned as optional in 'applicable annexure column' as per availability.
5. The above rates are inclusive of packing, forwarding, freight, insurance and delivery at the NICSI's client location anywhere in India.

1. For consideration of mini-notebook, desktop & workstation bids for Annexure-I to 6, the corresponding optional items must be quoted. Item marked as optional in applicable column are not mandatory. Bidders may quote as per the availability with them.
2. L1 rates of each optional item will be vendor independent viz. the lowest rates quoted at column 4 for an item by any of the responsive bidder is the L1 rates which have to be accepted by the L1 vendor qualifying for Annexure I to 6.
3. For working out the L1 rates of optional items, the incredibly low rates or rates quoted by mistake or zero rates will not be considered. EMD of such bidders will be forfeited and their bid will be rejected. If L1 refuses to match the lowest optional item rates for the qualified configuration their EMD will be forfeited.
6. Some of the items are required to be quoted for applicable annexures mentioned in Annexure-7. Not quoting such items may disqualify vendor for that annexure. Vendors may quote items mentioned as optional in 'applicable annexure column' as per availability.
4. The above rates are inclusive of packing, forwarding, freight, insurance and delivery at the NICSI's client location anywhere in India.
