

Bea-fon S20

Simplify your life[©]

Full size image

Mobile communication has never been this easy!

The S20 shows that a simple phone does not have to look ugly anymore. Every step in the production process we've made thinking of your wishes. We've managed to combine all of our 4 bullet points in this handset as of course we also did in our other handsets.

The ergonomic design of the S20 has set a new standard!
