

**TAXICLUB.CO.UK**

**QUOTE ENGINE SETUP  
USER MANUAL**

If you have the Quote Engine for use on your own website(s), this manual will help you edit the settings of the quote engine-page and help you get the link to that page on your own site.

## **Contents**

- 0. Logging In & User Menu**
  - Your User ID and Password**
  - The User Menu**
- 1. The Quote Engine Settings**
- 2. The Page-Link**

# 0. Logging In & User Menu

Logging in to your TaxiClub Account:

Go to <http://www.taxiclub.co.uk>

1. Enter your User ID
2. And your Password
3. Click on Login

The screenshot shows the TaxiClub homepage. At the top, there's a navigation bar with 'Home', 'Get a Quote', 'Customers', 'Contact Us', 'Operators', and 'About Us'. Below this is a 'MEMBERS LOGIN' section with fields for 'User ID' and 'Password', and a 'Login' button. To the left, there are 'Quick Links' for BBC Traffic News, BBC Weather News, BAA Airports, and AA Route Planner. The main content area features a 'Welcome to TaxiClub!' banner with three vehicle categories: Saloon, MPV, and Minibus, each with a 'QUOTE ME NOW' button. Below the banner, there's a '3 Simple Steps' section: 1. Enter Pick Up and Drop Off points, 2. Enter Time and Journey Type, 3. Select Calculate The Quote. At the bottom, there's an 'Executive' and 'Estate' category with a 'Quote Me Now' button and a link to 'TaxiClub Accredited Members List Click Here'.

To start editing the settings of the quote engine page:

1. Click on Quote Engine Setup

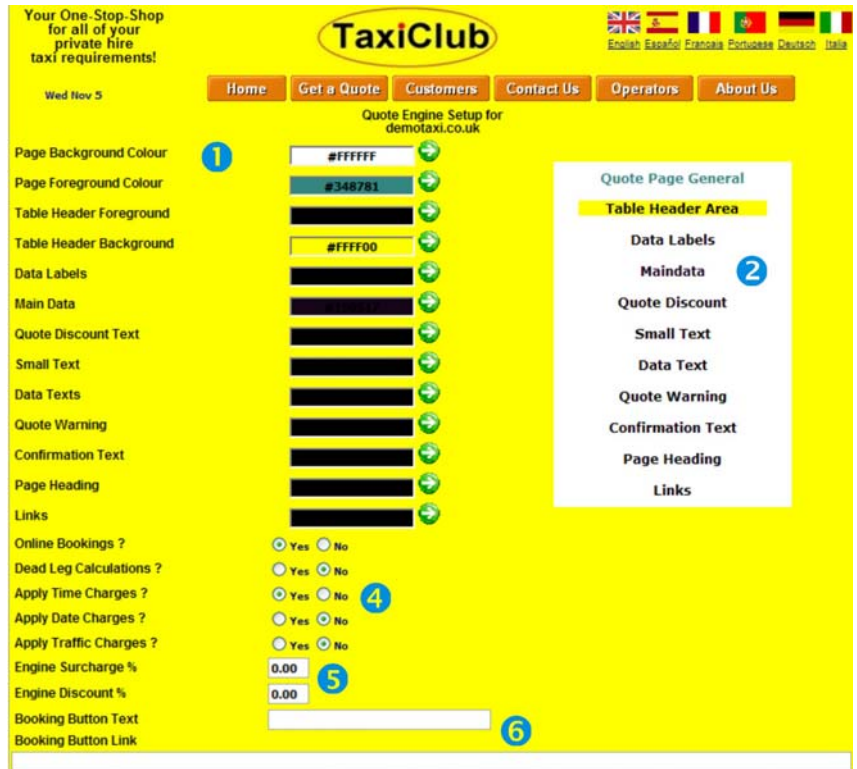

The screenshot shows the TaxiClub user menu after a successful login. The page title is 'Taxiclub - Taxi Company Login Successful'. Below the title, there's a 'User Menu for: Taxiclub Demo Company' section. The main content area is divided into two columns of links. The left column includes: View Today's Quotes, View Areas, View Statistics, View Company Info, View Special Dates, Airport Pricing Setup, and Design Emails. The right column includes: Edit Vehicles, Waiting Time Charges, Edit Time Charges, Edit Traffic Charges, Customer Accounts, Quote Engine Setup, and Logout. Below this, there's a 'Tips/Tricks and Resources' section with a 'User Guides - Click on PDF Logo' link. Further down, there are links for 'Just Joined Taxiclub ? What To Do Next', 'Taxiclub User Manual', 'Airport Pricing Guide', and 'Using Your Website Quote Engine'. At the bottom, there's a contact link: 'For additional support contact: support@taxiclub.co.uk'.

# 1. The Quote Engine Settings

1. Your websites which have the Quote Engine are listed here.
2. Click on Edit Quote Engine Setup for the website you wish to edit.

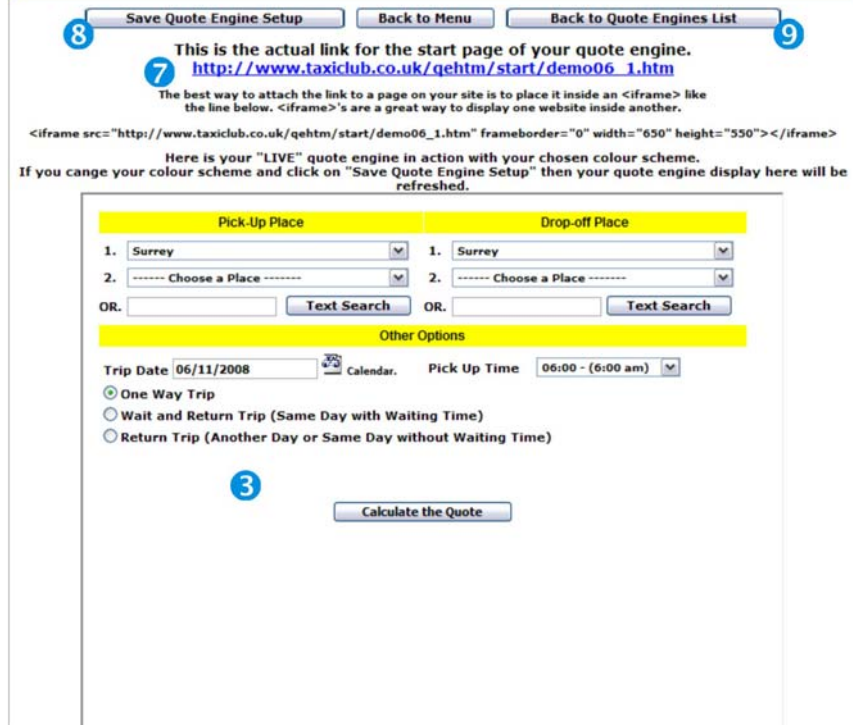

1. The color setting how the Quote Engine page will appear to your clients. Each of the Descriptions in the left column refers to a colour setting in the right example column.
2. The example column.
3. The actual colours in the Quote Engine Screen.
4. Settings for the Quote Engine. See for explanations of these settings the TaxiClub User Manual.

5. On your own Quote Engine you can set either a Surcharge or Discount %.
6. On your own website you can edit the text of the Booking Button and the Link.
7. The link to the Quote Engine Page for your website.

8. To save your new settings.
9. To go back to the Quote Engines List WITHOUT saving your new settings.

## 2. The Page-Link

The link which redirects your customers to the Quote Engine page is displayed in the middle of the Quote Engine Setup page.

1. Page-link to the Quote Engine page.
2. The best way to attach the link to a page on your site is to place it inside an <iframe>.
3. The iframe link.

You can insert this page-link into your own website for the customer to click on to go to the Quote Page.

You can insert the link as a text link;

You can insert the link connected to a button;

If you have a web designer updating your website please forward the link.

If you wish examples of buttons or help with this feature, please email TaxiClub support at [support@taxiclub.co.uk](mailto:support@taxiclub.co.uk)

**1** This is the actual link for the start page of your quote engine.  
[http://www.taxiclub.co.uk/qehm/start/demo06\\_2.htm](http://www.taxiclub.co.uk/qehm/start/demo06_2.htm)

**2** The best way to attach the link to a page on your site is to place it inside an <iframe> like the line below. <iframe>'s are a great way to display one website inside another.

**3** <iframe src="http://www.taxiclub.co.uk/qehm/start/demo06\_2.htm" frameborder="0" width="650" height="550"></iframe>
