Toshiba recommends Windows Vista® Ultimate.

Toshiba (Australia) Pty. Limited ABN 19 001 320 421 NB: "Toshiba Notebooks are subject to technology limitations. It is important that you understand Toshiba's policy for Central Processing Unit (CPU) performance, non-conforming screen pixels, gigabyte measurement, VRAM capacity, battery life variance and other specific technologies. For further details and specifications, you are recommended to visit Toshiba's website

www.isd.toshiba.com.au or phone Toshiba on 13 30 70 (Australia) 0800 441 615 (New Zealand). #Available storage capacity will also be less if the product includes one or Capacity will also be ress in the product installed operating Systems, such as Microsoft Operating System and/pre-installed software applications, or media content. Actual formatted capacity may vary. 1.Certain Microsoft® software product(s) included with this computer may use technological measures for copy protection. In such event, you will not be able to use the product if you do not fully comply with the product activation procedures. Product activation procedures and Microsoft's privacy policy will be detailed during initial launch of the product, or upon certain reinstallations of the software product(s) or reconfigurations of the computer, and may be completed by Internet or telephone (toll charges may apply). Some software may differ from its retail version (if available), and may not include user manuals or all program functionality. 2. If 4GB is installed, the recognized memory may be reduced (depending on system configuration and memory allocation). 3.CD/DVD write capability may vary depending on the type/brand of media utilised. ††Thickness may vary at certain points on the system. ††† Battery life may vary depending on

configuration, applications, power management settings and features utilised. §Services may be provided by Toshiba or its nominated service partners. Refer to

www.toshibanotebook.com.au/extraguard for coverage areas and terms and conditions for each service. All images are for illustration purposes only. The product you have selected may not have all the features and specifications corresponding to all of the icons or switches shown in the illustration or in store display. Because of the dynamic nature of this industry, versions, product details and availability are subject to change on a continual basis without prior notice. You are recommended to visit Toshiba's website www.isd.toshiba.com.au or phone Toshiba on 13 30 70 (Australia) 0800 441 615 (New Zealand) or your Authorised Retailer to confirm product specifications, capability, and functionality before purchasing your unit. Specifications subject to change without notice. Trademarks as indicated are registered trademarks and are the property of the respective owners. Toshiba (Australia) Pty. Limited ABN 19 001 320 421 NB: "Toshiba Notebooks are subject to technology limitations. It is important that you understand Toshiba's policy for Central Processing Unit (CPU) performance, non-conforming screen pixels, gigabyte measurement, VRAM capacity, battery life variance and other specific technologies. For further details and specifications, you are recommended to visit Toshiba's website

www.isd.toshiba.com.au or phone Toshiba on 13 30 70 (Australia) 0800 441 615 (New Zealand). #Available storage capacity will also be less if the product includes one or more pre-installed operating systems, such as Microsoft Operating System and/pre-installed software applications, or media content. Actual formatted capacity may vary. 1.Certain Microsoft® software product(s) included with this computer may use technological measures for copy protection. In such event, you will not be able to use the product if you do not fully comply with the product activation procedures. Product activation procedures and Microsoft's privacy policy will be detailed during initial launch of the product, or upon certain reinstallations of the software product(s) or reconfigurations of the computer, and may be completed by Internet or telephone (toll charges may apply). Some software may differ from its retail version (if available), and may not include user manuals or all program functionality. 2. If 4GB is installed, the recognized memory may be reduced (depending on system configuration and memory allocation). 3.CD/DVD write capability may vary depending on the type/brand of media utilised. ††Thickness may vary at certain points on the system. ††† Battery life may vary depending on configuration, applications, power management settings

configuration, applications, power management settings and features utilised. §Services may be provided by Toshiba or its nominated service partners. Refer to

●MODEL

CATELLITE MANON/OCK (DCMDCA OCKOOD)

Toshiba (Australia) Pty. Limited ABN 19 001 320 421 NB: "Toshiba Notebooks are subject to technology limitations. It is important that you understand Toshiba's policy for Central Processing Unit (CPU) performance, non-conforming screen pixels, gigabyte measurement, VRAM capacity, battery life variance and other specific technologies. For further details and specifications, you are recommended to visit Toshiba's website

www.isd.toshiba.com.au or phone Toshiba on 13 30 70 (Australia) 0800 441 615 (New Zealand). #Available storage capacity will also be less if the product includes one or more pre-installed operating systems, such as Microsoft Operating System and/pre-installed software applications, or media content. Actual formatted capacity may vary. 1.Certain Microsoft® software product(s) included with this computer may use technological measures for copy protection. In such event, you will not be able to use the product if you do not fully comply with the product activation procedures. Product activation procedures and Microsoft's privacy policy will be detailed during initial launch of the product, or upon certain reinstallations of the software product(s) or reconfigurations of the computer, and may be completed by Internet or telephone (toll charges may apply). Some software may differ from its retail version (if available), and may not include user manuals or all program functionality. 2. If 4GB is installed, the recognized memory may be reduced (depending on system configuration and memory allocation). 3.CD/DVD write capability may vary depending on the type/brand of media utilised. ††Thickness may vary at certain points on the system. ††† Battery life may vary depending on configuration, applications, power management settings

configuration, applications, power management settings and features utilised. §Services may be provided by Toshiba or its nominated service partners. Refer to

Toshiba (Australia) Pty. Limited ABN 19 001 320 421 NB: "Toshiba Notebooks are subject to technology limitations. It is important that you understand Toshiba's policy for Central Processing Unit (CPU) performance, non-conforming screen pixels, gigabyte measurement, VRAM capacity, battery life variance and other specific technologies. For further details and specifications, you are recommended to visit Toshiba's website

www.isd.toshiba.com.au or phone Toshiba on 13 30 70 (Australia) 0800 441 615 (New Zealand). #Available storage capacity will also be less if the product includes one or more pre-installed operating systems, such as Microsoft Operating System and/pre-installed software applications, or media content. Actual formatted capacity may vary. 1.Certain Microsoft® software product(s) included with this computer may use technological measures for copy protection. In such event, you will not be able to use the product if you do not fully comply with the product activation procedures. Product activation procedures and Microsoft's privacy policy will be detailed during initial launch of the product, or upon certain reinstallations of the software product(s) or reconfigurations of the computer, and may be completed by Internet or telephone (toll charges may apply). Some software may differ from its retail version (if available), and may not include user manuals or all program functionality. 2. If 4GB is installed, the recognized memory may be reduced (depending on system configuration and memory allocation). 3.CD/DVD write capability may vary depending on the type/brand of media utilised. ††Thickness may vary at certain points on the system. ††† Battery life may vary depending on configuration, applications, power management settings

configuration, applications, power management settings and features utilised. §Services may be provided by Toshiba or its nominated service partners. Refer to

Toshiba (Australia) Pty. Limited ABN 19 001 320 421 NB: "Toshiba Notebooks are subject to technology limitations. It is important that you understand Toshiba's policy for Central Processing Unit (CPU) performance, non-conforming screen pixels, gigabyte measurement, VRAM capacity, battery life variance and other specific technologies. For further details and specifications, you are recommended to visit Toshiba's website

www.isd.toshiba.com.au or phone Toshiba on 13 30 70 (Australia) 0800 441 615 (New Zealand). #Available storage capacity will also be less if the product includes one or more pre-installed operating systems, such as Microsoft Operating System and/pre-installed software applications, or media content. Actual formatted capacity may vary. 1.Certain Microsoft® software product(s) included with this computer may use technological measures for copy protection. In such event, you will not be able to use the product if you do not fully comply with the product activation procedures. Product activation procedures and Microsoft's privacy policy will be detailed during initial launch of the product, or upon certain reinstallations of the software product(s) or reconfigurations of the computer, and may be completed by Internet or telephone (toll charges may apply). Some software may differ from its retail version (if available), and may not include user manuals or all program functionality. 2. If 4GB is installed, the recognized memory may be reduced (depending on system configuration and memory allocation). 3.CD/DVD write capability may vary depending on the type/brand of media utilised. ††Thickness may vary at certain points on the system. ††† Battery life may vary depending on configuration, applications, power management settings

configuration, applications, power management settings and features utilised. §Services may be provided by Toshiba or its nominated service partners. Refer to

Toshiba (Australia) Pty. Limited ABN 19 001 320 421 NB: "Toshiba Notebooks are subject to technologi limitations. It is important that you understand Toshiba's policy for Central Processing Unit (CPU) performance, non-conforming screen pixels, gigabyte measurement, VRAM capacity, battery life variance and other specific technologies. For further details and specifications, you are recommended to visit Toshiba's website.

www.isd.toshiba.com.au or phone Toshiba on 13 30 70 (Australia) 0800 441 615 (New Zealand). #Available storage capacity will also be less if the product includes one or more pre-installed operating systems, such as Microsoft Operating System and/pre-installed software applications, or media content. Actual formatted capacity may vary. 1.Certain Microsoft® software product(s) included with this computer may use technological measures for copy protection. In such event, you will not be able to use the product if you do not fully comply with the product activation procedures. Product activation procedures and Microsoft's privacy policy will be detailed during initial launch of the product, or upon certain reinstallations of the software product(s) or reconfigurations of the computer, and may be completed by Internet or telephone (toll charges may apply). Some software may differ from its retail version (if available), and may not include user manuals or all program functionality. 2. If 4GB is installed, the recognized memory may be reduced (depending on system configuration and memory allocation). 3.CD/DVD write capability may vary depending on the type/brand of media utilised. ††Thickness may vary at certain points on the system. ††† Battery life may vary depending on configuration, applications, power management settings

configuration, applications, power management settings and features utilised. §Services may be provided by Toshiba or its nominated service partners. Refer to

Toshiba (Australia) Pty. Limited ABN 19 001 320 421 NB: *Toshiba Notebooks are subject to technology limitations. It is important that you understand Toshiba's policy for Central Processing Unit (CPU) performance, non-conforming screen pixels, gigabyte measurement, VRAM capacity, battery life variance and other specific technologies. For further details and specifications, you are recommended to visit Toshiba's website

www.isd.toshiba.com.au or phone Toshiba on 13 30 70 (Australia) 0800 441 615 (New Zealand). #Available storage capacity will also be less if the product includes one or more pre-installed operating systems, such as Microsoft Operating System and/pre-installed software applications, or media content. Actual formatted capacity may vary. 1.Certain Microsoft® software product(s) included with this computer may use technological measures for copy protection. In such event, you will not be able to use the product if you do not fully comply with the product activation procedures. Product activation procedures and Microsoft's privacy policy will be detailed during initial launch of the product, or upon certain reinstallations of the software product(s) or reconfigurations of the computer, and may be completed by Internet or telephone (toll charges may apply). Some software may differ from its retail version (if available), and may not include user manuals or all program functionality. 2. If 4GB is installed, the recognized memory may be reduced (depending on system configuration and memory allocation). 3.CD/DVD write capability may vary depending on the type/brand of media utilised. ††Thickness may vary at certain points on the system. ††† Battery life may vary depending on configuration, applications, power management settings and features utilised. §Services may be provided by Toshiba

or its nominated service partners. Refer to www.toshibanotebook.com.au/extraguard for coverage
