Introduction

Takseer e Jafar is a tool that provides easy to use options for creating different types of Takseer. Takseer is a process of IIm e Jafar used in both Akhbar and Asaar. Whether you are creating a Taweez doing a Takhseer or trying to conclude answer from a Mustehsila e Jafar, this tool will help. Now you can do calculations of hours or days in seconds. Besides doing Takseer it can also be used to calculate sum (Jamal) of the Asas (Question / Statement) or of complete Takseer.

Takseer e Jafar has following options:

- Perform following types of Takseer.
 - Sadar e Mokhar.
 - Mokhar e Sadar.
 - .. More will be added in future releases.
- Calculate Jamal of Takseer and Asas using any of 28 Abajad of Jafar or with your own defined Abjad.
- Create New Abajad.
- Clean Non Abjad letters from an Urdu/Persian/Arabic Statement of Asas.
- Perform Takhlees of given Asas/Statement.
- Supports Takseer of up to 3000 letters (Depends the processing capability of your system).
- Save Takseer Output as HTML.
- Options to modify all aspects of the generated Takseer, including the following:
 - Font Size, Style and Color.
 - Background Color.
 - Change Title and Footer of HTML Output.
 - Toggle visibility of numbering of Takseer rows and columns
 - Change Border Size of Takseer Table.
 - Change Cell Padding/Spacing of Takseer Table Cells.
 - Include current date and time in Takseer.

3

System Requirements

Installation and proper functioning of this software requires that your system should meet following minimum requirements

Operating system

• Windows XP (SP2) or higher (Software tested on win XP, Win 7 and Win 8)

Hardware

• At-least 1 GB RAM

Software

- Microsoft .Net Framework 3.5 Installed
- Urdu Support Installed
- Phonetic Urdu Keyboard (Optional).

Installation

- Download the software
- Unzip the setup file.
- Right click the setup exe file and select Run as Administrator
- Follow the setup screens to finish the installation.
- Start the program from the Start Menu you must have full admin rights to use this program, if you get an error in the program execution, then right click the exe file/shortcut and select Run as Administrator.

Getting Started Tutorial

Getting Started with Takseer e Jafar software is easy. Follow the steps below to create a Takseer.

1. Run Takseer e Jafar from the Start menu.

2. Type the Asas or Statement as shown below.

3. Click Saaf to clean Non Abjad Characters.

4. Select the type of Takseer to perform.

5. Toggle to Select Jamal, if selected the Jamal/ Sum of Asas and Takseer will be performed in the final output.

7

6. Select Abjad for Jamal/Sum. In most cases you should select Qamri.

7. Toggle to Select Takhlees, if selected the Takhlees of Asas will be done before Takseer is performed in the final output.

8. Click OK to perform the Takseer o Jamal.

9. Save or Print the final output.
