## LIGHTING

# Faze Stream700

**CAUTION!** Please read and understand these instructions before installing or operating this unit.

### SPECIFICATIONS:

Model:	Faze Stream700
Voltage:	120v/50Hz
Weight:	16Lbs./3.8Kgs.
Size:	19.5"(L) x 7.25"(W) x 7.75"(H)
Fuse:	10 Amp
Fluid Type:	Eliminator Brand Water Based Fog Juice
Heater:	650 Watts
Output:	1,500 cubic ft. per minute
Duty Cycle:	Not to exceed 6 hours
Warranty:	90 Days

### Operating Instructions:

The Faze Stream700 is a 650 watt fog machine. It is primarily used to enhance lighting effects. Begin by removing all of the packing material, especially around the nozzle area. Set the fog machine on a flat, dry surface. Fill the fog juice reservoir, using Eliminator brand Water Based Fog Juice, only. Attach the included remote control to the unit. Plug the unit into a matching power outlet, and press the power switch to the "On" position.

### SAFETY ISSUES:

**NEVER POINT OR AIM A FOG MACHINE TOWARDS PEOPLE OR THEIR CLOTHING. THIS UNIT EMITS HOT VAPOR AND SHOULD BE USED WITH THE SAME CARE THAT YOU WOULD OBSERVE WHEN USING AN ELECTRIC IRON.**

**Timer Function:** The timer function allows fog to be emitted at designated intervals. The remote has three (3) L.E.D.s that indicate different functions.

- The RED L.E.D. located to the left will indicate the timer and controller is turned on and is activated.
- The RED L.E.D. will indicate fog output is available and ready for continuous output.
- The GREEN L.E.D. located to the right is for manual fogging, wait for the RED L.E.D. to light up, then press the button.

The remote also contains two rotary knobs.

- The Duration knob serves two functions 1) Turns the timer on and off. 2) Sets the timers duration (Length of fog output).
- The interval knob sets the amount of time in between fog output from 30 seconds to 10 minutes. Turning these knobs in a clockwise direction will increase their values, turning them in a counter-clockwise direction will decrease their values.

**Caution: Before removing or replacing the remote control unit disconnect the power cord.**

**1 Year Limited Warranty:** Eliminator Lighting warranty is valid from the date of purchase. Our 1 year limited warranty covers manufacturing defects only. Serial number, place of purchase with dated valid receipt must be submitted at time of service. Eliminator Lighting warranty does not cover items or parts prone to wear and tear: motors, fuses, brushes and belts. Eliminator Lighting warranty is only valid with-in the United States.
