

Comfort in colour

Beafon proves once more that quality, function and looks are not contradictory. The high-quality SL660 comfort mobile phone by Beafon is another highlight of a well-conceived product range.

Special attention is owed to its notable, high-contrast XXL outside display, which provides a unique colour display. This brings colour into your daily life and also lends visual support to every requirement that makes the SL660A the perfect companion in your day-to-day life. Its pleasant design also captivates with a likewise enormous 2.4" internal display, thereby guaranteeing comfortable and clear operation anytime. With its very high quality 2MP camera, landscape images will not only become a memorable experience, selfies will also become a lasting memory.
