## Fuego 01

What you see—and what you don't—is an architectural reinvention of outdoor grilling. A fully retractable lid. Teak and slate countertops wide enough for food, glasses, and elbows. Ample storage areas tucked out of sight. Dual burners with patented Quick Change Drawer System for multiple fuel options. Smooth wheeling agility, and a modular accessory system pegged for optional trays and tools. Fuego 01 delivers it all. And then some.

# FG01AMG Specifications

## **Fuego 02**

Fuego 02 is a scaled-down interpretation of the Fuego 01. A simplified grill, it possesses the same signature features as its larger sibling. Wood and slate countertops for prepping food and stirring margaritas. Trays pegged on the side. A hidden storage area. Wheeled mobility. They're all here.
