3-Piece Zwilling Pro Knife Set

Zwilling J.A. Henckels still prides itself on making the finest cutlery available on the market. Today, the standards developed 275 years ago are still reflected in all Zwilling J.A. Henckels knives. Designed by architect & designer Matteo Thun, the Zwilling Pro Series features include a new wedge-shaped blade and half bolster that allows you to cut along the entire length of the blade. The unique curved bolster supports the thumb and grip for extra comfort, control and safety. Zwilling J.A. Henckels' special formula steel is durable and corrosion resistant. Each knife is forged from a single piece of steel and Friodurice-hardened. This process enhances the steel and cutting properties, making the steel sharp and flexible. After this process, each knife is laser controlled to ensure that the blade edge is at the optimal cutting angle for maximum sharpness! Enhanced with a traditional 3-riveted resin handle. The Zwilling Pro 3 Piece Set includes: 3" Paring Knife, 5" Serrated Knife, 8" Chef's Knife
 wMaterials: High Carbon Stainless Steel.
