Cleaning and Maintenance

Keeping your earphones clean is essential for its safe and hygienic use. For safety and for best performance, remove your ear tips and clean them with a hypoallergenic antibacterial solution periodically.

Storage

When not in use, please store the earphones in its storage pouch and keep in a dry, cool place, out of reach of children and pets.

Standard Notice & Safety Information

- User notice**
Please read the instructions in the user manual carefully and apply standard safety precautions. Failure to do so may cause physical harm or damage to the device.
- Fitting**
NOTE: Should you use the Ear Hooks with your earphones, please use the Supreme Drill Ear Tips. See "Proper Fitting Instructions".
For a comfortable fit and to ensure best sound quality, please try on different sizes of enclosed ear tips to find your best custom fit. If the fit or use of the earphones causes irritations or discomfort, please discontinue usage immediately and consult a medical professional.
- Inspection**
Inspect earphones closely before use. If there are damages or manufacturing defects, please immediately notify the store from which the item was originally purchased.
- Proper Use**
Before playing music, adjust volume to the lowest settings from your audio device prior to using the earphones, and then increase the volume incrementally if necessary. Using the earphones at extremely high settings may cause permanent hearing damage.
- Humidity**
To avoid electric shocks and other accidents, please do not use the earphones in high humidity environments.

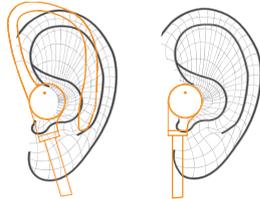

Stereo Earphones with Microphone & Beryllium Coated Drivers

User Manual**

Proper Fitting Instructions:

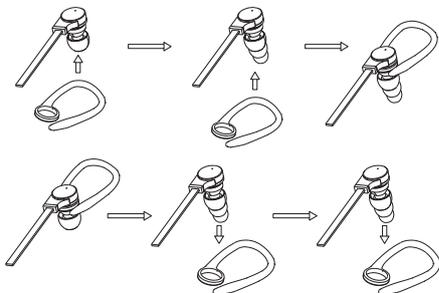

Removable Ear Hooks offer a more secure fit when installed. They are ideal for using your earphones during physical activities.

Removable Ear-hook Installation Instructions:

The Ear hooks feature flexible wire, so you can shape the ear hooks to fit your ears. The high ductile wires are enclosed within soft silicon material to ensure a comfortable wearing experience.

We recommend the Supreme Drill Ear Tips to be used with the Ear Hooks.
