ELECTRONIC FUNDS TRANSFERS AGREEMENT AND DISCLOSURES

This Agreement explains the rules which govern your electronic account services with us. Please read this Agreement carefully and keep a copy in a safe and convenient place.

Your relationship with the Credit Union is also governed by state and federal laws, which may change from time to time. The body of law is too large and complex to be reproduced here. **The purpose of this Agreement is to: (1) summarize the rules applicable to common Transactions; (2) establish rules to govern Transactions not regulated by state or federal law; (3) establish variations that will apply to certain rules, events or Transactions as permitted by applicable law; and (4) provide you with certain disclosures and information regarding our policies as required by law. By signing an Application or your acceptance, use or continued use of any electronic account services after receiving this Agreement, notice of its availability or notification of any change in terms, you, jointly and severally, agree that you understand and agree to the terms and conditions stated in this Agreement, as amended from time to time.**

Terms, Conditions and Limitations of Your Relationship with the Credit Union. The purpose of this Section is to state the terms and conditions that apply to all of your accounts, account services or other relationships with us, including without limitation loan, safe deposit and other services. You understand that the agreements, terms, conditions, rules and regulations applicable to your loans, and any other applicable account(s) or service(s) remain in full force and effect and continue to be applicable, except as specifically modified by this Agreement. Further, to the extent that the terms of a specific Subsection of this Agreement vary from the terms set forth in this Section, the specific terms and conditions of the Subsection will govern our relationship with you. All Credit Union services are further governed by the terms and conditions set forth in your Account Card(s), account receipts, addenda or schedules that accompany agreements and/or disclosures, statements and certificates; any other application or agreement we require; together with the Credit Union's Bylaws, policies and procedures, which are herein collectively referred to as "Agreement". This Agreement governs all services whether opened now or in the future. This Agreement may be amended or revised by us at any time, and any change in the Agreement shall be immediately effective unless otherwise specifically required by applicable law. This Agreement is binding upon the account owner and all parties hereto together with their heirs, successors, assigns and any other person claiming any right or interest under or through said parties. Transactions on your account may also be governed by agreements with third parties such as NACHA's (The National Automated Clearing House Association) Operating Rules, which agreements will also be binding upon you and the Credit Union. To the extent that the terms of any such third party agreements provide for specific processing, reporting or other time periods, or require you to make any claims or provide any notifications or responses, then the third parties' requirements and rules shall govern despite any other general or specific terms or conditions set forth in the entirety of this Agreement.

General Definitions. In this Agreement the words "**you**" or "**your(s)**" mean everyone that signs any Application or Agreement; or is authorized to make Transactions regarding your account(s) as provided herein or by governing law, including any account service(s). "**We,**" "**us,**" or "**our**" means the Credit Union

“Access Device” means any card, electronic access device and/or any codes, passwords or personal identification numbers (PIN) that we issue to allow you to access and/or use any account or other services.

“Authorized User” means any person who has actual, implied or apparent authority, or to whom any owner has at any time given any information, access device or documentation that enables such a person to access, withdraw, make transactions to or from your accounts, or to use any of your account services. If you authorize anyone to use your access devices, that authority shall continue until you specifically revoke such authority by notifying the Credit Union in writing or as required by applicable laws. If you fail to maintain the security of these access codes and the Credit Union suffers a loss, we may terminate any or all of your account services immediately. This definition is intended to be construed broadly and includes without limitation all users acting under a written document such as a power of attorney as well as any person or entity that is authorized to make deposits or debits to or from your accounts with us.

“Transaction or transaction” means any deposit, order, transfer, payment, purchase via POS transaction or otherwise, withdrawal or other instruction relating to any account or account service provided by the Credit Union.

Inappropriate Transactions. You warrant and agree that you will not use any Credit Union Accounts or Services, including but not limited to loans, to make or facilitate any illegal transaction(s) as determined by applicable law; and that any such use, including any such authorized use, will constitute a breach of this Agreement. Certain federal and/or state laws or Third Party Service Providers’ Rules may limit or prohibit certain transactions such as (but not limited to) those coded as possible gambling transactions. The Credit Union may decline to accept, process or pay any transaction that we believe to be illegal or unenforceable (regarding your obligation to pay us or otherwise) under applicable law; or which is otherwise limited or prohibited, including but not limited to any transaction involving or relating to any gambling activity. Such prohibition or limitations may affect some otherwise proper or allowable transactions such as debits, charges or other transactions at or relating to a hotel-casino. You understand and agree such limitations/prohibitions are not within the Credit Union’s control and that the Credit Union will not have any liability, responsibility or culpability whatsoever for any such use by you or any authorized user(s); or for declining to accept, process, or pay any such transaction. You further agree to indemnify and hold the Credit Union harmless from any suits, liability, damages or adverse action of any kind that results directly or indirectly from any such use of your account and/or access devices.

1. **Types Of Electronic Funds Transactions / Available Networks or Systems.** The Electronic Funds Transactions we are or may be capable of handling in the future are indicated below. Some of these services may not apply to your account(s) and/or some of these services may not be available at all terminals.

a. **Automatic Teller Machines (ATMs).** The Credit Union may issue to you a VISA check card and Personal Identification Number (“PIN”) to be used to make transactions. You can use your VISA check card at the Credit Union’s ATMs, VISA, CO-OP, STAR, CU24, CUHERE networks, and such other machines or facilities as the Credit Union may designate. At the present time, you may also use your card to:

- (1) Withdraw funds from the account(s) designated in your Membership Application (“Application”).
- (2) Check the balances in the account(s) designated in your Application (this is called an “inquiry”);

- (3) Transfer funds between the account(s) designated in your Application.
- (4) Make deposit to your share and checking accounts.
- (5) Make POS (Point of Sale) transactions with your CARD and PIN (Personal Identification Number) to purchase goods or services at POS terminals that carry VISA, CO-OP, STAR, CU24, and CUHERE network logo(s).

b. **Debit/Point of Sale Transactions. GPFCU VISA Check Card.** If we approve your Application for a VISA Check Card, or other electronic Access Device, you may use your Card/Access Device to purchase goods and services at point of sale (POS) terminals designated by the Credit Union and anywhere participating merchants honor your Card/Access Device. Transactions hereunder will be covered by funds deducted from your primary share draft account. Subject to the limitations in the Schedule, you may pay for goods and services (or make certain other transfers if the merchant is a financial institution) at applicable terminals up to the available balance in your designated checking account and any available credit under your applicable overdraft line-of-credit, and cause that account to be debited for the amount of those purchases. Your available balance in that account may be reduced by the amount of any transaction as soon as the merchant has received authorization from us, even if the documentation evidencing the transaction has not yet been received and processed by us. A merchant is not required to receive prior authorization from us on every transaction. When the documentation has cleared through us, any hold placed on your account for the amount of the purchase or other transactions will be released and your account debited for that amount.

c. **Preauthorized Transfer Services.** You can authorize the following transactions without the use of an access device issued by the Credit Union: (1) **Payments:** You can make payments on your loans with the Credit Union directly from your primary share or primary checking accounts; (2) **Within Credit Union Transfers:** You can arrange to transfer funds between your primary share and primary checking accounts. By separate application, you can arrange to transfer funds from your accounts to the account(s) of other members; (3) **Direct Deposits and Payments:** You can authorize persons or companies to make direct deposits or withdrawals to or from your share or checking accounts for payroll, pension, social security and other types of deposits or payments. You may give other persons or companies written or oral permission to transfer payments from your Credit Union accounts through "ACH" or other electronic means. Such agreements or arrangements are solely between you and the other person or company. The Credit Union shall have no responsibility or liability to you for any such transactions. Thus, you should exercise caution in providing such authority and/or information to access your accounts to others. The authority or information you give to others hereunder applies to all "ACH" or other electronic transactions, whether evidenced by any type or writing or converted to a written instrument by the other person (and/or their agents). All such transactions are deemed to be authorized by you.

d. **Telephone Transactions. GPFCU Audio Response.** If we approve audio response access service for your accounts, you may access your accounts through audio response with a separate PIN (Personal Identification Number) that we will issue. You must use your PIN (Personal Identification Number) along with your account number to access your accounts. At the present time you may use audio response access service to:

- Access your Line of Credit account.

- Obtain balance information for your share and checking accounts.
- Make transfers from your share and checking accounts.
- Determine if a particular item has cleared.
- Withdraw funds from your share and checking accounts.
- Make loan payments from your share and checking accounts.
- Obtain tax information on amounts earned on share and checking accounts or interest paid on loan accounts.
- Verify the late date and amount of your payroll deposit.

The Credit Union reserves the right to refuse any transaction which would draw upon insufficient funds, exceed a credit limit, lower an account below a required balance, or otherwise require us to increase our required reserve on the account. All checks are payable to you as a primary member and will be mailed to your address of record. The Credit Union may set other limits on the amount of any transaction, and you will be notified of those limits. The Credit Union may refuse to honor any transaction for which you do not have sufficient available verified funds. The service will discontinue if no transaction is entered after numerous unsuccessful attempts to enter a transaction, and there may be limits on the duration of each telephone call.

- e. **Electronic check conversion (“E-Check”) - types of transfers** – Your check or information you convey to a third party can result in an electronic funds transfer. This can happen in several ways. For example:

- You can purchase goods or pay for services and other bills; and authorize a merchant or service provider to convert your check into an electronic funds transfer.
- At the time you offer a check to a merchant or service provider, you may be asked to authorize the merchant or service provider to electronically collect a charge in the event that the check is returned for insufficient funds and/or other fees. Paying such a fee electronically is an electronic funds transfer.
- Your authorization to make these types of electronic funds transfers may be expressed in writing, implied through the posting of a sign or your participation in the initiation of the processing of the transaction. This can also happen when you provide information from your check or an account to another by telephone, Internet or otherwise, who then converts the information given to an electronic transaction, ACH or otherwise.
- You agree that any such transaction is subject to all applicable terms and conditions set forth in this Membership Agreement.

- f. **Online Banking. (Internet Network Connection).** If we approve the Online Banking access service for your accounts, a separate PIN (Personal Identification Number) will be assigned to you. You must use your PIN (Personal Identification Number) along with your member number to access your accounts. At the present time, you may use Online Banking access to:

- Transfer funds from your share and checking accounts.
- Obtain balance information for your share, checking, and other accounts.
- Make loan payments from your share and checking accounts.
- Access your Line of Credit accounts.
- Determine if a particular item has cleared.

Your accounts can be accessed under Online Banking via personal computer. Online Banking will be available for your convenience 24 hours per day. This service may be interrupted for a short time each day for data processing. We reserve the right to refuse any transaction which would draw upon insufficient funds, exceed a credit limit, lower an account below a required balance, or otherwise require us to increase our required reserve on the account. We may set other limits on the amount of any transaction, and you will be notified of those limits. We may refuse to honor any transaction for which you do not have sufficient available verified funds. The service will discontinue if no transaction is entered after numerous unsuccessful attempts to enter a transaction and there may be limits on the duration of each access.

- g. **Insufficient Funds Transactions:** If your Account balance is insufficient to cover any transaction(s), we may treat these transactions as insufficient funds transactions; or as overdraft requests if you have an approved overdraft protection plan with us. The Credit Union reserves the right to refuse any transaction if you do not have an approved overdraft protection agreement with us, which decision shall be in the Credit Union's sole discretion.
- h. **Electronic Processing and Transactions:** Due to the processing systems for electronic transactions used in the United States and by us, a payment or other transaction may be effective / posted before we are open for business on the date scheduled for the payment or other transaction. Therefore, you are responsible for insuring that your account(s) have sufficient balances as applicable for the scheduled payment / transaction one business day prior to the date scheduled. If a payment is due on a Saturday, Sunday, or holiday, the payment will occur on the first business day after the due date. In these cases, you should plan to have the payment initiated on the last business day before any of these days in order to ensure your payment is made on time. You may not make payments and/or transactions to a federal, state or local governmental or tax unit, or pay child-support or alimony, or to make payments to other categories of payees that we establish from time to time using our electronic services.

Of these six (6), you may make no more than three (3) transfers to a third party by check, draft, or debit card. Further, we may reduce the limit for "point-of-sale" transactions during any interruption in the electronic connection between the Credit Union and the retail outlet. Further, we may at any time limit or reduce the number or dollar amount of transactions when we, in our sole discretion, deem it in the best interest of the Credit Union.

- e. **Audio Response.** Your accounts can be accessed under audio response via a touch-tone telephone only. Not all push-button telephones are touch-tone. 8. **Data Security for Online Banking.** Online Banking is accessible only over the Internet. To prevent unauthorized access to member account data, the Credit Union employs the Secure Sockets Layer (SSL) protocol. This prevents other computers from eavesdropping by encrypting all data transmitted between the Online Banking server and the client. Members that live in the United States can use browsers that support 128 bit keys. Cracking a 128-bit key would involve trying all 2 to the 128th power combinations. Members that live abroad are currently restricted by the US Government to using browsers that support 40 bit keys. Cracking a 40-bit key would involve trying all 2 to the 40th power combinations, which are over one trillion combinations. A 40-bit key is less secure than a 128-bit key, but does provide an adequate level of security for member financial services.

The Secure Sockets Layer protocol validates the identity of the Online Banking server through the use of a digital certificate. After connecting to the Online Banking server in secure mode, our site sends a signed digital certificate, which contains the name of our Web server, its public encryption key, the certificate's validity dates, the name of the certification authority that issued the digital certificate to our site, and an un-forgeable digital signature. The digital certificate authenticates to the client that a connection has indeed been established with the Online Banking server.

The Secure Sockets Layer ensures that the data transmitted between the client and the Online Banking server has not been tampered with through the use of Message Authentication Codes (MACs). This provides a quick way for the receiving end to verify that the data was not changed in route.

9. **Canceling a Bill Payment Transaction and Your Stop Payment Rights.**

Online Bill Payment Transactions: You may cancel or change a scheduled Online Bill Payment as set forth in the Schedule. After the time period set forth in the Schedule have passed it is not possible to stop or cancel a payment. To delete merchants from the Service you must contact us.

If we fail to cancel or stop any Online Bill Payment, the payment will stand unless you show us that payment to the payee was unenforceable. If we re-credit your account after transferring funds over a valid and timely cancellation request, you agree to sign a statement describing the dispute with the payee, to transfer to us all of your rights against the payee, and to assist us in any legal action taken against that person.

Preauthorized Transactions: If you have arranged in advance to make regular electronic fund transfers out of your account(s) for money you owe others, you may stop payment of preauthorized transfers from your account. You must notify the Credit Union orally or in writing in time for us to receive your request three (3) business days or more before the scheduled date of the transfer. The Credit Union may require written confirmation of the stop payment order to be made within fourteen (14) days of any oral notification. If we do require the written confirmation, the oral stop payment order shall cease to be binding fourteen (14) days after it has been made. This means that the preauthorized payment and future preauthorized payments to the payee you identify may be paid by us from your account(s) after the 14th day.

If you order us to stop a preauthorized transfer three business days or more before the transfer is scheduled, and the stop payment order is made according to the terms and conditions of the account and this Agreement, including the requirement that you give us the exact amount of the debit, the next date of the debit and the exact name of the payee, and we do not do so, we will be liable for your losses or damages proximately caused by our failure.

E-Check: When any party converts any check, using the information on the paper via any means to send an electronic message to us, such message is an order by you to immediately take the money from your account. You cannot stop payment of an E-Check transaction, because it is already done.

Other Transactions:

Other transactions hereunder are considered contemporaneous. Therefore, you have no right and we have no obligation to stop or to attempt to stop any other transactions.

10. **Right to Documentation.**

- a. Terminal Transactions. You can get a receipt at the time you make any transaction (except inquiries) involving your account using an ATM, POS terminal, or Debit Card transaction with a participating merchant.
- b. Direct Deposits. If you have arranged to have direct deposits made to your accounts at least once every sixty (60) days from the same person or company, the person or company making the deposit will tell you every time they send us the money. You can call or write us at the telephone number or address listed in the Schedule to find out whether a deposit has been made. If the only possible transfers to or from your accounts are direct deposits, you will get a statement from us at least quarterly.
- c. Periodic Statements. Transfers and withdrawals transacted through an ATM or POS terminal, VISA Check Card transactions, audio response transactions, preauthorized EFTs, electronic/ PC transactions or bill payments you make will be recorded on your periodic statement. You will receive a statement or notice of the availability of your statement monthly unless there is no transaction in a particular month. In any case, you will receive a statement or notice at least quarterly.

11. **Notice When Amount of Preauthorized Payment(s) Vary.** If you preauthorize the Credit Union to make payments to persons or companies other than the Credit Union that vary in amount, then the person or company you are going to pay has the obligation to notify you ten (10) days before each such payment is due and how much it will be. (When required, you must fill out an appropriate agreement with the Credit Union authorizing such payments, the terms of which are incorporated herein). You may choose instead to get this notice only when the payment differs by more than a certain amount from the previous payment, or the amount falls outside certain limits that you set.

12. **Liability For Failure to Make a Transaction.** If the Credit Union does not complete a transaction to or from your account on time or in the correct amount according to our agreement with you, the Credit Union may be liable for your losses or damages. However, there are some exceptions to this, which include the following:

- a. You do not have enough money in your account to make the transaction through no fault of ours.
- b. The transaction goes over the credit limit on your overdraft line.
- c. The terminal where you were making the transaction does not have enough cash.
- d. The terminal or other system was not working properly and you knew about the breakdown when you started the transaction.
- e. Circumstances beyond our control (such as fire, flood or electrical failure) prevent the transaction, despite reasonable precautions that we have taken.
- f. You have not properly followed instructions for operation of the ATM or system.
- g. The funds in your account are subject to legal process or other similar encumbrance.

- h. The transaction would exceed one of the established limits contained in this Agreement or by other Credit Union agreements.
 - i. Access to your account has been blocked after you have reported your Access Device lost or stolen or you use a damaged or expired Access Device.
- 13. **Information Disclosure.** We will disclose information to third parties about your account or the transactions you make: (1) when it is necessary for completing transactions, or (2) in order to verify the existence and condition of your account for a third party, such as a credit bureau or merchant, or (3) in order to comply with government agency or court orders, or (4) if you give us your written permission.
- 14. **Business Day Disclosure.** Our business days are Monday through Friday, excluding holidays. (Deposits made after 4:30 p.m. or on a day we are not open will be processed on the next business day we are open).
- 15. **In Case of Errors or Questions About Transactions. Call 1-800-360-6362.** In case of errors or questions about your electronic transfers, telephone us at the telephone numbers or write us at the address listed in either section E, Membership Liability, or at the end of this disclosure, as soon as you can. (For any errors involving a line of credit account, you must review your Loan Agreement and Disclosure and/or VISA Credit Card Agreement for a description of your rights.) We must hear from you no later than sixty (60) days after we sent the first statement on which the problem appears. You should provide the following information:
 - 1. Tell us your name and account number.
 - 2. Describe the transfer you are unsure about, and include to the extent possible, the type, date and explain as clearly as you can why you believe it is an error or why you need more information.
 - 3. Tell us the dollar amount of the suspected error.

If you tell us orally, we may require that you send us your complaint or question in writing within ten (10) business days, at the address listed in this Agreement and Disclosure.

We will tell you the results of our investigation within ten (10)* business days after we hear from you and will correct the error within one (1) business day after determining that an error occurred.

If we need more time, however, we may take up to forty-five (45) days to investigate your complaint or question. If we decide to do this, we will re-credit your account within ten (10) business days of receiving the error notice, and will inform you, within two (2) business days, after providing the provisional credit, with the amount you think is in error, and the date, so that you will have the use of the money during the time it takes us to complete our investigation. We will correct the error, if any, within one (1) business day after determining that an error occurred. A report of our results will be delivered or mailed to you within three (3) business days after the conclusion of the investigation (including, if applicable, notice that a provisional credit has been made final).

For transactions initiated outside the United States, or resulting from a point-of-sale debit card transaction, we will have ninety (90) calendar days instead of forty-five (45) business days, unless otherwise required by law, to investigate your complaint or question. For transactions on accounts that have been opened less than thirty (30) calendar days, we will have twenty (20) business days instead of ten (10) business days to credit your

account, and ninety (90) calendar days instead of forty-five (45)** business days, unless otherwise required by law, to investigate your complaint or question.

*If you give notice of an error within thirty (30) days after you make the first deposit to your account, we will have twenty (20) business days instead of ten (10) business days.

**If you give notice of an error within thirty (30) days after you make the first deposit to your account, notice of an error involving a point of sale transaction, or notice of an error involving a transaction initiated outside the U.S. its possessions and territories, we will have (90) days instead of forty-five (45) days to investigate.

Special Rules for Provisional Credit for Visa® Check Card Transactions

If you believe a Visa® Check Card Transaction was unauthorized, we will recredit your account within five (5) business days for the amount you think is in error so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint in writing, we need not re-credit your account, or we may reverse any credit previously made to your account, until we have received it. We may withhold provisional credit, to the extent allowed under applicable law, if the delay is warranted by the circumstances or your account history.

16. **Your Liability for Unauthorized Transaction.** Tell us AT ONCE if you believe your Access Device has been lost or stolen. Telephoning is the best way of keeping your possible losses down. You are responsible for all transfers you authorize using an EFT service under this Agreement. If you permit other persons to use an EFT service or your Access Device, you are responsible for any transactions they authorize or conduct on any of your accounts.

Special Notice to VISA Check Card Holders. If there is an unauthorized use of your VISA Check Card or an Internet transaction, and the transaction takes place on the VISA network, then your liability will be zero (\$0.00). This provision limiting your liability does not apply to either VISA commercial cards or ATM cash disbursements. Additionally, your liability with respect to unauthorized transactions may be greater than the above zero (\$0.00) liability limit, to the extent allowed under applicable law, if the credit union reasonably determines, based on substantial evidence, that you were grossly negligent or fraudulent in the handling of your account or card. In any case, to minimize your potential liability you should notify us of any unauthorized use no later than 60 days after your statement was mailed to you.

For all other EFT transactions that require the use of a PIN or Access Code, if you tell us within two (2) business days, you can lose no more than \$50 if someone uses your card and PIN or Access Code without your permission. If you do not tell us within two (2) business days after you learn of the loss or theft of your Card, PIN or Access Code, and we can prove that we could have prevented the unauthorized transaction if you had told us in time, you could lose as much as \$500. In no event will you be liable for more than \$50 for any unauthorized transaction.

Also, if your statement shows transfers that you did not make, tell us at once. If you do not tell us within sixty (60) days after the statement was mailed to you, you may not get back any money lost after the sixty (60) days if we can prove that we could have stopped someone from making the transfers if you had told us in time. If a good reason (such as a hospital stay) kept you from telling us, we will extend the time periods. If you believe that your Card or Access Code has been lost or stolen or that someone has transferred or may transfer money from your account without your permission, you must call or write us at:

1-800-360-6362
GPFCU
5901A Peachtree Dunwoody Rd., Ste.275
Atlanta, GA 30328

If a good reason (such as extended travel or hospitalization) kept you from telling us, we may extend these time periods.

17. Reporting A Lost Card, Access Device, or PIN

If you believe that any Access Device has been lost or stolen or that someone has withdrawn or may withdraw money from your account without your permission, you agree to immediately notify us. You can call the Credit Union or write us at the telephone number or address listed in this Booklet or the Schedule. If you recover your Card/Access Device after you have notified us, DO NOT USE IT.
