

LT126UK**Universal Switch-mode Power Supply**

Item ref: 661.126UK

User Manual

Function:

This 90W switch-mode power supply unit includes 8 interchangeable tips, which support most laptops and portable devices such as PDA and MP3 players. Can be powered via mains supply or in-car. Ideal as a replacement, upgrade or spare power supply.

Adjustable output voltages: 12-24Vdc
5V@500mA USB charger
Supplied with 8 interchangeable dc power plugs
Overload and short circuit protected
Voltage selection via push button
LED voltage indicator

Technical data:

Input Voltages: AC 110 - 240V 50/60Hz or 11 – 14Vdc

Output Voltage: DC 12/15/16/18/19/20/22/24V

Output current: 5000mA max. (all voltages)

USB Output current: 500mA max.@ 5Vdc

Output power: 90W

Instructions:

1. Please read these instructions fully before using this apparatus.
2. For office equipment use only.
3. Check the housing and mains cable for damage.
4. Connect the unit to be powered, select the correct polarity, voltage and connector size, failing to do this, could result in damage to your equipment.
5. The unit to be powered **must not** draw more current than the maximum continuous current of the power supply, in order to prevent overload. (The continuous current draw, should be no more than 80% of the output current max.).
6. Plug the power supply into a wall outlet, the LED display will light up.

Warning:

1. For indoor use **ONLY**.
2. Risk of electric shock, **do not open**.
3. **Do not** install and operate the device in extreme heat, moisture or dusty environments.
4. **Unplug** the power supply when not in use.
5. The appliance is not intended for use by children or infirm persons without supervision.
6. This appliance is **not** intended for use by persons (include young children) with reduced physical, sensory or mental capabilities, or lack of experience and knowledge, unless they have been given supervision or instruction concerning use of the appliance by a person responsible for their safety.
7. Young children should be supervised to ensure they do not play with the appliance.
8. This unit is double insulated.

Disposal:

Please dispose of this device according to the current statutory requirements.
