PHOTO TRANSFER (DPFMATE)

Transferring Photos from the Computer to the Frame
1. This frame contains a built-in installer for the software used to transfer photos from a computer.
2. Use the supplied USB cable to connect the frame and computer.
3. Drivers install automatically when the frame connects to a computer **and USB Mode is enabled (by USB Connect option from Menu)**
4. Once all drivers install, the program launches automatically, displaying all of the images currently on the frame. Supported photo formats are JPEG, GIF and BMP.
5. Browse for image on your hard drive

6. Image Option

+	Zoom In
-	Zoom Out
Clear / Rect	Crop Photo / Fit Size
Rotate L	Rotate photo to the Left
Rotate R	Rotate photo to the Right
Add	Add Photo
Setting	Change background and font colors in the Menu

7. Click Download to sync photos with the mini-DPO.
IMPORTANT: To transfer selected pictures from computer to the frame make sure to click on DOWNLOAD

8. Before removing mini-DPO from USB cable, make sure to Click Exit to close the DPFMate program to avoid damage to internal memory.

9. Other Buttons

Save Save photos from mini-DPO to your hard disc

Save All Save all photos from mini-DPO to your hard disc

All Select all photos

Delete Delete photo

10. mini-DPO can hold up to 130 photos, the status bar shows the numbers of photos loaded into the DPO and the maximum photo storage

If photo manager does not pop up automatically (due to the autorun setting of the PC), go to My Computer, double click DPFMate CD icon and run the program manually.

Note: For MAC user, please unzip MacDPFMate.zip file to application folder, from one of the removable disks that appears when the min-DPO is connected to the computer. **This application is only compatible with PowerPC Mac OSX 10.6 or older.**

TROUBLESHOOTING TIPS

Can't see the pictures that you saved to the frame using DPFMATE	Make sure to click on "Download" after adding all the pictures to the selection using DPFMATE
Frame does not power on	Make sure you are using new set of batteries & batteries are installed properly.
Batteries do not last too long	Make sure to use alkaline batteries for long battery life

LIMITED 90-DAY WARRANTY

Coverage: Hi-Tech Trading (USA), Inc. ("HiTT") warrants this product ("product") against defects in materials and workmanship under normal consumer use for 90 days from the date of purchase. HiTT, at its option, will at no charge repair, replace or refund the purchase price of this product should it not conform to this warranty. This limited warranty is a consumer's exclusive remedy, extends only to the first consumer purchaser, is not transferable and is valid only on products purchased by consumers in the United States or Canada.

EXCLUSIONS:
Normal Wear and Tear: Periodic maintenance, repair and replacement of parts due to normal wear and tear are excluded from coverage.

Miscellaneous: This warranty does NOT cover defects or damage that result from: (a) improper operation, storage, misuse or abuse, accident or neglect, such as physical damage (cracks, scratches, etc.) to the surface of the Product resulting from misuse;

(b) contact with liquid, water, rain, extreme humidity or heavy perspiration, sand, dirt or the like, extreme heat, or food; (c) use of the Product for commercial purposes or subjecting the Product to abnormal usage or conditions; (d) service, installation, alteration, or modification in any way by someone other than HiTT and, (e) other acts which are not the fault of HiTT.

Obtaining Service: To obtain service or information, please send email to **help@hittusa.com**. You will receive instructions on how to ship the product, at your expense, to a HiTT Service Center. To obtain service, you must include a copy of your receipt, receipt is not required if you registered your product on our website **www.hittusa.com** within 30 days of purchase date.
