Committed to responsibly sourced palm oil

Although use of palm oil in our Girl Scout Cookies is very limited, we want to demonstrate our commitment to baking with environmentally responsible, socially beneficial, and economically viable Mass Balance palm oil, by working with suppliers to source fully traceable palm oil. Kellogg is working through its supply chain—from suppliers to processors to growers—to ensure that the palm oil it uses is sourced from plantations that uphold the company's commitment to protect forests and peat lands, as well as human and community rights.

For the 2014-15 cookie season, Little Brownie cookie boxes will display the RSPO Mass Balance palm oil logo shown here, highlighting this cookie's contribution to the production of certified sustainable palm oil.

Selling Tips

Did you know that 90 percent of the public would gladly buy Girl Scout Cookies, but did you know that nearly 35 percent are never approached?

Sometimes we expect girls to know how to sell cookies. The fact is that most girls need at least some guidance in the selling process. Below, you will find some tips and techniques to help your girls achieve their goals.

Tips and guidelines to share with your girls on how to sell cookies:

- Set goals—both short-term and long-term.
- Wear your uniform or be neatly dressed with a Girl Scout pin or Girl Scout t-shirt
- Be friendly and cheerful. Wear a smile - especially if they say no!
- Have a cookie order card and a pen/pencil with you at all times.
- Let customers write down their information and order.
- Know the seven varieties and the cost (**\$4.00** and the money is collected when cookies are delivered).
- Always say, “thank you” to customers whether they order or not. A thank you note is especially nice, just be sure to use only your first name or troop number. In a thank-you note, be sure to mention that they helped you meet your goals.
- Role-play different selling situations before going out to sell cookies.
- Encourage girls to canvas their communities with buddies and adult partners, ringing every doorbell!
- Girls should take orders, door-to-door, at the beginning of the sale with their order cards.
- Sell door-to-door with cookies in hand. One week after cookies are delivered, load up a wagon with cookies, make signs, and you are ready for a neighborhood walkabout! You can find samples of signs for booth sales at www.littlebrownie.com.

Using Digital Order Card to Market Cookies

- Girls can now use age-appropriate Internet tools to take orders for Girl Scout Cookies and have those orders shipped directly to their cookie customers or with the approval of their parent or guardian deliver them directly to the customer
- Create your very own Digital Cookie site, telling customers about your goals and taking orders online.
- Customize the way you learn and earn, using technology to do things like build your customer list and post a photo or video to inspire more support.
- Market your cookie business, sending cool emails to friends and family to encourage them to visit your Digital Cookie site.
- Track your sales with an awesome dashboard, analyzing your results by cookie, week, and type of delivery.

Telephone Sales

- One of the fastest, easiest ways to sell Girl Scout Cookies is by phone.
- Girls should review order cards from previous years and use them to contact their customers again.
- Once cookies are delivered girls may want to call customers, thank them for their orders and ask if they need additional cookies.
- Try a Text-a-thon --Girl Scout Cadettes, Ambassador, and Senior girls may want to text their friends and family to let them know “Its Cookie Time”, and to collect their orders. Be sure to get a parent’s permission first and follow guidelines from GSUSA about using Social Media sites before texting.

Workplace Sales

- Girls can contact business owners or managers to request permission to sell cookies to their employees at a meeting or special time.
- Girls can either make a quick “sales pitch” at a staff meeting, or sell “office door-to-door” (or cubicle-to-cubicle), depending on the wishes of the business.
- Once employee sales are completed, the business may allow girls to leave an order card in a visible spot. Leave a note from your team outlining their goals and plans for the cookie proceeds. (Remember not to list the girls’ last names or phone numbers on the order card or note). An adult at work may oversee the card, but it is the girl’s responsibility to fill all orders, write thank-you notes, and oversee delivery.
- Girls should establish a date and time to pick up the order card and to deliver the cookies.

Safety Tips – Review and Practice

- Always sell in pairs.
- An adult should accompany Girl Scout Daisies, Brownies and Juniors. Girl Scout Cadettes, Seniors, and Ambassadors should inform parents of their whereabouts.
- Take orders and deliver cookies to the front door only.
- Never enter a home or an apartment or accept refreshments from a customer.
- Turn in money frequently to Troop Cookie Manager.
- Practice making change (coins and bills).
- Use money envelopes provided.

Remember to review all cookie safety rules and follow GSUSA and council safety checkpoints at all times. Go to www.gslpg.org click on the Cookies & More tab.

Cookie Rally

Cookie Rallies give Girl Scouts a jumpstart on the Cookie Season. Sponsored by the service unit, a Cookie Rally is a high-energy good time for girls and their families. Rallies are a great place for to learn early business skills and the proven strategies that boost sales. No one can resist the momentum of dozens or even hundreds of girls excited to start selling cookies.

Check with your SUCM to see if your service unit will be holding a cookie rally in your area.

Gift of Caring – Honoring Heroes

For many years, Girl Scouts® across the country have used Girl Scout Cookies® to show their appreciation for men and women in uniform or to support those in need. Girls choose an organization they want to benefit and give customers the opportunity to purchase cookies as a donation.

For various reasons, some customers do not want to buy cookies for themselves. With Gift of Caring, they have a chance to give to others while supporting Girl Scouting at the same time.

Display a sign at your booth sale that informs customers about the program. Create a Gift of Caring drop box where customers can place their donations, so customers can see the donated cookies stacking up!

Your troop can participate by doing the following:

- Choose a charitable organization to receive the donated cookies.
- Tell customers they can buy cookies that girls will donate to the organization they choose.
- Deliver the cookies at the end of the cookie sale.
- Order Gift of Caring patches with your final reward order in eBudde to award the girls for their commitments at the end of the sale.

The Girl Scout Cookie Activity Pin

All girls who participate in the Girl Scouts Cookie Program are eligible to earn the annual Cookie Activity Pin, which recognizes the “5 Skills” learned and practiced during the sale. Girls can collect a different colored pin every year to recognize growth in these five skill areas. The pins are available for purchase in the council shops or online.

Each girl must participate in one booth sale to receive this patch. - Automatically order when at least one box of cookies is entered in the booth sale column on the Girl Order tab in eBudde

Pre-Order Sale

January 16 – February 1

- Collect *Order Cards (G-2)* from girls by **February 2**. Check your troop's meeting dates and make plans to collect them at that time. Hold the *Order Cards (G-2)* until the girls pick up the cookies. A good practice would be to make copies of each girl's Order Card, in case the Order Card is misplaced.
- Distribute *Goal Getter Order Cards (G-4)* to girls and set a deadline date to turn them in to you. Before you set the date, you will need to check with your SUCM to get your deadline date. Goal Getter Orders give girls additional time to take orders to help meet their individual and troop goals.
- Check totals on all girl order cards. Add all the columns up, down, and across. If you make any changes, notify the parent of the changes.
- Enter girl totals into the eBudde software program. (<http://ebudde.littlebrownie.com>)
- We will not place a girl's order if the *Parent Permission and Financial Responsibility Agreement (G-32A)* is missing or if the girl is not registered.
- Check to make sure a parent did not order too many extras. Make sure they understand that they are responsible for the money and cookies they pick up. Once cookies are picked up by a parent or troop cookie manager they are responsible for the cookies and no returns to the council or troop.

- SUCM will check the troop's order and especially the extras ordered. If the troop orders too many extras, the SUCM will call and discuss the concern and will make any changes necessary. The SUCM will reduce the amount and contact the TCM. Extras are available at any of the warehouses/cupboards.

Entering the Initial Order In eBudde

This is the entry page for the initial troop cookie order. Initial order deadline date is **February 3**.

- Click on a girl's name.
- Enter the number of packages (not cases) sold for each girl in the boxes at the bottom of the screen
- Click OK at the end of the line on the right.
- Continue with steps 1–3 until all girls' initial orders are entered.
- Click the SAVE button often when you complete all entries and click save before you log off.
- *NOTE: Packages, case and surplus totals are automatically calculated at the bottom of the worksheet.*
- The surplus numbers represent packages that are left over from the required whole case order. This number can be helpful when calculating and entering the booth sale order. (Be careful not to OVER ORDER!)
- To edit already keyed information, click on the line to be corrected. Using the entry fields at the bottom of the screen, type over incorrect numbers, then click ENTER or OK. Always SAVE before ending the entry session; otherwise, data will be lost.

Submitting Initial Order

When the order is complete and correct, it can be submitted to your SUCM at the appropriate time by clicking the SUBMIT button. NOTE: Submitting the order sends it to your SUCM. You will not be able to make cookie order entries or adjustments after you submit it to your SUCM. **CAUTION: You can only submit once and this must be done on or before the specified due date. Deadline dates on eBudde are firm. Users will be locked out of system if orders are not submitted on time.**

Report Tip: Printable versions of the initial order are available from this tab. Take the printout with you when picking up your initial order on your delivery date.

Initial Reward Order – Here the TCM will verify and complete the initial troop reward order. The Initial Rewards Order is for all girls who sell 195 packages or more. (This includes troops that choose Proceeds Only.) Girls who sell 195+ packages will earn the **Summer Fun Bandana**.

- Girls who sell 225+ packages or more will earn the **Summer Fun Trio**.
- To complete the initial order, select FILL OUT; each Girl Scout listed. eBudde will automatically calculate and change the initial order to read, "receives 2 rewards" if they have earned the reward.
- Click on each name to review their sales total; then click SUBMIT GIRL ORDER.
- When the initial order is complete and correct, submit it by **February 3** to your SUCM by clicking on the SUBMIT REWARD ORDER button.
- Initial Reward Order deadline is **February 3**. You will be locked out after the deadline date.

Pre- Order Paperwork

Turn in the following forms to your SUCM by **February 4**.

- All signed *Parent Permission and Financial Responsibility Agreements* (G-32A)

Goal Getter Orders

- Set a date to collect *Goal Getter Order Cards* (G-4).
- Check totals on all girl order cards. Add all the columns up, down, and across.
- Add all girls goal getter orders together and tabulate troop order rounded to the nearest case. **Before you place your order for extra cases, make sure you take in to account the extras you will have from your initial order.**
- Your SUCM will give you the dates to turn in your Goal Getter Orders. Troops picking up at any of the warehouses may pick up goal getter orders at that time.

When Do I Pick Up Our Initial Cookie Order?

Cookie Pickup & Delivery

Your SUCM is notified by the council the date and location for your service unit to pick-up their troop orders. The SUCM may allow the TCM to schedule a cookie pick-up time in eBudde using the Delivery tab. In some cases, your SUCM will schedule pick-up times outside of eBudde; please be patient and cooperative with the SUCM.

- It is important that only the Troop Cookie Manager (or other assigned person) pick up the cookies for the troop. Please notify the Service Unit Cookie Manager if you are not able to pick up cookies and the name of the person who will.
- Never pick up another troop's cookies or mix troop cookies in one vehicle.
- Bring a copy of your Initial Order Report from eBudde.
- Council will not replace cookies due to shortage. It is your responsibility to count all cases of cookies when you pick them up.
- Do not help yourself to the cookies you need! Wait for your Service Unit Cookie Manager to assist you. Carefully count all of your cases. You are responsible for every case of cookies once you sign for them.
- You are responsible for loading your own car when picking up from your Service Unit delivery location. When picking up from the warehouse location, the agent will load your car.
- If you are unable to pick up at your assigned time, try to get someone else in the troop to do it for you.
- Bring enough vehicles (see Vehicle Loading Information). Partial order pickups are not allowed.
- When picking up cookies make sure your vehicles are clean and have no other passengers.
- Vehicle loading information is based on being occupied by the driver only.
- Count cases carefully before putting in vehicle or signing for them. Once you leave the location, you are responsible for the cookies until parents pick them up. If you do not feel comfortable with your count, count again until you feel comfortable.
- Make sure cases have no damages. If you have, damages have them replaced.
- Be sure to sign the SUCM's *Delivery Station Order Form (NSB1)* and pick up your troop's bank deposits from the SUCM.

Vehicle Loading

Vehicle Loading Suggestions

The following is a comfortable rule-of-thumb to use when planning for the pick-up of cookies at the delivery site. The amount stated is with the vehicle empty, using all space except driver's seat.

| Car Type | Number of cases |
|--------------------------|-----------------|
| Compact car | 23 |
| Hatchback car | 30 |
| Mid-size sedan | 35 |
| Sport utility vehicle | 60 |
| Station wagon | 75 |
| Mini van (seats in) | 75 |
| Pick-up truck (full bed) | 100 |
| Cargo van (seats in) | 200 |

Please...do not bring small children or pets with you to pick up cookies.

Issuing Cookies to Girls

- Make sure your location is dry, cool, and secure.
- Solicit parents in the troop to help unload cookies. Stack them by variety.
- Prepare *Money Envelope (G-3)* for each girl receiving cookies. Use the *Money and/or Cookie Receipt (M-3)* for each transaction. Sort cookies according to each girl's total order. Use the girl's *Order Card (G-2)* to get the totals.
- Schedule parents to pick up cookies. Have parents pick them up the same day you receive them. Remember you are responsible as long as the cookies are in your possession.
- Have parent count boxes and sign a *Money and/or Cookie Receipt (M-3)*. The TCM signs both transactions. This might sound a little confusing. Read on, the following should help clear up any confusion.
- Give parent their daughter's *Order Card (G-2)* and a *Money Envelope (G-3)*. Set up several dates to collect money from parents. Let them know that all money is due by **March 16**. After this date, you will turn their name in as a debtor using the *Outstanding Debt Report*, and the council will start the collection process, which may include contacting the police department for possible criminal prosecution.
- If a girl has an extremely large order or has had collection problems in the past, you MAY choose to keep some cookies until she turns in the money and repeat the process until all cookies and money is collected. Sometimes you may request they pay for the cookies upfront. Use your own judgment. If you are not sure what to do, call your SUCM or Mary Gallet, COO-Indirect Services or Michelle Begnaud, Information Director at 1-800-960-2093.

NO RETURNS. You are responsible for payment for all cookies that you receive. Cookies may not be returned, under any circumstances to the troop and council.

Who Signs Where On The “Money And/Or Cookie Receipt?”

- TCM signs on the “Received From” line when the parent is picking up cookies. Parent signs on the “Received By” line.
- TCM signs on the “Received By” line when the parent is turning in money. Parent signs on the “Received From” line.

Who Gets Which Copy?

- White copy goes to parent
- Yellow copy attached to the Troop Final Sales Report
- Pink copy is for your records

Girl Receipt Of Money

- Collect money from customers when cookies are delivered.
- Enter girl payments in ebudde in the Girl Order tab and make sure to write a Money and/or Cookie Receipt (M-3) for each transaction.
- Checks are accepted only under the following conditions:
 - Checks are made payable to Girl Scouts of Louisiana – Pines to the Gulf or GSLPG.
 - All checks must include the customer's name, address, home number, work number, driver's license number, and state in which the license was issued.

During The Sale- Remind All Parents Money Is Due March 16

- Check with parents to make sure cookies are delivered. Remind them to turn in money to you as soon as they receive it.
- If a parent has not delivered cookies, remind them of the deadline dates. Remind them if money is not turned in on time you must report them as a debtor. If you have any parents who are debtors, report them on the *Outstanding Debt Report*.
- If your troop has extra cookies, call your SUCM as soon as possible. They may be aware of another troop who needs cookies. The SUCM will do a *Troop to Troop Transfer Receipt (T-10)* Left over cookies at the end of the sale will reduce your troop proceeds.

Transfers And Extra Cases - Are Done In Cases Only

- A *Troop to Troop Transfer Receipt (T-10)* is used to make a transfer from troop to troop. The cases can include a mixed variety of cookies, **but must total twelve boxes to equal a case**.
- TCM's must notify the council service center if someone else is picking up cookies for them from any warehouse or cupboard.
- If a Troop Cookie Manager is unable to pick up extra cases of cookies and would like to send someone else, an Authorization Card will need to be given to the warehouse/cupboard staff before they can pick up any cookies. An Authorization Card is given to the warehouse/cupboard staff and a new one is required each time.
- You may get extra cases during the Delivery and Direct Sale. Contact your SUCM before you pick up extra cases.
- Make sure you use a *Money and/or Cookie Receipt (M-3)* for any extra cookies or money you collect from each girl.
- Keep all your receipts and turn them in with your final paperwork.

Troop Rewards

1. Give girls credit for cookies sold during the entire sale (extras, booth sales, or transfers) by entering in extra boxes on the girl order tab in eBudde.
2. Make sure you check the correct rewards for each girl based on her total boxes sold. If a girl earned any reward with a size or a choice, make sure you check with the parent for the correct size and choice. We are unable to make exchanges once the order is placed.
3. Rewards may be picked up from your SUCM in May. They will call you and let you know when and where to pick them up. Once the SUCM receives them, they will need time to count and sort by troop. You should receive them sometime in mid to late May.
4. Cookie Dough Cards will be mailed to each girl who earns it along with instructions on how they can use the cookie dough. Please remind parents to look for the envelope in the mail sometime in May.

WAREHOUSE AND CUPBOARD LOCATIONS

Before a troop picks up extra cases of cookies, they must notify their Service Unit Cookie Manager. Starting this year if a troop cookie manager sends someone to pick up cookies for their troop that person must have an Authorization Card completed and signed by the Troop Cookie Manager. When anyone picks up extra cases of cookies make sure you count them and ask for a receipt. If you have any questions, call Michelle Begnaud or Mary Gallet at 1-800 960- 2093.

Wrapping up the Sale in eBudde

Final cookies orders and final reward orders due March 18, 2014

Wrapping up your cookie sale in eBudde is easy. Remember to distribute all cookies received to the girls in order for them to receive their recognitions at the level in which they reach.

Step 1

Girl Orders – This screen provides an automated/printable version of the troop's entire cookie order broken down by girls with each girl's initial order as well as additional cookies sold by each girl. It is pre-filled with each girl's initial order and blank lines are available for additional transactions. Additionally, a running subtotal of cookies sold and amounts due/paid is provided.

To enter additional cookies sold:

- Select a blank line of entry under the girl's name each time you need to update her order. This creates an active highlighted field of entry at the bottom. (Do not alter the initial order numbers.)
- Enter cookies added with positive numbers; cookies removed from one girl's total can be entered as negative numbers. CAUTION: The same amount entered as a negative number for one girl must be entered as a positive number for another girl.
- Amounts paid by the girl are entered in the same fashion under the PAID column.
- After entering information, click ENTER or OK, then SAVE; eBudde will always provide a new blank line for entry under each Girl Scout.
- To change or correct already entered data, click on the line needing adjustments and type over amounts in the highlighted fields at the bottom of the screen; then click ENTER or OK, and SAVE.
- The **Difference total** shows cookies that are not assigned to a Girl Scout and she will not receive the correct rewards. Generally, these are cookies sold at a booth sale or via extended orders. Work to allocate these to the girls.
- Ultimately, the difference should be zero, but not negative. This screen supplies the cookie totals used by eBudde to calculate each girl's recognitions.
- Make sure your information is correct.

Step 2

Final Reward Order, the TCM will verify and complete the final troop reward order. The Final Reward Order is for rewards earned at various sales levels, such as T-shirts and patches. **NOTE: The girls' cookie totals, available for rewards, are based on the amounts in the Girl Order screen.**

- You complete the Final Reward Order, click FILL OUT. Review earned rewards by clicking on a name; eBudde will automatically calculate the rewards that a girl earns.
- Select between choices, indicating size when necessary; then click SUBMIT GIRL ORDER.
- Complete this process for each girl, then verify the totals and submit the order to the SUCM by selecting SUBMIT REWARD ORDER. **NOTE: The FILL OUT button will not be available once the order has been submitted.**
- Final rewards order deadline is **March 17**. All users are locked out after **March 17**.

Step 3

Deposits This tab is used to enter details for deposits made into the Council's bank account. The SUCM will verify all deposits that the TCM inputs. *Remember that all deposit slips MUST BE VALIDATED by the bank in order for them to count as deposits made.*

How to Make a Deposit?

Before cookies are delivered, you will receive bank procedure envelopes with deposit slips for the troops in your service unit selling cookies. Each service unit has their own council service unit bank account. Your service unit will receive deposit slips from the bank in their service unit.

Step 4
