55" All-in-One ePoster Digital Kiosk

Dual-sided Display Solution with Single-side Touch

EP5555T

Vertical visual appeal gets interactive impact with the two-sided ViewSonic® EP5555T ePoster with one-side touch functionality.* The free-standing, all-in-one design delivers convenience as well as high-impact, glossy-black good looks, for quick and easy deployment. Engage your audience coming and going with vivid HD images and one-sided touch that invites interaction with your message. Drive content using the internal media player, or connect to your corporate network via a supplementary media player. And rest assured, it's all safe and secure thanks to the locking back cover and tempered glass faceplate.
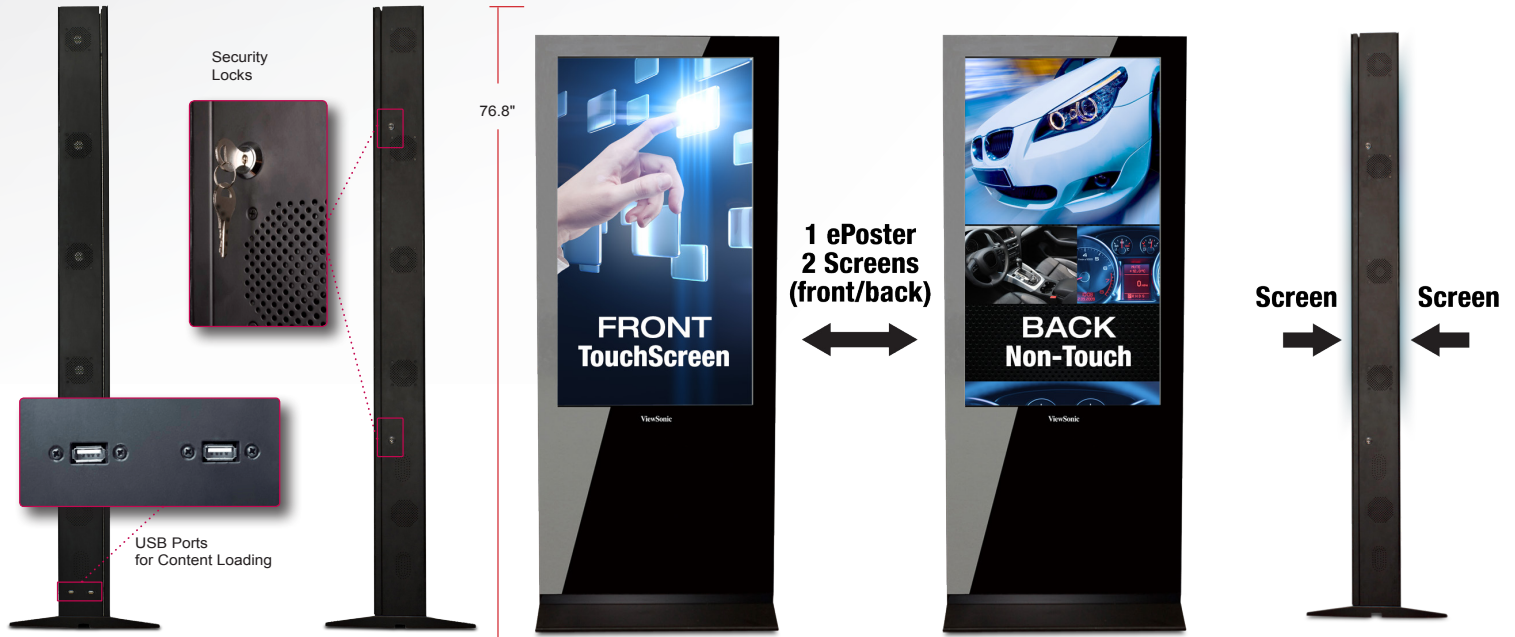

Key Features:

Interactive built-in multi-touch panel

4096x4096 touch resolution

Dual internal media players with memory card

Easy connectivity to PC or network media via HDMI, VGA, YPbPr, USB or composite video (A/V)
