

Léargas PIC Guide 2016

- To apply for any EU grant programme, including Erasmus+, you must first register your organisation for a Participant Identification Code (PIC). PICs are assigned centrally by the European Commission, not by Léargas.
- PICs are used to ensure that European funding is only supplied to authentic organisations. Any organisation that will be named as a partner in an application must have a PIC.
- The process has two stages, self-registration and submission of supporting documents. **Both stages must be completed before the application deadline.**
- Registration requirements vary depending on your organisation type, so please read this guide carefully!

1: Accessing the Participant Portal

Go to <http://ec.europa.eu/education/participants/portal>

The screenshot shows the top section of the Participant Portal website. At the top right, there are links for 'Contact', 'Legal Notice', and a language dropdown menu set to 'English'. Below this is the European Commission logo and the text 'Education, Audiovisual, Culture, Citizenship and Volunteering Participant Portal'. A breadcrumb trail reads 'European Commission > Education & Training > Participant Portal > Home'. A navigation bar contains 'HOME', 'ORGANISATIONS', 'EXPERTS', and 'SUPPORT', along with 'LOGIN' and 'REGISTER' buttons. The main content area has a blue header: 'Welcome to the Education, Audio-visual, Culture, Citizenship and Volunteering Participant Portal'. Below this, it states: 'The Participant Portal is your entry point for the electronic administration of EU-funded projects under the programmes:'. A bulleted list follows: 'Creative Europe', 'Erasmus+', 'Europe for Citizens', and 'EU Aid Volunteers.'. A paragraph explains that users must register to submit proposals or participate as experts, and that they can search for registered organisations in the 'Organisation' tab. At the bottom of the screenshot, there are two input fields: 'Are you a new user?' and 'Do you already have an ECAS account?'.

Welcome to the Education, Audio-visual, Culture, Citizenship and Volunteering Participant Portal

The Participant Portal is your entry point for the electronic administration of EU-funded projects under the programmes:

- Creative Europe
- Erasmus+
- Europe for Citizens
- EU Aid Volunteers.

If you plan to submit a project proposal under one of these programmes, or wish to participate as an independent expert, you are required to register your organisation or expert details here. For informal groups of young people, one member of the group should register, as a natural person, in the Organisation tab, on behalf of the group. In the Organisation tab you will be able to search for registered organisations.

Are you a new user?

Do you already have an ECAS account?

The screenshot shows the 'Participant Portal' interface. At the top, there is a navigation bar with the European Commission logo and the text 'Education, Audiovisual and Volunteering'. Below this is a search bar with the text 'Search a registered organisation and PIC'. The search results show '3 search results for Leargas'. Three results are displayed as cards:

Organisation Name	Location	VAT Status	PIC	Country Code
LEARGAS - THE EXCHANGE BUREAU LBG	DUBLIN, IE	VALIDATED	949479360	CO
Leargas TEST VET 2	Dublin, IE	DECLARED	948453488	CO
LFox Leargas	Dublin, IE	DECLARED	947017500	CO

At the bottom of the search results, there are buttons for 'TABLE VIEW' and 'SEARCH CRITERIA'. The footer of the page reads '© European Communities'.

If your search returns a 'Validated' result, your organisation is already registered. Note the PIC and use it in your application. There is no need to re-register.

3: Logging in to Participant Portal

The screenshot shows the top navigation bar with 'Contact | Legal Notice | English' on the right. The main header features the European Commission logo and the text 'Education, Audiovisual, Culture, Citizenship and Volunteering Participant Portal'. Below this is a breadcrumb trail: 'European Commission > Education & Training > Participant Portal > Home'. A navigation menu includes 'HOME', 'ORGANISATIONS', 'EXPERTS', and 'SUPPORT'. On the right of this menu, there are 'LOGIN' and 'REGISTER' buttons, with the 'LOGIN' button circled in red. A blue callout box points to the 'LOGIN' button and contains the following text: 'If your organisation is not already registered, you must now set up your PIC. If you already have an ECAS account, click 'log in' and enter your details. If you do not have an ECAS account, you'll need to create one (see next section)'. Below the callout box, there is a form with two radio buttons: 'Are you a new user?' and 'Do you already have an ECAS account?'. The second radio button is circled in red, and a blue arrow points from the callout box to it.

3a: Creating an ECAS account

ECAS is the European Commission Authentication Service and is used to access European Commission websites. Go to <https://webgate.ec.europa.eu/cas/> to create an account.

The screenshot shows the ECAS login page. At the top, it says "EUROPEAN COMMISSION AUTHENTICATION SERVICE (ECAS)". Below that, there's a navigation bar with "IntraComm > Authentication Service > Where Are You From?". The main content area has a blue box on the left that says "Authenticates your identity on European Commission websites". To the right, there's a section titled "What is ECAS?" with a description: "ECAS is the European Commission Authentication Service. It allows users to access a wide range of Commission information systems, using a single username and password. Once you log in, ECAS will remember you as long as you keep your browser open. During that time, you won't have to identify yourself again, no matter how many online services of the Commission you access." Below this, the heading "Where are you from?" is followed by instructions: "Welcome to the European Commission Authentication Service (ECAS). Choose the institution or body for which you want to log in. Choose 'External' if you don't work for a European institution or body. Account composed of w and 7 digits. If you aren't sure, select the 'I don't know?' option for help." There are four options with icons: "European Commission" (with the EU flag), "External" (with a globe icon), "W+7" (with a plus sign and 7), and "I don't know?" (with a question mark). The "External" option is circled in red. A blue callout box with the text "Click 'external'." has a line pointing to the "External" option.

Register an Organisation

To participate in proposals and projects, you must first register your organisation in the system. After registration, a unique identifier is assigned to your organisation. This is the 9-digit **PIC (Participant Identifier)**. A **single registration** is required for each organisation. **Please keep the legal data of the organisation** in the documentation of the call for proposals. **You can pause the registration process at any time and continue it later.** The system automatically saves your draft registration and will keep it until you complete it or for up to one year after its last edit.

Click 'Register organisation'.
If you have to stop at any time in the registration process, you can save your details and click 'Resume registration' when you begin again.

There are 'Print' and 'Close' buttons at the bottom of the wizard.

After registration, a confirmation email will be sent to the registered contact person.

The e-mail contains a record of your PIC, and a link to the EU forms required to validate your organisation's identity.

However, you can access the forms without the link (see next section).

8: Supporting documentation required

- After completing self-registration, you must upload supporting documentation confirming your organisation's details so that your PIC can be validated.
- Documents required include two European Commission forms: the Legal Entity (FEL) form and Financial Identification form (see section 9 for details). You will need Adobe Acrobat Reader installed on your computer to work with these forms.
- The forms must be printed and signed by the legal representative of your organisation (usually the CEO or equivalent).
- Other required documentation depends on the type of organisation involved, so read this section very carefully.

Documents required – Public Entities

A public entity is “a public sector body or a legal entity governed by private law with a public service mission providing adequate financial guarantees”. These include schools, higher education institutions and organisations that have received over 50% of their annual revenue from public sources.

Public entities must submit:

- Completed Legal Entity (FEL) and Financial Identification forms with required stamps/signatures.
- A copy of the resolution, law, decree, decision or any other official document establishing the organisation. This must be issued recently and no more than six months old.

Documents required – Private Companies

An organisation that is not a Public Entity is considered a **Private Company**.

Private companies must submit:

- Completed Legal Entity (FEL) and Financial Identification forms with required stamps/signatures and
- A copy of their VAT registration (if applicable), including the VAT number
- An extract of registration (or equivalent e.g. Company Register, Official Journal) indicating the name, address and registration number of the organisation – must be issued recently and no more than six months old.

Private Companies requesting grants over €60,000 must also submit:

- Annual balance sheet for the last approved accounting period and
- Profit and Loss account for the last approved accounting period.

Documents required – Individuals (Youth only)

Individuals can apply in the Youth field, but only as representatives of an ‘informal group of young people’. This means at least four young people active in youth work, though the youth work does not necessarily have to be carried out in the context of a formal youth organisation.

Individuals must submit:

- Completed Legal Entity (FEL) and Financial Identification forms with required signature and
- A copy of your identity document (passport, driver’s licence, or national identity card)
- NB: People of Irish nationality are not required to submit a Personal Identification Number.

9: Completing the EC forms

Make sure you have installed **Adobe Acrobat Reader** (<https://get.adobe.com/reader>) on your computer, and then download the forms from the European Commission website. You will not be able to view the forms without Adobe Acrobat Reader.
