High voltages are used in the operation of this television receiver. Do not remove the cabinet back from your set. Refer servicing to qualified service personnel.

Never stand on, lean on, or suddenly push the television or its stand. You should pay special attention to children. Serious injury may result if it falls.

To prevent fire or electrical shock hazard, do not expose the television receiver to rain or moisture.

Do not place your television on an unstable cart, stand, shelf or table. Serious injury to an individual, and damage to the television, may result if it falls.

Do not drop or push objects into the television cabinet slots or openings. Never spill any kind of liquid on the television receiver.

When the television receiver is not used for an extended period of time, it is advisable to disconnect the AC power cord from the AC outlet.

Do not block the ventilation holes in the back cover. Adequate ventilation is essential to prevent failure of electrical components.

Avoid exposing the television receiver to direct sunlight and other sources of heat. Do not stand the television receiver directly on other products which give off heat, e.g. video cassette players and audio amplifiers. Do not place naked flame sources, such as lighted candles on the television.

Do not trap the power supply cord under the television receiver.

If the television is to be built into a compartment or similar enclosure, the minimum distances must be maintained. Heat build-up can reduce the service life of your television, and can also be dangerous.

### Instruction for Wall Mount

A wall mount kit (purchased separately) would allow you to mount your iSymphony TV on the wall. For detailed information on installing the wall mount, refer to the instructions provided by the wall mount manufacturer. It is strongly recommended to contact a technician for professional assistance for wall mount installation. iSymphony is not responsible for any damage to the product or injury to yourself or others resulting from the wall-mounting.

Dimensions for Mounting Hole Pattern

- This iSymphony TV is compatible with a 100mm x 100mm mounting hole pattern.
- 4 pcs of type M4 screws are required for installing the wall mount bracket to your iSymphony TV. Do not use screws that are longer than 10 mm. Screws that are too long may cause damage to the inside of the TV set.
- Do not fasten the screws too tight for this may damage the TV or cause the TV to fall, resulting in personal injury. iSymphony is not liable for these kinds of incidents
- Do not mount your iSymphony TV at more than a 15 degree tilt.
- Always use two people to mount the TV to a wall.
- Do not install your Wall Mount Kit while your TV is turned on. It may result in personal injury due to electric shock.
