

Direct Vent Gas Fireplace Inserts

Discover Your Flame

QUADRA-FIRE®

Town Square

Simple Symmetry...you will enjoy this exclusive Mission style design, defined by its clear-cut lines, distinctive grille pattern, and black faceted surround trim. Substantial hinges and decorative knobs accent the mock double doors. Shown above on the qvi30 with standard Village Collection panel.

A

B

- A** Traditional cast andiron accents accent the realistic burn and glow of the detailed logs.
- B** This popular symmetrical pattern picks up lines from windows, picture frames and other furnishings to add energy to any room.

available with qvi30 or qvi35

VILLAGE
COLLECTION

Enjoy a clean and custom feel, even with these large doors open. Another hidden fold-down door gives easy access to controls.

Sun Prairie

Gentle Warmth...build a friendly fire and show it off behind this Prairie styled insert front. Opened or closed, clean lines and gracious curves define this fresh door design. Shown above on the qvi35 with standard Village Collection panel.

available with qvi30 or qvi35

VILLAGE
COLLECTION

Remington

Elegant Nobility...silver, gold, or black, this glamorous front with diamond cut grilles provides an open view of the dancing flames with a refined and alluring design. Shown above with Satin Nickel fascia and arch panel with Satin Nickel trim.

A

B

A 24 Karat Gold plated fascia with standard rectangle panel.

B Classic Black fascia with gold accent handles and gold trim on standard rectangle panel.

available with qvi30

QUADRA-FIRE®

A f f i n i t y

Classy Cosmopolitan...bask in the warmth of this sophisticated and discriminating design. The defining modern lines and simple window trim give you a popular contemporary style. Shown above on the qvi35 with standard panel. Use a remote control with your gas insert!

available with qvi30 or qvi35

QUADRA-FIRE®

This radio frequency remote works like a portable thermostat to keep you warm.

mahogany

classic black

M a r q u i s e

Traditional Charm...when design is taken beyond lines and finishes, only the craft of cast iron can provide the enchanting adornment for this beautiful set of operable bi-fold doors. Choose classic black or porcelain mahogany, shown above with a standard panel.

available with qvi30

QUADRA-FIRE®

Technical Data

All inserts have a powerful variable speed blower and are approved for bedroom or mobile home installation. A dual 3" direct vent chimney liner kit is needed for venting.

Since the early '80s, Quadra-Fire has meant quality, style, durability, and performance. This tradition is continued in the Quadra-Fire Direct Vent Gas Fireplace Inserts. Solid construction backed by a Limited Lifetime Warranty gives you the confidence to know you will have years of comforting heat. Choose from one of our traditional Quadra-Fire styles, or one of our designer Village Collection fronts to compliment your décor and taste. Match it with the largest insert that will fit in your fireplace for the perfect view of a beautiful fire! The pan-style stainless-steel burner and highly detailed ceramic logs and embers will create the dancing flames and glowing coal bed you will enjoy for any occasion. When you need extra warmth, back up to the powerful built-in blower as it quietly circulates penetrating heat throughout your home. Your family will feel safe while enjoying your Quadra-Fire, thanks to the child guard screen we've made available with every unit. Brighten your home with a Quadra-Fire Direct Vent Gas Fireplace Insert today.

The **QUADRA-FIRE** Difference

LIMITED LIFETIME WARRANTY: Hearth & Home Technologies offers a Limited Lifetime Warranty on its gas heating appliances to the original purchaser for the lifetime of the appliance, to be free from defects in the material and workmanship. See your authorized Quadra-Fire dealer for details. Photographs and descriptions in this brochure are for product selection only. Refer to Owner's Manuals for more details.
