## Preface

## About this manual

## Introduction

This preface introduces this manual and contains the following sections:

- "Purpose of this manual"
- "How this manual is organized"

## Purpose of this manual

This manual provides information on the Daily Price Submission module of eApps.

## How this manual is organized

This manual is divided into the following main chapters:

- Chapter 1: Daily Price Submission Overview
- Chapter 2: Using Daily Price Submission

## **Chapter 1**

## **Daily Price Submission Overview**

## About this chapter

This chapter provides a brief overview of the Daily Price Submission module of eApps ("Daily Price Submission"). This chapter contains the following topics:

- "Introducing Daily Price Submission"
- "Features of Daily Price Submission"

#### Introducing Daily Price Submission

Daily Price Submission is a component of the eApps System. Please see the following chart:

Daily Price Submission provides a web interface for Primary Dealer banks to submit daily closing prices of SGS and MAS Bills.

## Features of Daily Price Submission

Daily Price Submission offers the following functions:

- Banks may upload daily prices in ".csv" file format.
- Banks may submit daily prices using an online form.
- Banks may view today's submission.
- Banks may make amendments to today's submission.

## Chapter 2

## **Using Daily Price Submission**

## About this chapter

- "Overview of Daily Price Submission"
- "Using Daily Price Submission"

## **Overview of Daily Price Submission**

Daily Price Submission is a web-based application. It allows users to:

- 1. Upload daily price ".csv" file to MAS.
- 2. View today's submission.
- 3. Make amendment to today's submission.

## Using Daily Price Submission

#### A. Login

- 1. Banks need to log in to the eApps system before using Daily Price Submission.
- 2. For the purpose of logging in to eApps, each Primary Dealer bank is assigned a few user IDs and tokens that are used to generate passwords.
- 3. Please contact the MAS Helpdesk at 1800-225-8247 if you have any difficulties in logging in.

<sup>&</sup>lt;sup>1</sup> Please note that the Issuance Calendar is applicable to DBS, UOB and OCBC only.

## C. Daily Price Menu

- 1. There is only one menu item "Input/View/Modify today's data" for banks to upload, view or modify today's daily prices for SGS and MAS Bills. Banks should upload daily prices for SGS and MAS Bills in the same ".csv" file.
- 2. By clicking the "Submit" button, you will see:
  - (a) the upload file screen if no data has been submitted today.
  - (b) a form that displays today's submission if data has already been submitted today.
- 3. If you need to make any modification to today's submission, please contact MAS to set today's submission to "draft". You may then proceed to make the changes through the same menu item.

#### E. Daily Price ".csv" File Format

- 1. The format of the Daily Price ".csv" file should be exactly as follows (Please open the attached file "BANK(Price).csv" for a sample):
  - (a) The first line contains text "Date:" and today's date. Date should be in "dd.mmm.yy" format.
  - (b) Every issue should occupy one line.
  - (c) For SGS, T Bills, MAS Bills issues, each line should start with issue code, followed by maturity date, bid/offer prices, and high/low price if the issue is a benchmark issue. Please note that you should enter '-', instead of '0' if there is no highest/lowest price available for that issue.

#### G. Confirmation Page

- 1. On this page, you will need to confirm that all the data is correct, and click on the "Confirm" button. The confirmation date/time, the bank's name and eApps user id will be displayed.
- 2. The System may generate some warning messages following the confirmation of the submission. If necessary, you can modify the data by clicking on the "Cancel" button to return to the web form page. Otherwise, if all the submitted data is correct, you may ignore the warning messages and click on the "Confirm" button.
