B-Vent Gas Fireplace Series

heatilator[®]
The first name in fireplaces

Reveal,

The secret has been revealed:

Enjoy the beauty of an open fire with the convenience of gas

- Open-hearth design eliminates the glass to recreate the experience of a woodburning fireplace
- Radiant, clean-face design enables the black metal front to be hidden behind a choice of non-combustible finishing materials for an authentic, traditional look
- Multi-colored stone refractory comes standard in a choice of traditional brick or herringbone patterns
- Three-tiered burner provides full, generous flames using 40,000 Btus per hour for 36" models and 43,000 Btus per hour for 42" models
- Six-log set is realistically detailed and easily assembled
- Limited Lifetime Warranty

Reveal shown with Bridgeport mantel, marron brown marble and bi-fold doors

IntelliFire™

- Eliminates a standing pilot, reducing fuel consumption, saving money and being environmentally friendly
- Dependable in a power outage with battery backup

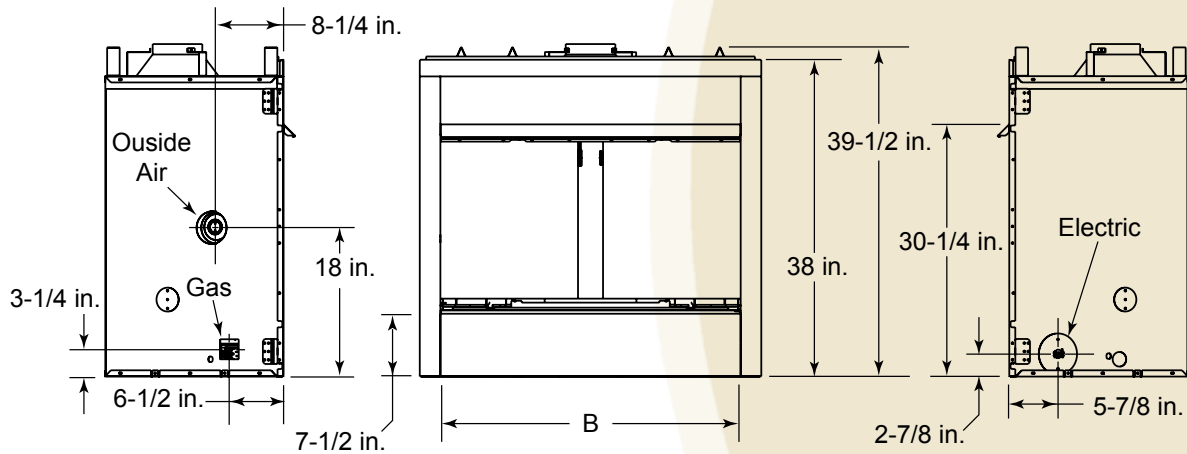

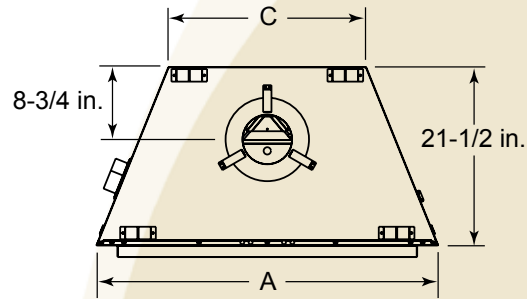

Reveal shown with Sedona flush mantel, Englewood shelf, cast insert panels and hearth, and bi-fold doors

Exceptional Value

Dependable
