Satellite Pro S200

Built to last

New and improved!

ToshibaEasyGuard
Carefree Mobile Computing
Premium

The Satellite Pro S200 delivers the best balance of performance and reliability for business. Packed with premium Toshiba EasyGuard technologies, this highly functional 15.4" widescreen notebook offers a better, more reliable and more secure mobile computing experience. Combining the latest Intel® Centrino® Duo processor technology with a complete set of user-friendly and smart features, professionals enjoy convenient, dependable performance in the office and on the go.

Your data is safe

HDD protection and Durable Design protect key components against impact, vibration and other risks to minimise the risk of data loss.

Lock-tight security

This self-defending notebook protects data thanks to the integrated Fingerprint Reader, TPM and BitLocker™.

Security made easy

Toshiba Security Assist makes it easy to run notebook diagnostics and apply the best boot-up, login/resume and TPM settings.

Simply connect

Toshiba ConfigFree™ enables you to connect easily anywhere and capture location-based profiles for greater convenience.
