# Colorline 24 S2

Manual

Version 1.0

Table of Contents

1. Safety Precautions

1. Do not put the player in the condition of high temperature, humidity or dust.

2. Do not put the player in high temperature places (over 40 ^{o}C).

3. Do not knock or hit the player, especially do not shake TFT screen in order to avoid TFT being seriously damaged.

4. Do not disconnect the player abruptly during the formatting or uploading and downloading, otherwise, it will cause program error.

5. We will not be responsible for any obligation for any memory loss caused by product damage, repair or other reasons. Please use correctly as written in this manual

6. Do not use alcohol or petrol to clean the surface of the player.

7. Please charge in the following conditions:

   o Battery electricity icon displays no electricity.

   o Further power on the player when the system is powered off automatically, but it powers off soon.

   o No response with the pressing keys.

2. Package Contents

1. Colorline 24 S2 MP4 Player

2. Stereo earphones

3. USB extension cable

4. User's Manual / warranty card

3. Introduction

Function Keys:

1. **Power ON/OFF:** Use this to switch on/off your device.

2. **Display:** 2.4" Screen

3. **Mode: "M"** key performs different operations by continuous pressing or by pressing once.

   By continuous pressing you return to the main menu from any submenu

   By pressing once you confirm your choice and/or you are transferred to the next submenu.

4. **+:** press this button to increase volume.

5. **Next:** " ⌄ " Short press: Move to next song.
   Long press: fast forward.

6. **-:** press this button to decrease volume.

7. **Play**: " ▯ "Performs **Power ON/OFF /Play/Pause/Stop.**

   Keep pressing " ▯ " to power on or power off the MP4 Player.

   You can then press" ▯ " for play or pause.

8. **Previous:** " ⌃ "" Short press: Move to previous song.
   Long press: fast reverse.

9. **Earphone:** Earphone interface.

10. **USB:** Interface with computer.

	IMPORTANT: How to power on/off your device
⚠✔	It is preferable to use the **Play**: " ▯ " button for powering ON/OFF your device. The ON/OFF switch on the side of Colorline 24 S2 works more like a reset button. If you switch your device using this switch you may loose your settings (e.g. radio stations e.t.c).

4.   Main Menu

Press the Play button " ▯ " continuously to switch on the MP4 player. If you are already inside a certain menu (e.g. Music or FM) press "**M**" continuously in order to view the main menu .
