MLBV-40	MBLPKB-40B	Buff Rustic, 40"
SLBV-35	BLPKB-35TB	Buff Traditional, 35"
SLBV-40	BLPKB-40TB	Buff Traditional, 40"

**INSTALLATION INSTRUCTIONS**

- Step 1.** Follow the procedure "Turning Off Gas To Unit," located on the Lighting Instructions pullout label in the control compartment of the unit and also in the appliance *Installation Instructions*.
- Step 2.** Remove the front glass enclosure panel (see appliance *Installation Instructions*).
- Step 3.** If applicable, carefully remove the log set from the firebox, and place them in a safe location.  
*Note: Ceramic fiber logs are FRAGILE! Handle carefully to prevent breakage.*
- Step 4.** Refer to *Figure 3*. Carefully bend the Tab to the RIGHT; then place the rear panel against the rear wall of the firebox. Return the Tab to its original vertical position after installation.
- Step 5.** Refer to *Figures 3 and 4*. Carefully slide the left side panel into the firebox between the firebox wall and the lintel.
- Step 6.** Repeat *Step 5* for the right side panel.
- Step 7.** Carefully replace the log set and glass enclosure panel. Refer to the appliance *Care and Operation Instructions* for details on log placement enclosure panel installation.
