3M™ Digital Projector X20

Need the brightness and clarity of a True XGA (1024 x 768) LCD projector in a lightweight model that you can take on-the-go? The 3M Digital Projector X20 may be just the right mobile solution you've been seeking. Weighing less than 4 lbs., this 2000 lumen, 4:3 aspect ratio projector delivers a crisp image from 30-300 inches – perfect for almost any office, classroom or small space screen. Easily connect your PC to one of the RGB inputs or go even lighter with a PC-less .jpg presentation using the featured USB port. You can even personalize your settings and increase your security with the many 3M X20 features. It's lighter and brighter at it's best.
