A1) Yes

Q2) Schedule A, Part A, Line Items A5, A9, A13 & A14
You have listed "SVC" as the applicable model number for the 5-Year Extended Warranty. Motorola's official part numbers for these radios are GA00317 for A5, GA00316 for A9, HA00043 for A13 and HA00051 for A14. Please confirm the applicable model numbers and that the warranty option that should be ordered from Motorola.

A2) The City is looking for original five (5) year warranty from Motorola. The City is aware of the Motorola part numbers for the five (5) year warranty. The Bidder should ask Motorola.

Q3) Schedule A, Part A, Line Item A14
The battery NTN8297 for a quantity of 15 is listed twice. Is this on purpose (to order 2 spare batteries per radio), or is this a duplicate?

- A3) It's a duplicate, please see revised Schedule "A" – Part A**
- Q4) Schedule A, Part A, Line Item A16
For the APX7000 radio, this radio is a dual-band radio, we need to know each band and subsequent system type. Please cite the specific radio model number and all applicable options to build up this unit. There are significant costs associated with all options to be included and excluded depending on the City of Toronto's specific requirements.
- A4) Astro 25 700/800MHz only. Options comparable to existing XTS5000 feature set: Q806, Q361, Q667, Q446, Q445, please see revised Schedule "A" – Part A**
- Q5) Schedule A, Part A, Line Item A10
Regarding MW810, what is the operating system model number (i.e. Win. 7 Pro etc.). What is the specific hard drive model/option number? What is the description/relation of the 64GBSSD, is there a model option number for this?
- A5) Win 7 Pro, minimum 64 Gigabytes, solid state drive, see revised Schedule "A" – Part A**
- Q6) Schedule A, Part A, Line Item A11
