

HDV500 DIRECT VENT GAS FIREPLACE

Introducing the HDV500 from Monessen.

With the most heating capacity of any of our direct vent models, the HDV500 offers a large viewing area - up to 731 square inches - and your choice of Cottage Clay or Cottage Red firebrick. This 21 inch deep direct vent fireplace also features ceramic glass, an illustrated deluxe control panel for ease of use, and several designer facings to customize the look of your new HDV500. With an 85% CSA efficiency rating and a Limited Lifetime Warranty, the HDV500 from Monessen is the perfect fit for your home.
